

Consumer Satisfaction Survey Summary

Spring 2019 – Families Version

LOS ANGELES COUNTY
DEPARTMENT OF
MENTAL HEALTH
hope. recovery. wellbeing.

The Los Angeles County Department of Mental Health administers surveys over the course of one week twice a year to assess how our consumers feel about our services. In Spring 2019, we received **13,770** responses. **Families** completed **4670** surveys or **33.6%** of all responses.

97% of **Families** were very satisfied in feeling staff spoke with them in a way that they understood.

96% of **Families** were very satisfied that staff treated them with respect.

67% of **Families** were very satisfied with their child doing better in school or work as a result of services.

65% of **Families** were very satisfied that their child is better able to cope when things go wrong as a result of services.

Most of the survey participants were Latino, which reflects Los Angeles County.

Most of the surveys were completed in **English** or **Spanish** with a smaller number in **Traditional Chinese**.
