VIOLET VARONA-LUKENS  
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO RENEW AGREEMENTS WITH INDIVIDUAL AND GROUP PROVIDERS FOR THE PROVISION OF SPECIALTY MENTAL HEALTH SERVICES FOR FISCAL YEARS 2003-2004, 2004-2005 AND 2005-2006 AND APPROVAL OF REVISED AGREEMENT FORMATS FOR MEDI-CAL PROFESSIONAL SERVICES WITH INDIVIDUAL AND GROUP PROVIDERS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the request to renew Medi-Cal Professional Services Agreements with Individual and Group Providers for the provision of Medi-Cal specialty mental health services under Phase II Fee-For-Service (FFS) Medi-Cal Consolidation. These services will be funded by an annual State allocation for Medi-Cal Managed Care mental health services. The State allocation for Medi-Cal for the specialty mental health services has been included in Department of Mental Health's (DMH) Proposed Budget for Fiscal Year (FY) 2003-2004.
2. Approve and instruct the Director of Mental Health to prepare, sign, and execute Services Agreements with individuals and groups using Agreement formats substantially similar to Attachments I and II. The Medi-Cal Professional Services Agreements will be effective July 1, 2003 through June 30, 2006.
3. Approve two revised formats of the Medi-Cal Professional Services Agreement with Medi-Cal Individual and Group Providers (Attachments I and II, respectively). The revised formats are substantially similar to the formats that were approved by your Board on June 6, 2000, and now include newly Board-mandated clauses including "Health Insurance Portability and Accountability Act (HIPAA)," and other technical revisions.

4. Delegate authority to the Director of Mental Health to prepare, sign and execute future new Agreements with individual and group providers who have been credentialed by the Local Mental Health Plan (LMHP) and future Amendments to the Service Agreements for FY's 2003-2004, 2004-2005, and 2005-2006, provided that: 1) any revision shall reflect program and/or policy changes; 2) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; and 3) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.
5. Delegate authority to the Director of Mental Health to terminate Agreements with: 1) individuals who request termination, are not credentialed, cannot be located because of failure to update an address, and are reported as deceased; and 2) groups that are disbanded. The Director of Mental Health shall notify the Board of Supervisors in writing of such terminations within 30 days after execution of each termination.
6. Instruct the Director of Mental Health to submit all necessary documents to the State Department of Mental Health (SDMH).

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

The purpose of the recommended action(s) is to comply with an Agreement entered into with SDMH to continue providing specialty mental health services to all Medi-Cal beneficiaries in Los Angeles County within the scope of services defined in the contract. DMH contracts with Individual and Group Providers who agree to furnish covered services to Los Angeles County beneficiaries. All Agreements for specialty mental health services will expire on June 30, 2003.

Approval to renew these agreements will allow DMH to continue contracting with credentialed Medi-Cal providers now rendering specialty mental health services without interruption of services. It will also enable DMH to make appropriate payments to providers for services rendered.

Approval to delegate authority to the Director of Mental Health to terminate: 1) individual contract providers who request termination, are not credentialed, cannot be located because of failure to update an address, and are reported as deceased; and 2) groups that are disbanded will enable DMH to maintain cleaner records and utilize staff time more effectively.

Without approval of the recommended actions, specialty mental health services will no longer be available to County Medi-Cal beneficiaries.

**Implementation of Strategic Plan Goals:**

The recommended Board actions are consistent with the County's third goal – "Organizational Effectiveness", ensure that service delivery systems are efficient, effective and goal-oriented, and fourth goal "Fiscal Responsibility", strengthen the County's fiscal capacity. Approved services will be provided through the collaboration of government, private individuals, community based organizations, and group agencies.

**FISCAL IMPACT/FINANCING**

These Agreements do not have a maximum contract amount. Providers are reimbursed based on the State's adjudicated rates specified in the LMHP Provider Manual.

Funding was provided by SDMH in the amount \$69,107,499, via Agreement 02-72022-000, to pay for professional specialty mental health services performed during FY 2002-2003. DMH entered into an Agreement with SDMH in 1998 for these services and has renewed the Agreement annually. It is expected that SDMH will continue to provide funding for these services in the future.

These funds consist of State Managed Care allocation and Federal Financial Participation Medi-Cal requested through the budget process for FY 2003-2004. There is no impact on net County cost for implementing the recommended actions.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On March 10, 1998, your Board approved the County's participation in the Phase II Medi-Cal Mental Health Consolidation under the DMH and the LMHP, effective June 1, 1998. DMH has entered into contractual agreements with over 800 individual and over 30 group providers who have met State and LMHP credentialing standards and has executed such agreements for the last five years.

The proposed action has been reviewed by the Chief Administrative Office, the Chief Administrative Office's Risk Manager and DMH's Fiscal and Program Staff. The formats, which also include Exhibit A – Medi-Cal Professional Service Provisions, and Exhibit B – Electronic Claims Submission are part of the Agreements have been approved as to form by County Counsel.

The new Agreement formats include new language mandated by the Board, including appropriate HIPAA language.

### **CONTRACTING PROCESS**

State regulations require a contractual Agreement between DMH and FFS psychiatrists and psychologists who provide specialty mental health services to Medi-Cal beneficiaries. In addition, a contractual Agreement is required between DMH and Licensed Clinical Social Worker, Marriage and Family Therapist, and Registered Nurse providing Medi-Cal reimbursable specialty mental health services to Early and Periodic Screening, Diagnosis and Treatment Program beneficiaries. Credentialed service providers will continue to be offered a contract, and upon signing the Agreement will be enrolled in the LMHP provider network. The providers under contract will subsequently be eligible to be reimbursed for specialty mental health services provided under the LMHP.

### **IMPACT ON CURRENT SERVICES**

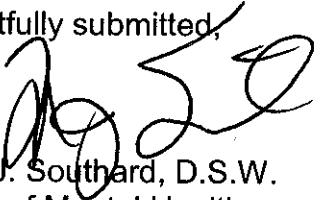

Board action shall ensure that providers continue to render needed specialty mental health services without interruption to DMH clients as well as allowing new providers to join the LMHP to serve additional clients.

Respectfully submitted,

Marvin J. Southard, D.S.W.

B. Termination:

(1) Either party may terminate this Agreement at any time without cause by giving at least thirty (30) days prior written notice to the other party.

(2) This Agreement may be terminated by County immediately if the County and/or the State determine that:

(a) There is an immediate threat to the health and safety of beneficiaries; or

(b) Any Federal, State, and/or County funds are not available for this Agreement or any portion thereof; or

(c) Credentialing Review Committee (CRC) recommends termination;

(d) Contractor is deemed to be insolvent and/or in default; has received or offered gratuities; has solicited unlawfully or improperly; or

(e) Contractor has failed to comply with any of the provisions of Paragraphs 7 (Indemnification and Insurance), 9 (Delegation, Assignment and Subcontracting), 17 (Nondiscrimination in Services), 18 (Nondiscrimination in Employment), 21 (Conflict of Interest), 28 (Child Support Compliance Program), 29 (Licenses, Permits, Registrations, Accreditations, and Certificates), 33 (Certification of Drug-Free Workplace), and/or 36 (County Lobbyists).

(c) Contractor shall remain liable for the processing and payment of invoices and statements for covered services provided to beneficiaries until such expiration or termination of this Agreement.

3. TERMINATION FOR DEFAULT:

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph 3 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

4. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5. PAYMENT:

A. Reimbursement:

(1) Reimbursement shall be based on the State's adjudication and approval of Contractor's Short-Doyle/Medi-Cal claim for the prevailing rates shown in the Rate Schedule(s) in the LMHP Provider Manual, or through the LMHP Provider Bulletins, which are published and distributed to Contractor by DMH's Medi-Cal Professional Services. Contractor hereby acknowledges receipt of the LMHP Provider Manual.

(2) DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

(3) Reimbursement shall only be made for Medi-Cal services on a properly submitted claim and which meets medical necessity as defined in the California Code of Regulations (CCR) Title 9, Chapter 11, Section 1820.205 and to the extent that funds allocated by State for County are available specifically for Medi-Cal services. Reimbursement at rates listed in the LMHP Provider Manual or the LMHP Provider Bulletins shall be payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary.

Contractor shall be solely liable and responsible for the accuracy and veracity of all data and information provided by Contractor to County for submission to the State in support of all claims for Early and Periodic Screening, Diagnosis and Treatment Program (EPSDT) Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Emergency Assistance services and for any subsequent State approvals or denials of such claims that are based on data and information provided by the Contractor.

(4) Contractor shall process all EPSDT Title XIX Medi-Cal and/or Title XIX Short-Doyle/Medi-Cal, and or Emergency Assistance Explanation of Balance (EOB) or other data within six months from the date of service as stated in the LMHP Provider Manual or the LMHP Provider Bulletins.

(5) Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from and against any loss to Contractor resulting from any such State denials, unresolved EOB claims, and/or Federal and/or State audit disallowances.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

B. Suspension of Payment: County reserves the right to suspend or withhold payment if, at the sole discretion of Director, County determines that Contractor is in default under any of the provisions of this Agreement or if County does not receive State and/or Federal funding due to nonappropriation of funds.

C. Time Limit for Submitting Invoices: Contractor shall submit a claims form (HCFA 1500/CMS) for services to County for payment in accordance with the provisions specified in the LMHP Provider Manual. County shall not be obligated to reimburse Contractor for the services covered by any claim if Contractor submits the claim to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier. Additionally, County shall not be obligated to reimburse Contractor where the claim does not meet applicable SD/MC requirements.

Contractor shall be responsible to ensure claims are submitted in a timely manner and denied claims are promptly corrected and resubmitted in order to comply with all applicable statutes of limitations.

D. Liquidated Damages: Contractor agrees to take full responsibility for submitting sufficient information to substantiate claim(s) for reimbursement. Contractor is solely responsible for all corrections and for timely return of denied or rejected claim(s) for reimbursement and for providing adequate justification for such claim(s). Should the same claim(s) be denied or rejected a second time for the same reason(s), Contractor agrees

to offset liquidated damages of \$1 for each and every resubmitted claim that LMHP determines was denied or rejected twice for the same reason.

E. Recovery of Overpayments: When an audit or review performed by County, State and/or Federal governments or by any other authorized agency discloses that Contractor has been overpaid, the overpayment under this Agreement shall be due by Contractor to County.

For Federal audit exceptions, Federal audit appeal processes shall be followed. County recovery of Federal overpayment shall be made in accordance with all applicable Federal laws, regulations, manuals, guidelines, and directives.

For State, County and other authorized agency audit and/or review exceptions, County shall recover the payment from Contractor within sixty days of the date of the applicable audit report or other determination of overpayment. If the State recovers the overpayment from County before the end of such sixty days, then County shall immediately recover the overpayment from Contractor. Within ten days after written notification by County to Contractor of any overpayment due by Contractor to County, Contractor shall notify County as to which of the following two payment options Contractor requests be used as the method by which the overpayment shall be recovered by County. Any overpayment shall be: (1) paid in one cash payment by Contractor to County or (2) paid by cash payment(s) by Contractor to County over a period not to exceed such sixty days. If Contractor does not so notify County within such ten days or if Contractor fails to make payment of any overpayment to County as required, then the total amount of the overpayment, as determined by Director, shall be immediately due and payable. In its sole discretion, County may withhold future payments to Contractor under this Agreement to recover overpayments in the event that Contractor fails to comply with the remedies set forth in this paragraph.

F. Claims Submission: In accordance with the provisions specified in the LMHP Provider Manual, Contractor shall submit claims to County electronically. The procedures for submitting electronic claims for the LMHP's electronic billing systems shall be as set forth in Exhibit B (Electronic Claims Submission). Contractors submitting claims electronically shall follow the data specifications and format established which may be updated as needed through the LMHP Provider Manual and/or Bulletins by Electronic Data Systems Corporation (EDS).

6. PROVIDER RESPONSIBILITY FOR TREATMENT: This Agreement shall not alter the Contractor's relationship with its patients/clients, nor interfere with Contractor's professional responsibility to those patients/clients, regardless of any determination that services delivered are or are not eligible and authorized for Medi-Cal payment.

7. INDEMNIFICATION AND INSURANCE:

D. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of the contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

E. Notification of Incidents, Claims or Suits: Contractor shall report to County:

- (a) Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such reports shall be made in writing within 24 hours of occurrence.
- (b) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(10) In the event that County consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors and their officers, employees, and agents.

(11) Contractor shall deliver to the Chief of DMH's Contracts Development and Administration Division a fully executed copy of each subcontract entered into by Contractor pursuant to this Paragraph 9, on or immediately after the effective date of the subcontract but in no event later than the date any services are performed under the subcontract.

11. WAIVER: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. 14. MONITORING, QUALITY IMPROVEMENT, RECORDS, AND AUDITS:

A. Contractor shall establish clinical records in accordance with the structure and content specified by DMH. All services provided to a beneficiary, for which Medi-Cal reimbursement is sought, must be documented in this record in a manner which complies with all applicable regulations and standards established by SDMH and DMH. B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same,

(3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence, which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

F. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

(2) As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall, during the term of this Agreement, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for child or spousal support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

33. CERTIFICATION OF DRUG-FREE WORKPLACE: Contractor certifies and agrees that it shall comply with the requirements of the Drug-Free Workplace Act of 1990 (Government Code Section 8350 *et seq.*). Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads *nolo contendere* to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing. Violation of this provision shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.
34. 37. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and Code Set, Privacy, and Security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA Law and

implementing regulations related to Transactions and Code Set, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees, and agents), for its failure to comply with HIPAA.

39. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code), or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with County Contractor and has received or will receive an aggregate sum of \$50,000 or more in an 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement

and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

40. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement, which may include, but not be limited to, changes in name or address, which are required or permitted by County under this Agreement. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing. Violation of this provision shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

35. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property.

39. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations

("HIPAA"). The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and Code Set, Privacy, and Security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA Law and implementing regulations related to Transactions and Code Set, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees, and agents), for its failure to comply with HIPAA.

40. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code), or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with County Contractor and has received or will receive an aggregate sum of \$50,000 or more in an 12-month period under one or more County Agreements or subcontracts. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses

any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

41. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement, which may include, but not be limited to, changes in name or address, which are required or permitted by County under this Agreement.
