(3 VOTES)**

SUBJECT

Request approval to execute a Sole Source Consultant Services Contract with Steinberg Institute to consult on an as needed basis with the Department of Mental Health to support Los Angeles County with initiatives involving the Mental Health Services Act and mental health civil commitment reform.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute a DMH Consultant Services Contract, substantially similar to Attachment I, with the Steinberg Institute to support Los Angeles County (County) with initiatives involving the Mental Health Services Act (MHSA) and mental health civil commitment reform on an as needed basis. This action will be effective upon your Board's approval and extend through June 30, 2021, or until such time that the funds allocated for these consulting services are fully expended, whichever comes first. The total contract amount (TCA) is \$750,000 and will be fully funded by 2011 Realignment fund and State MHSA revenue.

2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to the Contract, including amendments that extend the term, provide administrative non-material changes; provide or add additional/related services; modify or replace an existing Statement of Work; and/or, reflect federal, State, and County regulatory and/or policy changes,

3. Delegate authority to the Director, or his designee, to terminate the contract in accordance with the Contract's termination provisions, including Termination for Convenience with prior notification to the Board and CEO.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Steinberg Institute focuses on building public leadership for targeted improvements in California's systems of mental and behavioral health. The Steinberg Institute gives clear and potent voice to people living with mental illness, fighting for more resources, better treatments, and an integrated system of care. Their efforts have resulted in billions of additional dollars for mental health services, a more robust system of oversight, and public/private partnerships that promise improved research and treatments. They protect the precious resource embodied by the MHSA by ensuring that the State communicates a clear strategy for spending MHSA funds, and that the services funded are data-driven and effective. The Steinberg Institute works at bridging divides, bringing together thought leaders from provider agencies, advocacy groups, research organizations, private industry, State and local agencies, and the Legislature – all with the aim of changing the status quo through strategic alliances and creative exchange. They work to incorporate nontraditional partnerships and inspire leadership on issues of mental health. Their goal is the creation of a more effective and equitable system of care.

As a powerful and effective advocate and problem solver for mental health care in California, with decades long history of championing policy issues affecting brain health, the Steinberg Institute is uniquely qualified, with its sound working relationships with the State Legislature and Executive departments, to assist the County with the development of a different type of mental health system that prioritizes service delivery to the largest number of residents countywide.

Approval of Recommendation 1 will authorize DMH to execute a Sole Source Consultant Services Contract with Steinberg Institute to support the County with initiatives involving the MHSA and mental health civil commitment reform.

Approval of Recommendation 2 will allow DMH to amend the Contract to incorporate necessary changes and/or modify the TCA.

Approval of Recommendation 3 will allow DMH to terminate the contract in accordance with the Contract's termination provisions.

Implementation of Strategic Plan Goals

The recommended Board actions support the County's Strategic Plan, Goal I: Make Investments That Transform Lives, Strategy I.2 - Enhance Our Delivery of Comprehensive Interventions and Goal III Realize Tomorrow's Government Today. Strategy III.3 - Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability and Strategy III.4 - Engage and Share Information with Our Customers, Communities and Partners.

FISCAL IMPACT/FINANCING

The TCA for the Steinberg Institute Consultant Services Contract is \$750,000 for FYs 2018-19 through 2020-21 and is fully funded by 2011 Realignment fund and State MHSA revenue. The estimated cost of FY 2018-19 is \$125,000 and sufficient appropriation for this Agreement is available in DMH's approved budget in FY 2018-19.

There is no net County cost associated with the recommended action.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH is the largest county mental health department in the country. DMH directly operates 75 mental health clinics and more than 100 co-located sites and provides mental health services to over 250,000 residents of the County annually. In addition, DMH contracts with over 1,000 unique contractors, including non-governmental agencies and individual practitioners who provide a spectrum of mental health services to residents of all ages throughout the County.

More than 2 million children, adults, and seniors are affected by potentially disabling mental illnesses every year in California. Thirty years ago, the State of California (State) cut back on its services in State hospitals for people with severe mental illnesses, without providing adequate funding for mental health services in the community. To address this issue, Darrell Steinberg co-authored Proposition 63, also called the Mental Health Services Act (MHSA). The MHSA includes a "whatever-it-takes" approach to support and services for people with severe mental illness.

In 2004, voters approved Proposition 63. Proposition 63, or MHSA was enacted into law on January 1, 2005. It places a 1% tax on personal income above \$1 million; since that time, it has generated approximately \$15 billion. Proposition 63 emphasizes transformation of the mental health system while improving the quality of life for Californians with mental illness.

In 2015, the Steinberg Institute was established as a first-of-its-kind statewide non-profit organization. It is dedicated to raising the profile of quality mental health care as a critical public policy and civil rights issue. The Institute will serve as a strong partner for the County in reforming the mental health civil commitment process and strengthening the continuum of mental health care, with an emphasis on community based mental health services, including supportive housing for those with serious mental illness who are homeless.

Attachment I, Consultant Services Contract format has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

In compliance with Board Policy 5.100, Sole Source Contracts, DMH notified your Board on January 23, 2019, (Attachment II) of its intent to execute a sole source contract with Steinberg Institute consultative services. In addition, attached is the required Sole Source Contract Checklist (Attachment III), identifying and justifying the need for a sole source consultant services contract that has been approved by the CEO.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

These actions will enable the DMH to enhance system reform efforts which are intended to strengthen the mental health system, increase efficiency, and offer greater access to care to the largest number of residents throughout the County.

- 8.1.1 For any change which affects the scope of work, term, contract sum, payments, or any term or condition included under this Contract, an

amendment to the Contract shall be prepared and executed by the contractor and by the Director or his designee.

8.1.2 The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such changes, an Amendment to the Contract shall be prepared and executed by the contractor and by the Director or his designee.

8.1.3 The Director or his designee., may at his/her sole discretion, authorize extensions of time as defined in Paragraph 4 - Term of Contract. The contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an Amendment to the Contract shall be prepared and executed by the contractor and by the Director or his designee.

8.2 Assignment and Delegation/Mergers or Acquisitions

8.2.1 The contractor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

8.2.2 The contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by the County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which the contractor may have against the County.

8.2.3 Shareholders, partners, members, or other equity holders of contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of contractor to any person(s), corporation, partnership, or legal entity other than the majority

controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

8.2.4 Any assumption, assignment, delegation, or takeover of any of the contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than the contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against contractor as it could pursue in the event of default by contractor.

8.3 Authorization Warranty

8.3.1 The contractor represents and warrants that the person executing this Contract for the contractor is an authorized agent who has actual authority to bind the contractor to each and every term, condition, and obligation of this Contract and that all requirements of the contractor have been fulfilled to provide such actual authority.

8.4 Budget Reductions

8.4.1 In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the contractor under this Contract shall also be reduced correspondingly. The County's notice to the contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, the contractor shall continue to provide all of the services set forth in this Contract.

8.5 Intentionally Omitted

Any legal defense pursuant to contractor's indemnification obligations under Paragraph 8.6 (Compliance with Applicable Law) shall be conducted by contractor and performed by counsel selected by contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.7 Compliance with Civil Rights Laws

8.7.1 The contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The contractor shall comply with Exhibit D - Contractor's EEO Certification.

8.8 Compliance with the County's Jury Service Program

8.8.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los

Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.8.2 Written Employee Jury Service Policy.

1. Unless the contractor has demonstrated to the County's satisfaction either that the contractor is not a "contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the contractor shall have and adhere to a written policy that provides that its Employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this paragraph, "contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12 month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the contractor shall immediately notify the County if the contractor at any time either comes within the Jury Service Program's definition of "contractor" or if the contractor no longer qualifies

for an exception to the Jury Service Program. In either event, the contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County's satisfaction that the contractor either continues to remain outside of the Jury Service Program's definition of "contractor" and/or that the contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 Conflict of Interest

- 8.9.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.9.2 The contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The contractor warrants that it is not now aware of any facts that create a conflict of interest. If the contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract.

8.10 Consideration of Hiring County Employees Targeted for Layoff or Re-Employment List

- 8.10.1 Should the contractor require additional or replacement personnel after the effective date of this Contract to perform the services set

forth herein, the contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.11 Consideration of Hiring GAIN-GROW Participants

8.11.1 Should the contractor require additional or replacement personnel after the effective date of this Contract, the contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job category to the contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the contractor on this or other contracts which indicates that the contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts the contractor may have with the County.

8.12.3 **Non-responsible contractor**

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 **Contractor Hearing Board**

8.12.4.1 If there is evidence that the contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The contractor and/or the contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If a contractor has been debarred for a period longer than five (5) years, that contractor may after the

debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five (5) years; 2) the debarment has been in effect for at least five (5) years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 **Subcontractors of Contractor**

These terms shall also apply to subcontractors of County contractors.

8.13 Contractor's Acknowledgement of County's Commitment to Safely Surrendered Baby Law

8.13.1 The contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Exhibit I, in a prominent position at the contractor's place of business. The contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

8.14 Contractor's Warranty of Adherence to County's Child Support Compliance Program

8.14.1 The contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the contractor's duty under this Contract to comply with all applicable provisions of law, the contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures

taken by the County and the contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

8.16.1 The contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the contractor or employees or agents of the contractor. Such repairs shall be made immediately after the contractor has become aware of such damage, but in no event later than 30 days after the occurrence.

8.16.2 If the contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by the contractor by cash payment upon demand.

8.17 Employment Eligibility Verification

8.17.1 The contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.17.2 The contractor shall indemnify, defend, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.18 Facsimile Representations

The County and the contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared

pursuant to Paragraph 8.1 (Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19 Fair Labor Standards

8.19.1 The contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").

8.20.2 Notwithstanding the foregoing, a default by a subcontractor of contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both contractor and such subcontractor, and without any fault or negligence of either of them. In such case, contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.20.3 In the event contractor's failure to perform arises out of a force majeure event, contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if

applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

8.22.1 This Contract is by and between the County and the contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the contractor.

8.22.3 The contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the contractor and not employees of the County. The contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the contractor pursuant to this Contract.

8.22.4 The contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

8.23.1 The contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands,

claims, actions, fees, costs and expenses (including attorney and expert witness fees), arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

8.24.2.2 Renewal Certificates shall be provided to County not less than ten (10) days prior to contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required contractor and/or sub-contractor insurance policies at any time.

8.24.2.3 Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification

number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.

8.24.2.4 Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Mental Health
Contracts Development and Administration Division
Division Manager
550 South Vermont Avenue, 5th Floor

8.24.3 **Additional Insured Status and Scope of Coverage**

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under contractor's General Liability policy with respect to liability arising out of contractor's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the contractor's acts or omissions, whether such liability is attributable to the contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the

County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

Contractor shall provide County with, or contractor's insurance policies shall contain a provision that County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and 30 days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to contractor, deduct the premium cost from sums due to contractor or pursue contractor reimbursement.

Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any contractor deductible or SIR. The County retains the right to require contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

All such material shall be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.38.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the contractor, then the difference shall be either: a) repaid by the contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the contractor, then the difference shall be paid to the contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The contractor is responsible to notify its subcontractors of this County right.
- 8.40.6 The County's Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, contractor shall forward a fully executed subcontract to the County for their files.

- 8.41.1 Failure of the contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall

constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

- 8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.
- 8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the contractor shall:

- 8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.
- 8.43.3 Except with respect to defaults of any subcontractor, the contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of Paragraph 8.43 (Termination for Default) it is determined by the County that the contractor was not in default under the provisions of Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.43.3, the rights and obligations of the parties shall

be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).

- 8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, the County shall be entitled to pursue the same remedies against the contractor as it could pursue in the event of default by the contractor.
- 8.44.2 The contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.47 Termination for Non-Appropriation of Funds

8.47.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 Validity

8.48.1 If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 Waiver

8.49.1 No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time

to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

8.50.1 The contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

STATEMENT OF WORK (SOW)

1.0 SCOPE OF WORK

Steinberg Institute will consult on an as needed basis with the Department of Mental Health (DMH) to support Los Angeles County (LAC) with initiatives involving the Mental Health Services Act and mental health civil commitment reform. Steinberg Institute will work with the DMH to enhance system reform efforts which are intended to strengthen the mental health system, increase efficiency, and offer greater access to care to the largest number of residents throughout the County.

2.0 BACKGROUND

The LAC DMH is the largest county mental health department in the country. DMH directly operates 75 mental health clinics and more than 100 co-located sites and provides mental health services to over 250,000 residents of Los Angeles County annually. In addition, DMH contracts with over 1,000 unique contractors, including non-governmental agencies and individual practitioners who provide a spectrum of mental health services to residents of all ages throughout the County.

More than 2 million children, adults, and seniors are affected by potentially disabling mental illnesses every year in California. Thirty years ago, the State of California (State) cut back on its services in state hospitals for people with severe mental illnesses, without providing adequate funding for mental health services in the community. To address this issue, voters approved Proposition 63 in 2004. Proposition 63, also called the Mental Health Services Act (MHSA), was enacted into law on January 1, 2005. It places a 1% tax on personal income above \$1 million; since that time, it has generated approximately \$15 billion. Proposition 63 emphasizes transformation of the mental health system while improving the quality of life for Californians with mental illness

In 2004, Darrell Steinberg co-authored Proposition 63, the MHSA. The MHSA includes a “whatever-it-takes” approach to support and services for people with severe mental illness. In 2015, Mr. Steinberg established a first-of-its-kind statewide non-profit organization, the Steinberg Institute. It is dedicated to raising the profile of quality mental health care as a critical public policy and civil rights issue. The Steinberg Institute focuses on building public leadership for targeted improvements in California’s systems of mental and behavioral health. The Steinberg Institute gives clear and potent voice to people living with mental illness, fighting for more resources, better treatments, and an integrated system of care. Their efforts have resulted in billions of additional dollars for mental health services, a more robust system of oversight, and public/private partnerships that promise improved research and treatments. They protect the precious resource embodied by the MHSA by ensuring that the State communicates a clear strategy for spending MHSA dollars, and that

the services funded are data-driven and effective. The Steinberg Institute works at bridging divides, bringing together thought leaders from provider agencies, advocacy groups, research organizations, private industry, State and local agencies, and the Legislature – all with the aim of changing the status quo through strategic alliances and creative exchange. They work to incorporate nontraditional partnerships and inspire leadership on issues of mental health. Their goal is the creation of a more effective and equitable system of care.

As a powerful and effective advocate and problem solver for mental health care in California, with decades long history of championing policy issues affecting brain health, the Steinberg Institute is uniquely qualified, with its sound working relationships with the State Legislature and Executive departments, to assist the County with the development of a different type of mental health system that prioritizes service delivery to the largest number of residents countywide.

- STEINBERG INSTITUTE shall act as a steward for the \$2.2 billion that comes into California annually via the MHSAs by providing the LAC with, including but not limited to, the following support:
 - Provide briefings, analyses, and strategic recommendations on potential legislation and/or regulations.

- Write pieces for publication in local media and respond to any media requests as related to MHSA.
 - Work with DMH to develop educational materials.
 - Arrange meetings with key thought leaders and decision makers regarding MHSA scope and implementation.
 - Work to ensure the full implementation of the “No Place Like Home Program (Proposition 2)” by analyzing current roadblocks and following up with policy changes.
 - Provide monthly reports at a minimum or as needed during the legislative session.
- STEINBERG INSTITUTE shall provide an annual report to DMH at the end of the legislative session summarizing the services that were rendered during the period of performance and how it furthered the parties' collaboration objectives.
 - STEINBERG INSTITUTE shall identify grant opportunities and additional funding sources and provide consultation, analysis, and strategic advice to DMH on these issues.
 - STEINBERG INSTITUTE shall evaluate the current system of involuntary mental health services under the Lanterman-Petris-Short Act in order to establish a framework for comprehensive reform. Steinberg Institute will be convening several meetings over the course of calendar year 2019 on this topic and will draft a multi-tiered strategy, in collaboration with LAC, as the natural leader in this arena, in this strategy. Below is a brief outline of deliverables:
 - Reality Tours (2-3 in the first half of 2019) each tour would take a unique focus by identifying decision makers/senior staff and stakeholder groups such as, the ACLU, Disability Rights, NAMI, hospitals, etc. to participate. These tours which Steinberg Institute has extensive experience with during the past 4 years, may include
 - A tour of Skid Row, inundated County services; Twin Towers; etc.
 - Visit to model programs in Los Angeles and meet with first responders, care providers, etc.
 - Meet with leaders in the community such as the Board of Supervisors and academics/thought leaders in the field to discuss solutions.
 - Will host multiple meetings throughout calendar years 2019-2020 on this topic and will utilize LAC's expertise to drive these meetings. Steinberg Institute will begin with a small group of trusted experts to discuss current issues at play, to strategize next steps and keys players. Once a cohesive strategy has been outlined, they will engage a group of thought leaders from around the Country to learn about other models

and current thinking about how to meet the needs of this vulnerable group of people. Steinberg Institute will then host meetings that will include stakeholders such as the ACLU, Disability Rights, CBHDA, and others to educate them and to begin working through how we can develop a new model or improve the one we currently have and how we might achieve that by working together.

- The Lanterman-Petris-Short Act (LPS) has not been updated in 50 years. Steinberg Institute will spearhead efforts to seek a statewide audit of the LPS Act by the California's State Auditor, through the approval and recommendation of the Joint Legislative Audit Committee. The scope of the proposed audit would include, but not be limited to, review of the LPS Act and its implementation to determine if the manner in which it has been applied has resulted in an uneven application of the law Statewide through an in depth look at a variety of counties. The benefit of a State Audit is that with it comes legislative findings and recommendations on how to improve the system and help those that are gravely disabled or a danger to self or others. The Joint Legislative Audit Committee is able to request up to 6 audits annually. The Steinberg Institute could provide the necessary support in writing the basis for a proper request on behalf of LAC Board of Supervisors to the Joint Legislative Audit Committee and in securing the committee's approval of such a request. The Steinberg Institute would also assist LAC in securing the support of the Senate President pro Tem, the Speaker of the Assembly, and the Chairs of the Joint Audit Committee.

MISCELLANEOUS SERVICES

STEINBERG INSTITUTE will also provide similar services to LAC relating to the delivery of mental health services and system reform as deemed to be a priority by LAC.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

SUBJECT: NOTICE OF INTENT TO EXECUTE A SOLE SOURCE CONSULTANT SERVICES CONTRACT WITH STEINBERG INSTITUTE EFFECTIVE UPON BOARD APPROVAL THROUGH JUNE 30, 2021

This is to notify your Board that, in accordance with Board Policy No. 5.100, the County of Los Angeles (County) Department of Mental Health (DMH) intends to enter into a sole source consultant services contract with Steinberg Institute to support the County with initiatives involving the Mental Health Services Act (MHSA) and reform of the Lanterman-Petris-Short (LPS) Act.

DMH will be requesting that your Board approve a sole source consultant services contract with Steinberg Institute for a term to be effective upon Board approval through June 30, 2021. The total contract amount will be \$750,000 and is fully funded by 2011 Realignment funds.

JUSTIFICATION

In 2004, Darrell Steinberg co-authored Proposition 63, the MHSA, and in 2015, he established a first-of-its-kind statewide organization, the Steinberg Institute, dedicated to raising the profile of quality mental health care as a critical public policy and civil rights issue. Steinberg Institute is the only bona fide agency to provide the requested services below, due to its depth of experience regarding mental health care coupled with its sound working relationships with the State Legislature and Executive departments.

Steinberg Institute will work with the DMH to enhance system reform efforts which are intended to strengthen the mental health system, increase efficiency, and offer greater access to care to the largest number of residents throughout the County.

1. With approximately \$2.2 billion that comes into California annually via the Mental Health Services Act (MHSA), Steinberg Institute will assist Los Angeles County with the following support: 1) Provide briefings, analyses, and strategic recommendations on potential legislation and/or regulations; 2) Write pieces for publication in local media and respond to any media requests as related to MHSA; 3) Work with DMH to develop educational materials; 4) Arrange meetings with key thought leaders and decision makers regarding MHSA scope and implementation; 5) Work to ensure the full implementation of the "No Place Like Home Program (Prop 2)" by analyzing current roadblocks and following up with policy changes; and, 6) Provide monthly reports at a minimum or as needed during the legislative session.

2. Steinberg Institute will also evaluate the current system of involuntary mental health services provided through the LPS Act in order to establish a framework for comprehensive reform. In strong collaboration with Los Angeles County, Steinberg Institute will convene several stakeholder meetings over the course of the first year of the contract term on this topic and will draft a multi-tiered reform strategy that will include: (1) two to three reality tours of Skid Row, Twin Towers, etc.; (2) multiple meetings with trusted experts to discuss current issues and to strategize next steps with the key players; and (3) efforts to spearhead statewide audit of the LPS Act which has not been updated in 50 years.

Unless otherwise instructed by your Board office within four (4) weeks, DMH will proceed with negotiating a sole source contract. DMH will work closely with both the Office of the County Counsel and the Chief Executive Office.

If you have any questions, please contact me at (213) 738-4601, or your staff may contact Stella Krikorian, Division Manager, Contracts Development and Administration Division, at (213) 738-4023.

	> It is more cost-effective to obtain services by exercising an option under an existing contract.
	> It is in the best economic interest of the County (e.g., significant costs to replace an existing system or infrastructure, administrative cost savings and excessive learning curve for a new service provider, etc.) In such cases, departments must demonstrate due diligence in qualifying the cost-savings or cost-avoidance associated with the best economic interest of the County.
