All registration is completed on the Learning Net prior to the training. Sign-in begins 30 minutes prior to the training time. All participants must arrive during the sign-in period. Late arrivals will not be admitted.

PLACE: HYC - Liberty Community Plaza
14181 Telegraph Rd., Multipurpose Rooms A, B & C
Whittier, CA 90604

PARKING: Parking on-site.

The Documentation & Claiming of Mental Health Housing Services training will provide an overview of the essential elements and requirements for documentation and claiming based on Short Doyle/Medi-Cal (SD/MC) Standards and will address the importance of Medical Necessity. It will emphasize what needs to be included in an assessment, client treatment plan and progress notes to support the provision and reimbursement of mental health housing services as well as assist staff in selecting appropriate procedure codes to match the services provided. In addition, the training will clarify Reimbursable Services Components and requirements based on the DMH Organizational Provider's Manual. Lastly, lecture, discussions, handouts and activities are combined to promote the application of these important documentation elements.

TARGET AUDIENCE: DMH and Contract Providers who have completed Understanding Documentation is a pre-requisite

OBJECTIVES: As a result of attending this training, participants should be able to:
1. Review the minimum documentation standards for the Los Angeles County Department of Mental Health.
2. Describe Reimbursable Service Components and types of mental health services.
3. Identify core elements of Medical Necessity and the Clinical Loop.
4. Describe how to assess and document consumer access/linkage, and rehab needs associated with housing as well as utilize the information in the clinical Assessment.
5. Describe how to develop goals/objectives related to housing needs and document these in the client treatment plan.
6. Describe ways to link housing related interventions to the identified mental health needs of the consumer in the progress note.
7. Identify correct procedure codes to the service provided.
