

# SALT 7

Service Area Leadership Team

LOS ANGELES COUNTY  
**DEPARTMENT OF  
MENTAL HEALTH**  
SERVICE AREA 7  
*hope. recovery. wellbeing.*

Los Angeles County Department of Mental Health, and the South East Communities Leadership Team, invite you to join them every second Friday of the month from 10-11:30 am for the Service Area 7 Leadership Team Meeting (SALT 7).

Hosted by Co-Chair Ricardo Pulido, and facilitated by Alicia Llamas, SALT 7 is intended to bring together community members and local providers in effort to nourish the following key points.

**Vision:** A community driven process that engages a large, multicultural and diverse South East community towards a shared goal of hope, recovery, wellbeing, resiliency and true identity.

**Mission:** To identify stakeholder priorities which will advise the Department of Mental Health's Action Plan toward the development and improvement of its services and partnerships.

**Values:** **Collaboration:** SALT 7 stakeholders will work together towards common goals by partnering and outreaching with the community, including culturally unserved, underserved and underrepresented community members, through sharing knowledge and building consensus.

SALT 7 can be attended virtually every second Friday of the month from 10-11:30 am via Microsoft Teams which can be access free for all participant. [Learn more!](#)

Sing up through one of the following representatives to receive your invitation now and make a difference in your community.
