For purposes of this paragraph, "contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any 12 month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12 month period are not considered full-time for purposes of the Jury Service Program. If the contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If the contractor is not required to comply with the Jury Service Program when the Contract commences, the contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the contractor shall immediately notify the County if the contractor at any time either: 1) comes within the Jury Service Program's definition of "contractor"; or, 2) if the contractor no longer qualifies for an exception to the Jury Service Program. In either event, the contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the contractor demonstrate, to the County's satisfaction, that the contractor either continues

to remain outside of the Jury Service Program’s definition of “contractor,” and/or that the contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. 8.10 Consideration of Hiring County Employees Targeted for Layoff or Re-Employment List

8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff; or qualified, former County employees who are on a re-employment list during the life of this Contract.

For this purpose, consideration shall mean that the contractor will interview qualified candidates. The County will refer GAIN-GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12 Contractor Responsibility and Debarment

8.12.1 Responsible Contractor

A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding, proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years, or be permanent if warranted by the circumstances, and terminate any or all existing contracts the Contractor may have with the County.

8.12.3 Non-responsible contractor

The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: 1) violated a term of a contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that the Contractor may be subject to debarment, the Department will notify the contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the

contractor should be debarred; and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the proposed decision prior to its presentation to the Board of Supervisors.

- 8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 8.12.4.4 If a contractor has been debarred for a period longer than five years, that contractor may, (after the debarment has been in effect for at least five years), submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the contractor has adequately demonstrated one or more of the following: 1) elimination of the grounds for which the debarment was imposed; 2) a bona fide change in ownership or management; 3) material evidence discovered after debarment was imposed; or 4) any other reason that is in the best interests of the County.
- 8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where 1) the contractor has been debarred for a period longer than five years; 2) the debarment has been in effect for at least five years; and 3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall

conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

- 8.14.2 As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this Contract maintain in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 County's Quality Assurance Plan

The County or its agent(s) will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 Damage to County Facilities, Buildings or Grounds

- 8.16.1 The Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by the Contractor or employees or agents of the Contractor. Such repairs shall be made immediately after the contractor has become aware of such damage, but in no event later than 30 days after the occurrence.

The Contractor shall obtain from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employees for the period prescribed by law.

8.18 Facsimile Representations

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19 Fair Labor Standards

- 8.19.1 The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify,

8.20 Force Majeure

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, other natural occurrences, strikes, lockouts, (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.20.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of

California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a

determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

8.29.1 Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.30 Notice of Delays

8.30.1 Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give written notice thereof, including all relevant information with respect thereto, to the other party.

8.31 Notice of Disputes

8.31.1 The Contractor shall bring to the attention of the County's Project Manager and/or County's Project Director any dispute between the County and the contractor regarding the performance of services as stated in this Contract. If the County's Project Manager or County's Project Director is not able to resolve the dispute, the Director of DMH, or designee shall resolve it.

8.32 Notice to Employees Regarding the Federal Earned Income Credit

8.32.1 The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal

income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015.

8.33 Notice to Employees Regarding the Safely Surrendered Baby Law

8.33.1 The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The information is set forth in Exhibit I, Safely Surrendered Baby Law of this Contract. Additional information is available at www.babysafela.org.

8.34 Notices

8.34.1 All notices or demands required or permitted to be given or made under this Contract shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Exhibits E - County's Administration and F - Contractor's Administration. Addresses may be changed by either party giving 10 days' prior written notice thereof to the other party. The DMH Director, or designee, shall have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.35 Prohibition Against Inducement or Persuasion

8.35.1 Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 Public Records Act

8.36.1 Any documents submitted by the Contractor, all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting

records pursuant to Paragraph 8.38 (Record Retention and Inspection-Audit Settlement) of this Contract, as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. The County shall not in any way be liable or responsible for the disclosure of any such records if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37 Publicity

- 8.37.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- 8.37.1.1 The Contractor shall develop all publicity material in a professional manner; and

- 8.37.1.2 During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Project Director. The County shall not unreasonably withhold written consent.

- 8.37.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this

Paragraph 8.37 (Publicity) shall apply.

8.38 Record Retention and Inspection-Audit Settlement

8.38.1 The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter; unless, the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any federal or State auditor, or by any auditor or accountant employed by the contractor or otherwise, then the contractor shall file a copy of such audit report with the County's Auditor-Controller within 30 days of the Contractor's receipt thereof, unless otherwise provided by applicable federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s) 8.38.3. Failure on the part of the Contractor to comply with any of the provisions of this subparagraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.38.3 If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.39 Recycled Bond Paper

8.39.1 Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

8.40.1 Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.42 (Termination for Default) and pursue debarment of the contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

- 8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than 10 days after the notice is sent.
- 8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:
 - 8.41.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and
 - 8.41.2.2 Complete performance of such part of the work as shall not have been terminated by such notice.
- 8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.42 Termination for Default

- 8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Project Director:
 - 8.42.1.1 Contractor has materially breached this Contract; or
 - 8.42.1.2 Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
 - 8.42.1.3 Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five working days, (or such longer period as the County

may authorize in writing), after receipt of written notice from the County specifying such failure.

- 8.42.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.
- 8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy; acts of the County in either its sovereign or contractual capacity; acts of federal or State governments in their sovereign capacities; fires; floods; epidemics; quarantine restrictions; strikes; freight embargoes; and unusually severe weather. But in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of the Contractor, and if such default arises out of causes beyond the control of the Contractor, and without the fault or negligence, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule.
- 8.42.4 If, after the County has given notice of termination under the provisions of Paragraph 8.42 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of Paragraph 8.42 (Termination for Default) or that the default was excusable under the provisions of subparagraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.41 (Termination for Convenience).

8.42.5 The rights and remedies of the County provided in this Paragraph 8.42 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43 Termination for Improper Consideration

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

8.44.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

8.44.1.1 Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least 60 days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- 8.44.1.2 The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 - 8.44.1.3 The appointment of a Receiver or Trustee for the Contractor; or
 - 8.44.1.4 The execution by the Contractor of a general assignment for the benefit of creditors.
- 8.44.2 The rights and remedies of the County provided in this Paragraph 8.44 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

- 8.45.1 The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the contractor, or any County Lobbyist, or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.46 Termination for Non-Appropriation of Funds

- 8.46.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

8.47.1 If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 Waiver

8.48.1 No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

8.50.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property Tax Reduction Program

8.51.1 Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.50 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program) shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 Time Off for Voting

8.52.1 The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, Contractor and any subcontractor(s) shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Elections Code Section 14000.

8.53 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If Contractor or a member of Contractor's staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. County will not be under any

obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

8.54 Compliance with Fair Chance Employment Practices

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. Contractor's violation of this paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract.

8.55 Compliance with the County Policy of Equity

The Contractor acknowledges that the County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in the County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). The Contractor further acknowledges that the County strives to provide a workplace free from discrimination, harassment, retaliation and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. The Contractor, its employees and subcontractors acknowledge and certify receipt and understanding of the CPOE. Failure of the Contractor, its employees or its subcontractors to uphold the County's expectations of a workplace free from harassment and discrimination, including inappropriate conduct based on a protected characteristic, may subject the Contractor to termination of contractual agreements as well as civil liability.

8.56 Prohibition from Participation in Future Solicitation(s)

Proposers, contractors, subsidiaries, and/or Subcontractors are prohibited from submitting a bid or proposal in a County solicitation if the proposer/contractor/subsidiary/subcontractor has provided advice or consultation for the solicitation. A proposer/contractor/subsidiary/subcontractor is also prohibited from submitting a bid or proposal in a County solicitation if the proposer/contractor/subsidiary/subcontractor has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the

disqualification of the contractor/proposer/subsidiary/subcontractor from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision shall survive the expiration, or other termination of this Contract.

9 UNIQUE TERMS AND CONDITIONS

9.1 Health Insurance Portability and Accountability Act of 1996(HIPAA)

- 9.1.1 Contractor expressly acknowledges and agrees that the provision of services under this Agreement does not require or permit access by Contractor or any of its officers, employees, or agents, to any patient medical records/patient information. Accordingly, Contractor shall instruct its officers, employees, and agents that they are not to pursue, or gain access to, patient medical records/patient information for any reason whatsoever.
- 9.1.2 Notwithstanding the forgoing, the parties acknowledge that in the course of the provision of services hereunder, Contractor or its officers, employees, and agents, may have inadvertent access to patient medical records/patient information. Contractor understands and agrees that neither it nor its officers, employees, or agents, are to take advantage of such access for any purpose whatsoever.
- 9.1.3 Additionally, in the event of such inadvertent access, Contractor and its officers, employees, and agents, shall maintain the confidentiality of any information obtained and shall notify Director that such access has been gained immediately, or upon the first reasonable opportunity to do so. In the event of any access, whether inadvertent or intentional, Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all liability, including but not limited to, actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from or connected with Contractor's or its officers', employees', or agents', access to patient medical records/patient information. Contractor agrees to provide appropriate training to its employees regarding their obligations as described hereinabove.

9.2 Certification Regarding Debarment. Suspension. Ineligibility and Voluntary Exclusion — Lower Tier Covered Transactions (2 C.F.R. Part 180):

Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Contract, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Contract, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Contract should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

9.3 Contractor's Exclusion from Participation in a Federally Funded Program

9.3.1 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify the Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the federal government against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is

mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances; or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Sub-Contractors or its significant business transactions; (6) loss of a state license to practice a health-care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

- 9.3.2 Contractor shall also comply with DMH Policy "Contractor's Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts" which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three business days should DMH or its

representatives request it related to sanction list screening compliance.

9.3.3 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal exclusion of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Exhibit P as part of its obligation under this Subparagraph.

Failure by Contractor to meet the requirements of this Subparagraph 9.3 shall constitute a material breach of Contract upon which County may immediately terminate or suspend this Contract.

9.4 Licenses, Permits, Registrations, Accreditations, and Certificates

Contractor shall obtain and maintain in effect during the term of this Contract, all licenses, permits, registrations, accreditations, and certificates required by all federal, State, and local laws, ordinances, rules, regulations, guidelines and directives, which are applicable to Contractor's facilities and services under this Contract. Contractor shall further ensure that all of its officers, employees, and agents, who perform services hereunder, shall obtain and maintain in effect during the term of this Contract all licenses, permits, registrations, accreditations, and certificates which are applicable to their performance hereunder. A copy of each such license, permit, registration, accreditation, and certificate required by all applicable federal, State, and local laws, ordinances, rules, regulations, guidelines and directives shall be provided, in duplicate, to DMH's CDAD.
