FORM UPDATES

COVID-19 System Templates

In order to assist practitioners in quickly documenting information related to COVID-19 per [QA Bulletin 20-01](#), new System Templates are now available in IBHIS on the following forms by right clicking in their respective fields.

1. Progress Note forms (all types) – *Progress Note Text* field - **COVID-19 Telehealth and COVID-19 Telephone**
2. DMH Treatment Plan form - *Justification/Explanation* field - **COVID-19 Verbal Agreement**
3. Medication Consent & MSS Treatment Plan form - *Justification/Explanation* field - **COVID-19 Verbal Consent**
4. Client Consents/Acknowledgements form - *Comments* field - **COVID-19 Verbal Consent**

For detailed information on the use of the System Templates, refer to **IBHIS – New System Templates for COVID-19**.

Client Consents/Acknowledgements

Due to the COVID-19 public health emergency, [QA Bulletin 20-01](#) issued guidance on obtaining verbal consent and agreement. In order to assist practitioners with quickly and easily documenting client consent within IBHIS, the Client Consents/Acknowledgements Form has been updated to include the ability to document the client’s verbal consent, as well as electronic signature (if applicable). This form previously only allowed for documenting that a paper consent was completed and scanned into IBHIS.
