

Notes Console:

Displays Progress Notes and COS/MAA Client Specific Notes

All widgets in this view will show the selected client's information

You can still search for new clients and new forms within this view

Change # of days from 30 to 300 by adding an extra "0" and hitting Enter. This will display more progress notes to view.

Progress Notes – allows you to view all progress notes (Individual, Group, Medication, Crisis Intervention, Special Use) for the selected client. Notes will be displayed by most recent date of service.

Selection allows you to view/filter progress notes by note type:

- All Notes
- My Notes
- Crisis Evaluation Notes
- Initial Medication Evaluation
- Medication Notes
- Progress Notes
