This condensed training will provide an introduction to mental health law and an overview of ethical issues as they relate to involuntary detention. The clinical component will discuss the mechanisms of the LPS application. The participant is expected to spend a minimum of two hours in self-study prior to the class and exam. (Please download and review the study guide before attending the training).

TARGET AUDIENCE: Licensed Clinical Staff requiring LPS Authorization from agency

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Describe the fundamental law and criteria involving involuntary detention.
2. Define the impact of the Lanterman-Petris-Short Act on the rights of the mentally ill.
3. Identify who has authority to initiate an involuntary detention form and understand the scope of that authority.
4. Identify the responsibilities inherent in initiating involuntary detention and the ramifications of that responsibility.
5. Operationalize and problem-solve clinical and behavioral issues that may arise while conducting 5150 assessments in the field.
