Student Professional Development Program

Description of Site: *(Please describe the type of Agency setting and services offered3)*

School Based Community Access Platform Regional Teams expands/provides prevention and support services to students and their families, to promote individual and community wellbeing thru the following:

- Develop and provide trainings/presentations on a virtual platform and/or in person (i.e. psychoeducation on signs and symptoms of mental health needs) to students, parents/caregivers, school staff and administration, community partner agencies and community members.
- Assist with developing micro/macro/mezzo related projects such as procedures/guidelines, surveys, written responses to the Los Angeles County Board of Directors board motions, attend multidisciplinary county and program meetings etc. to support the unit.
- Assist with providing technical assistance to schools and school districts, help develop/enhance mental health programs and leverage opportunities that support and empower the school community's overall wellbeing.
