EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO RENEW COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL
HEALTH MEDI-CAL PROFESSIONAL SERVICES AGREEMENT - UNIQUE GROUP
PROVIDER WITH UCLA NEUROPSYCHIATRIC AND BEHAVIORAL HEALTH
SERVICES FOR FISCAL YEAR 2003-2004
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and delegate authority to the Director of Mental Health to prepare, sign, and execute a renewal of Medi-Cal Professional Services Agreement - Unique Group Provider, substantially similar to Attachment 1, with UCLA Neuropsychiatric and Behavioral Health Services for the provision of a variety of outpatient mental health services that help address mental health needs of Los Angeles County Medi-Cal beneficiaries under the Local Mental Health Plan (LMHP). This Agreement does not have a maximum contract amount as funding for specialty mental health services is reimbursed based on the State's adjudicated rates specified in the LMHP Provider Manual and is funded by the State Managed Care allocation and Federal Financial Participation (FFP) Medi-Cal which is included in the FY 2003-2004 Adopted Budget. The unique Fee-For-Service (FFS) Agreement will be effective on Board approval or October 1, 2003; whichever is later, with a term of nine (9) months.
2. Delegate authority to the Director of Mental Health to prepare, sign, and execute future Amendments to the Unique Medi-Cal Professional Services Agreement - Group Provider provided that: 1) the Board of Supervisors has appropriated sufficient funds for all changes; 2) approval of County Counsel and the Chief

Administrative Officer or his designee is obtained prior to any such Amendment; and 3) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

DMH has had an agreement with UCLA Neuropsychiatric and Behavioral Health Services on similar terms and conditions for many years. When the Agreement came up for renewal last spring along with all other FFS renewals, UCLA requested that this Agreement be revised to conform to the general terms and conditions in the DMH- UCLA Affiliation Agreement approved by your Board. The Affiliation Agreement recognizes certain unique characteristics in the relationship between DMH and UCLA. DMH and County Counsel agree that this Agreement should be conformed to the general principles of the Affiliation Agreement.

UCLA Neuropsychiatric and Behavioral Health Services agreed to provide needed services utilizing a short-term Agreement (July 1, 2003 through September 30, 2003) to continue providing quality mental health services to clients until a unique Agreement could be developed. This short-term Agreement utilized the standard FFS Agreement format as approved by the Board on May 13, 2003.

A unique Agreement with UCLA Neuropsychiatric and Behavioral Health Services is necessary because this group must abide by the policies and procedures of the Regents of the University of California and their configuration is different from other group providers. UCLA is a self-insured provider and has other existing Agreements with DMH. The unique FFS Agreement conforms to the principles of the Affiliation Agreement, which was adopted by the Board on May 14, 2002 and better serves the purposes of both UCLA and DMH.

Without approval of the recommended actions UCLA Neuropsychiatric and Behavioral Health Services will no longer be available to County residents to provide specialty mental health services that help LMHP beneficiaries improve, maintain, and restore daily living in communities throughout Los Angeles County. These services include mental health services, medication support services, crisis stabilization services and patient/family education for various diseases/disorders.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan, Goal 5 "Children and Families' Well-Being." Approval of this action will ensure continued access to specialty mental health services by Medi-Cal Beneficiaries (children and families) who reside in Los Angeles County.

FISCAL IMPACT/FINANCING

This Agreement does not have a maximum contract amount. The provider is reimbursed based on the State's adjudicated rates specified in the LMHP Provider Manual. Funding consists of State Managed Care allocation and FFP Medi-Cal, which are included in the FY 2003-2004 Adopted Budget. There is no impact on net County cost for implementing the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The unique Agreement for Medi-Cal Fee-For-Service Professional Services shall be with UCLA with a term of nine (9) months. If Board approval is granted the Agreement shall become effective October 1, 2003 and terminate on June 30, 2004. Services are to be provided by Physicians, Psychologists, Licensed Social Workers, Marriage and Family Therapists and Master Level Psychiatric Nurses who are licensed by the State for independent practice.

County Counsel has approved the Agreement as to form and the Chief Administrative Office has reviewed and approved the Board Letter.

CONTRACTING PROCESS

State regulations require a contractual agreement between DMH and Medi-Cal providers who provide specialty mental health services. As the Local Mental Health Plan, DMH is responsible for entering into contractual arrangements with individual and group providers who meet State and LMHP credentialing standards and executing Agreements for specialty mental health services. DMH currently contracts with 22 group providers.

DMH shall continue to contract with interested providers who apply to participate in the countywide network. Provider enrollment will be open until all access and demographic requirements are met.

IMPACT ON CURRENT SERVICES

Board action will ensure that the provider continues to render needed specialty mental health services without interruption to DMH's clients.

UCLA Neuropsychiatric and Behavioral Health Services serves clients referred to them from all areas of Los Angeles County. Clinicians provide crisis intervention, medication prescription and supervision, patient/family education for various diseases/disorders and psychological evaluations.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contract Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

UNIQUE GROUP PROVIDER

THIS AGREEMENT is made and entered into this ____ day of _____, _____, by and between the COUNTY OF LOS ANGELES (hereafter "County") and

(hereafter "Contractor")

Business Address:

WHEREAS, County finds it necessary to provide eligible beneficiaries in Los Angeles County with a continuum of professional services authorized by the California Welfare and Institutions Code Section 5775 et seq.; and

WHEREAS, County has determined that it has an insufficient workforce to perform these services; and

WHEREAS, County is authorized to contract with providers for culturally sensitive and linguistically appropriate professional services for beneficiaries who are in need of specialty mental health services pursuant to California Welfare and Institutions Code Section 5775 et seq.; and

WHEREAS, County desires to contract with an independent Contractor for the purpose of providing Medi-Cal reimbursable professional services to beneficiaries of Los Angeles County pursuant to Government Code Section 31000; and

WHEREAS, Contractor has the expertise and requisite licensure to practice as a mental health professional and is qualified to provide the desired professional services for County in accordance with the terms, conditions, and all applicable Federal, State and local laws, ordinances, rules, regulations, manuals, guidelines and directives.

NOW, THEREFORE, Contractor and County agree as follows:

1. SERVICES TO BE PERFORMED: In consideration of the payments hereafter set forth, Contractor, under the direction of the Director of Mental Health or authorized designee, shall perform specialty mental health services for County in accordance with the terms, conditions, and covenants set forth herein, requirements in the Local Mental Health Plan (LMHP) Provider Manual, LMHP Provider Bulletins, Exhibit A (Service Provisions) attached hereto and incorporated herein by reference and Exhibit B (Electronic Claims Submission), B-1 (Electronic Claims Submission Signature Information Form), B-2 (Telecommunications Contractor and Subcontractor/biller Form) and B-3 (Certification on FFS Short-Doyle/Medi-Cal Claims), attached hereto and incorporated herein by reference, with the understanding that the County does not guarantee referrals.

2. TERM:

A. Period: The term of this Agreement shall commence on this _____ day of _____, _____ and shall continue in full force and effect through _____.

B. Termination:

(1) Either party may terminate this Agreement at any time without cause by giving at least thirty (30) days prior written notice to the other party.

(2) This Agreement may be terminated by County immediately if the County and/or the State determine that:

(a) There is an immediate threat to the health and safety of beneficiaries; or

(b) Any Federal, State, and/or County funds are not available for this Agreement or any portion thereof; or

(c) Credentialing Review Committee (CRC) recommends termination in accordance with procedures in Section 17, "Services Dispute Resolution" in the LMPH Provider Manual; or

(d) Contractor is deemed to be insolvent and/or in default; has received or offered gratuities; has solicited unlawfully or improperly.

(3) County may terminate this Agreement upon ninety (90) days' notice to Contractor in the event Contractor has failed to comply with any of the provisions of Paragraphs 7 (Indemnification and Insurance), 9 (Delegation, Assignment and Subcontracting), 17 (Nondiscrimination in Services), 18 (Nondiscrimination in Employment), 21 (Conflict of Interest), 26 (Child Support Compliance Program), 27 (Licenses, Permits, Registrations, Accreditations and Certificates), 32 (Certification of Drug-Free Workplace) and/or 35 (County Lobbyists). During the ninety (90) day period, Contractor shall attempt to cure the alleged breach to County's reasonable satisfaction. If Contractor fails to cure the breach to County's reasonable satisfaction, then the County may terminate this Agreement effective at the end of the ninety (90)-day period. The parties may agree to extend the time period in which Contractor may cure the alleged breach.

(4) In the event that this Agreement is terminated or expires, all obligations to provide covered services under this Agreement shall automatically terminate on the effective date of the termination or expiration of this Agreement.

(a) Contractor shall be responsible for providing covered services to Contractor's current beneficiaries until the termination or expiration of this Agreement.

(b) Contractor shall remain liable for all costs related to all transfers of beneficiaries receiving services, shall not charge these costs to this Agreement, and shall not be reimbursed in any way.

(c) Contractor shall remain liable for the processing and payment of invoices and statements for covered services provided to beneficiaries until such expiration or termination of this Agreement.

3. TERMINATION FOR DEFAULT:

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement, as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph 3 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

4. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5. PAYMENT:

A. Reimbursement:

(1) Reimbursement shall be based on the State's adjudication and approval of Contractor's Short-Doyle/Medi-Cal claim for the prevailing rates shown in the Rate Schedule(s) in the LMHP Provider Manual, or through the LMHP Provider Bulletins, which are published and distributed to Contractor by DMH's Medi-Cal Professional Services. Contractor hereby acknowledges receipt of the LMHP Provider Manual.

(2) DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

(3) Reimbursement shall only be made for Medi-Cal services on a properly submitted claim and which meets medical necessity as defined in the California Code of Regulations (CCR) Title 9, Chapter 11, Section 1820.205 and to the extent that funds allocated by State for County are available specifically for Medi-Cal services. Reimbursement at rates listed in the LMHP Provider Manual or the LMHP Provider Bulletins shall be payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary.

Contractor shall be solely liable and responsible for the accuracy and veracity of all data and information provided by Contractor to County for submission to the State in support of all claims for Early and Periodic Screening, Diagnosis and Treatment Program (EPSDT) Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Emergency Assistance services and for any subsequent State approvals or denials of such claims that are based on data and information provided by the Contractor.

(4) Contractor shall process all EPSDT Title XIX Medi-Cal and/or Title XIX Short-Doyle/Medi-Cal, and or Emergency Assistance Explanation of Balance (EOB) or other data within six months from the date of service as stated in the LMHP Provider Manual or the LMHP Provider Bulletins.

(5) Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from and against any loss to Contractor resulting from any such State denials, unresolved EOB claims, and/or Federal and/or State audit disallowances.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

B. Suspension of Payment: County reserves the right to suspend or withhold payment if, at the sole discretion of Director, County determines that Contractor is in default under any of the provisions of this Agreement or if County does not receive State and/or Federal funding due to nonappropriation of funds.

C. Time Limit for Submitting Invoices: Contractor shall submit a claims form (HCFA 1500/CMS) for services to County for payment in accordance with the provisions specified in the LMHP Provider Manual. County shall not be obligated to reimburse Contractor for the services covered by any claim if Contractor submits the claim to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier. Additionally, County shall not be obligated to reimburse Contractor where the claim does not meet applicable SD/MC requirements.

Contractor shall be responsible to ensure claims are submitted in a timely manner and denied claims are promptly corrected and resubmitted in order to comply with all applicable statutes of limitations.

D. Liquidated Damages: Contractor agrees to take full responsibility for submitting sufficient information to substantiate claim(s) for reimbursement. Contractor is solely responsible for all corrections and for timely return of denied or rejected claim(s) for reimbursement and for providing adequate justification for such claim(s). Should the same claim(s) be denied or rejected a second time for the same reason(s), Contractor agrees to offset liquidated damages of \$1 for each and every resubmitted claim that LMHP determines was denied or rejected twice for the same reason. Contractor will not be charged the \$1 liquidated damages due to County's errors.

E. Recovery of Overpayments: When an audit or review performed by County, State and/or Federal governments or by any other authorized agency discloses that Contractor has been overpaid, the overpayment under this Agreement shall be due by Contractor to County.

For Federal audit exceptions, Federal audit appeal processes shall be followed. County recovery of Federal overpayment shall be made in accordance with all applicable Federal laws, regulations, manuals, guidelines, and directives.

For State, County and other authorized agency audit and/or review exceptions, County shall recover the payment from Contractor within sixty days of the date of the applicable audit report or other determination of overpayment. If the State recovers the overpayment from County before the end of such sixty days, then County shall immediately recover the overpayment from Contractor. Within ten days after written notification by County to Contractor of any overpayment due by Contractor to County, Contractor shall notify County as to which of the following two payment options Contractor requests be used as the method by which the overpayment shall be recovered by County. Any overpayment shall be: (1) paid in one cash payment by Contractor to County or (2) paid by cash payment(s) by Contractor to County over a period not to exceed such sixty days. If Contractor does not so notify County within such ten days or if Contractor fails to make payment of any overpayment to County as required, then the total amount of the overpayment, as determined by Director, shall be immediately due and payable. In its sole discretion, County may withhold future payments to Contractor under this Agreement to recover overpayments in the event that Contractor fails to comply with the remedies set forth in this paragraph.

F. Claims Submission: In accordance with the provisions specified in the LMHP Provider Manual, Contractor shall submit claims to County electronically. The procedures for submitting electronic claims for the LMHP's electronic billing systems shall be as set forth in Exhibit B (Electronic Claims Submission). Contractors submitting claims electronically shall follow the data specifications and format established which may be updated as needed through the LMHP Provider Manual and/or Bulletins by Electronic Data Systems Corporation (EDS).

6. PROVIDER RESPONSIBILITY FOR TREATMENT: This Agreement shall not alter the Contractor's relationship with its patients/clients, nor interfere with Contractor's professional responsibility to those patients/clients, regardless of any determination that services delivered are or are not eligible and authorized for Medi-Cal payment.

7. INDEMNIFICATION AND INSURANCE:

A. Indemnification:

(1) Indemnification by CONTRACTOR: CONTRACTOR shall defend, indemnify and hold COUNTY, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of CONTRACTOR, its officers, agents or employees.

(2) Indemnification by COUNTY: COUNTY shall defend, indemnify and hold CONTRACTOR, its officers, employees and agents harmless from and against any and all liability, loss, expense (including reasonable attorneys' fees) or claims for injury or damages arising out of the performance of this Agreement but only in proportion to and to the extent such liability, loss, expense, attorneys' fees, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of COUNTY, its officers, agents or employees.

B. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to Department of Mental Health, 550 South Vermont Avenue, Contracts Development and Administration Division, 5th Floor, Los Angeles, CA 90020, prior to commencing services under this Agreement. Such certificates or other evidence shall:

- a) Specifically identify this Agreement.
- b) Clearly evidence all coverages required in this Agreement.
- c) Contain the express condition that County is to be given written notice by mail at least thirty (30) days in advance of cancellation for all policies evidenced on the certificate of insurance.
- d) Include copies of the additional insured endorsement to the commercial general liability policy, adding the County of Los Angeles, its Special Districts, its officials, officers and employees as insureds for all activities arising from this Agreement.

C. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to the County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

D. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of the contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

E. Notification of Incidents, Claims or Suits: Contractor shall report to County:

(a) Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such reports shall be made in writing within 24 hours of occurrence.

(b) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

F. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to County, Contractor shall pay full compensation for all costs incurred by County.

The coverage also shall provide an extended two-year reporting period commencing upon termination or cancellation of this Agreement.

8. INDEPENDENT STATUS OF CONTRACTOR: Contractor understands and agrees that all persons performing services pursuant to this Agreement are the sole employees of Contractor, who is an independent Contractor, and not employees of County. Contractor shall be solely liable and responsible for providing all persons performing work pursuant to this Agreement all compensation and benefits.

9. DELEGATION, ASSIGNMENT AND SUBCONTRACTING:

A. Delegation and Assignment: Without the written consent of the Director of Mental Health or authorized designee, Contractor shall not delegate or assign its rights under this Agreement, or both, either in whole or in part. Any assignment or delegation by Contractor without the written consent of the Director of Mental Health or designee shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement. Any payments by County to any delegatee or assignee on any claim under this Agreement, in consequence of any such consent, shall be subject to offset, recoupment, or other reduction for any claim, which Contractor may have against County.

(2) For the safety and welfare of elders, dependent adults, and minor children, Contractor shall, to the maximum extent permitted by law, ascertain arrest and conviction records for all current and prospective employees and shall not employ or continue to employ any person convicted of any crime involving any harm to elders, dependent adults, or minor children.

(3) Contractor shall not employ or continue to employ, or shall take other appropriate action to fully protect all persons receiving services under this Agreement concerning any person whom Contractor knows, or

reasonably suspects, has committed any acts which are inimical to the health, morals, welfare, or safety of elders, dependent adults or minor children, or which otherwise make it inappropriate for such person to be employed by Contractor.

14. MONITORING, QUALITY IMPROVEMENT, RECORDS, AND AUDITS:

A. Contractor shall establish clinical records in accordance with the structure and content specified by DMH. All services provided to a beneficiary, for which Medi-Cal reimbursement is sought, must be documented in this record in a manner which complies with all applicable regulations and standards established by SDMH and DMH. Contractor shall make clinical records available upon request to other County DMH contract providers who participate in the consolidated Medi-Cal program.

B. Contractor shall be responsible for complying with all SDMH and DMH quality improvement (QI) standards and requirements as specified in this Agreement, the LMHP Provider Manual, and all LMHP Provider Bulletins regarding QI.

C. Contractor agrees to provide clinical records to County and any Federal or State department (e.g., SDMH, SDHS, State Department of Justice, United States Department of Health and Human Services, and the Controller General of the United States) having monitoring or reviewing authority, to County's authorized representatives and/or their appropriate audit agencies, at reasonable times during normal business hours, access to and the right to monitor all work performed under this Agreement, evaluate the quality, appropriateness and timeliness of services performed, and examine and audit all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules and regulations, and this Agreement.

D. Contractor shall maintain and preserve all records relating to this Agreement at a location in Los Angeles County for a minimum period of seven (7) years following the expiration or termination date of this Agreement, the discharge of the beneficiary or termination of services (except that the records of minors at the time of discharge shall be kept at least one year after such minor has reached the age of eighteen years and in any case not less than seven years), or until County, State and/or Federal audit findings applicable to such services are fully resolved, whichever is later. During such retention period, all such records shall be made available during County's normal business hours to authorized representatives of County, State, and/or Federal governments for purposes of inspection, program review, and/or audit.

E. The contracting parties shall be subject to the examination and audit of the Auditor General for a period of three (3) years after final payment under contract (Government Code Section 8546.7).

F. Contractor may be required to pay back reimbursement received for claimed services that do not, on subsequent review/audit, meet minimum State and County standards.

15. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than every two years. 1. Required Information:

Contractor shall complete required forms and provide DMH with required information set forth in Exhibit B1 (Electronic Claims Submission Signature Information Form), B-2 (Telecommunications Contractor and Subcontractor/biller Form) and B-3 (Certification on Short-Doyle/Medi-Cal Claims), attached hereto and incorporated herein by reference.

2. Claims Certification:

Contractor agrees and certifies under penalty of perjury that all claims (HCFA 1500/CMS) for services submitted electronically have been personally provided to the beneficiary by the Contractor or under Contractor's direction by a person eligible to provide such services under the Medi-Cal Program and designated on the claim, as set forth in Exhibit B-3. Contractor also certifies that the specialty mental health services provided were medically indicated and necessary to the mental health of the beneficiary to the best of Contractor's knowledge. Contractor also certifies that all information submitted electronically is accurate and complete. Contractor understands that payment of these claims (HCFA 1500/CMS) will be from Federal and/or State funds, and that any falsification or concealment of a material fact may be prosecuted under Federal and/or State laws.

Contractor agrees to include a Los Angeles County DMH issued Contractor Identification Number (PIN) that will identify the submitter and shall serve as acceptance to the terms and conditions of the Telecommunications Contractor and Subcontractor/Biller Form with each electronic claims submission. Contractor further acknowledges the necessity of maintaining the confidentiality of the DMH-issued PIN and agrees to bear full responsibility for use or misuse of the PIN should confidentiality not be maintained.

3. Verification of Claims with Source Documents:

- a. Contractor retains personal responsibility for the development, transcription, data entry, and transmittal of all claims (HCFA 1500/CMS) information for payment regardless of whether Contractor employs a Biller including usual and customary charges for services rendered. Contractor shall also assume personal responsibility for verification of submitted claims with source documents. Contractor agrees that no claim shall be submitted until the required source documentation is completed and made readily retrievable in accordance with Medi-Cal statutes and regulations. Failure to make, maintain, or produce source documents shall be cause for immediate suspension of electronic billing privileges.
- b. Contractor submitting claims (HCFA 1500/CMS) electronically shall follow the data specifications and format(s) established by DMH, which may be updated as needed through the LMHP Provider Manual and/or bulletins, and by Electronic Data Systems Corporation (EDS) for the LMHP's electronic billing system.

4. Accuracy and Correction of Claims or Payments:

Contractor agrees to be responsible for the review and verification of the accuracy of claims payment information. Contractor agrees to notify DMH and seek correction of any claim errors through the appropriate processes as designated by DMH or its fiscal intermediary including, but not limited to, the process set out in Title 22, California Code of Regulations, Section 51015 and, as these processes currently exist or hereafter may be amended. Contractor hereby acknowledges that anyone who misrepresents or falsifies or causes to be misrepresented (or falsified) any records or other information relating to that claim may be subject to legal action. Legal action may include but is not limited to, criminal prosecution, action for civil money penalties, administrative action to recover the funds, and decertification/debarment of the Contractor and/or its Subcontractor from participation in the Medi-Cal program and/or electronic billing.

5. Change in Electronic Billing Status:

Contractor and DMH shall agree that any change(s) in Contractor's status, including but not limited to name change, ownership change or merger, that might affect eligibility to participate in electronic billing pursuant to Federal and State law shall be promptly communicated to each party. These changes will be reviewed by DMH on a case-by-case basis to determine if the change in Contractor status will require the Contractor to re-enroll with DMH for electronic billing purposes.

6. Contractor's Reviews:

Contractor agrees that agents of the County of Los Angeles Department of Mental Health, the County of Los Angeles District Attorney's Office, the State Department of Mental Health, the Office of the State Controller, the California Department of Justice, or any other authorized agent or representative of the County of Los Angeles, State of California, or the U.S. Department of Health and Human Services may, from time to time, conduct such reviews as are necessary to ensure compliance with local, State, and Federal law and with this Agreement. In particular, Contractor agrees to make available to such agent or representative all source documents necessary to verify the accuracy and completeness of claims submitted electronically.

7. Agreement Between Contractor and Subcontractor (if other than the Contractor of Service):

Contractor agrees that any contract(s) with a Subcontractor to submit Medi-Cal electronic billings on behalf of Contractor shall be in conformance with the terms and conditions of this Agreement, as well as State law governing electronic claims submission, and shall contain provisions including, but not limited to, the following:

- c. If a Department audit is initiated, the Subcontractor shall retain all original records until the County of Los Angeles audit is completed and every audit issue has been resolved, even if the retention

period extends beyond three years from the date of the service or termination of financial relationship or longer period required by federal or state law.

- d. Contractor shall agree that the County of Los Angeles Department of Mental Health may accept electronic billings prepared, certified, and submitted by the Subcontractor on behalf of the Contractor only as long as the Agreement between the Contractor and the Subcontractor remains in existence and in effect and a copy is received by the Contracts Development and Administration Division.

- f. Contractor acknowledges the existence of the Health Insurance Portability and Accountability Act (HIPAA) and will take necessary measures to comply with the law and its implementing regulations.

8. Declaration of Intent:

Furthermore, Contractor shall acknowledge that if the electronic billing system, software, or Subcontractor is or has been listed as available in Medi-Cal bulletins or the DMH-LMHP information bulletins, that such listing was not an endorsement by DMH nor does it imply that the service, system, or software has met or is continuing to meet a standard of performance.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
