9:00AM-4:00PM

All registration is completed on the Learning Net prior to the training. Sign-in begins 30 minutes prior to the training time. All participants must arrive during the sign-in period. Late arrivals will not be admitted.

PLACE: **Liberty Community Plaza
14181 Telegraph Rd.
Whittier, CA, 90604**

PARKING: **Free Parking on site**

This training is designed to provide participants background knowledge and context that addresses screening, assessment, and treatment planning including safety and other associated challenges that present with IPV survivors. Also incorporated in the training is motivational interviewing (MI), a communication and intervention strategy, and its use with this specific treatment population. The stages of change and the four processes of MI provide a guide for working with these consumers and to be highlighted and practiced. Likewise, the discussion will address cultural relevance and modification of MI to address survivors' cultural perspective. Lecture/discussion, power point presentation, videos, interactive activities, and role play are incorporated to enhance the application of MI and overall treatment of IPV survivors.

TARGET AUDIENCE: **DMH/Contracted Clinicians who have been trained in Motivational Interviewing is a pre-requisite.**

OBJECTIVES: **As a result of attending this training, participants should be able to:**

1. Demonstrate screening, assessment, and development of a treatment plan for IPV survivors.
2. List Motivational Interviewing techniques with IPV survivors.
3. Identify the stages of change
4. Describe the four processes of motivational interviewing.
5. Describe opening strategies for "change talk"
6. Describe cultural relevance and modification of motivational interviewing to address survivor's cultural perspective.
