## Purpose

The California Department of Health Services utilizes Consumer Perception Surveys (CPS) to collect data for the federal National Outcome Measures required by the Substance Abuse and Mental Health Services Administration. As recipients of the federal Community Mental Health Services Block grant, the County of Los Angeles – Department of Mental Health (DMH) must administer CPS in our outpatient programs, at least annually. Historically, the assigned survey periods occur for one week in Spring (May or June) and another week during Fall (November). As the largest and linguistically diverse county mental health plan in the nation, the department has seen CPS return rates in the ten to fifteen thousand range. With these numbers, the disadvantages associated with paper-based survey administration outweighed the advantages.

As a resource tool for DMH outpatient providers from directly operated and contracted programs, the CPS User Portal would significantly cut the cost, labor, and human errors associated with managing paper-based surveys. In the outpatient programs, CPS Portal Users will use the application to email or text CPS forms to clients and their families in their preferred languages (English, Arabic, Spanish, Persian, Filipino, Korean, Russian, Vietnamese, Khmer, Chinese Simplified and Chinese Traditional). The electronic version of CPS that providers send uses logic branches/skip logic according to the clients and their families' responses. The survey type (Youth, Families, Adult, or Older Adult) will automatically match the clients' age. CPS Portal Users in Administrative roles, such as DMH Quality Improvement, will use the Dynamics version of the application to manage provider participation and track trends in survey return rates by survey type, language, and Service Area.

## Accessing Provider Application Portal

**IMPORTANT: In order to access the Provider Application Portal, users need to be set up with Multi-factor Authentication (MFA). If you have done this step, please continue with the instruction below. If not, please see [Instructions for setting up MFA](#) at the end of this User Guide.**

To access the Provider Application Portal, copy and paste the below URL into your internet browser. The recommended browsers are Google Chrome and Microsoft Edge.

<https://lacdmhpp.powerappsportals.us>

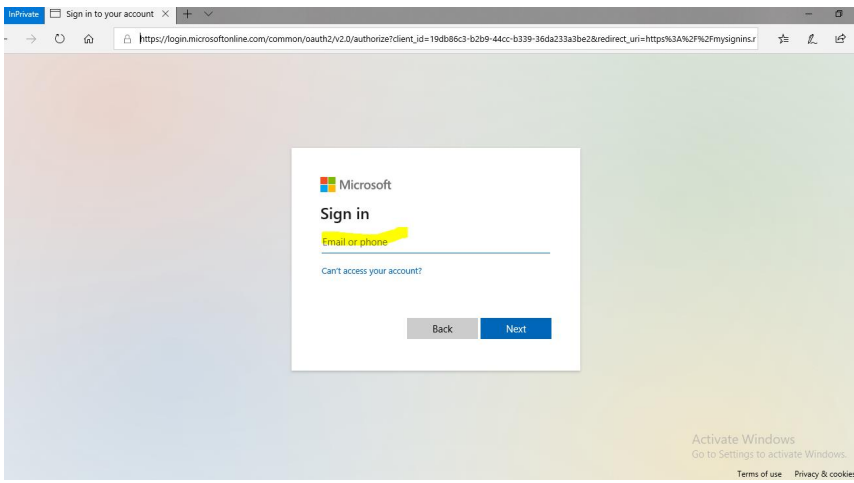

Click on Sign in

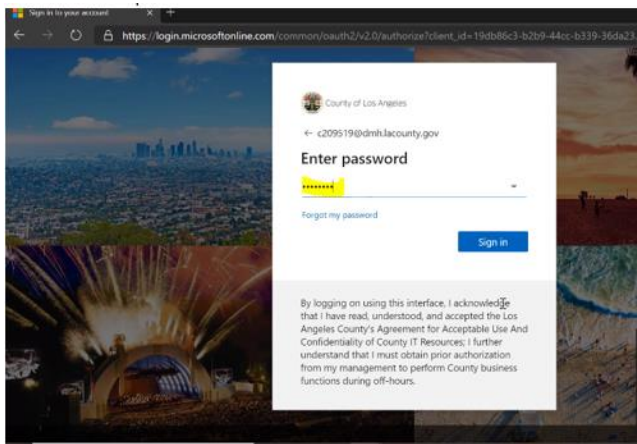

On the next screen click on Azure AD

If Sign in screen comes up, enter your DMH user ID, which is **your** Cnumber@dmh.lacounty.gov  
(Example: C123456@dmh.lacounty.gov)

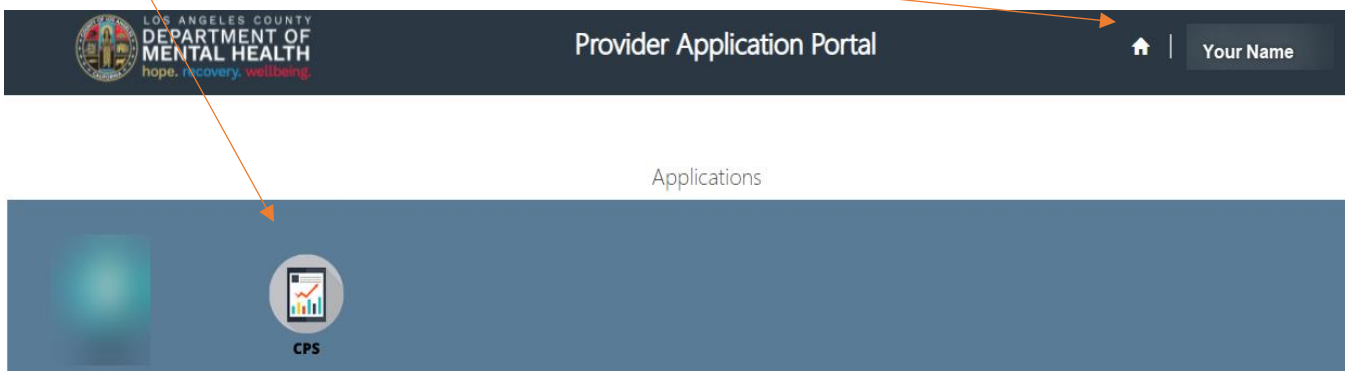

Enter your SSLVPN password (This is the password you use to access other DMH Applications)

Enter any additional information requested.

After successful log in, your name will appear on the top right corner and you will see CPS listed on the Applications menu. Click on CPS.

**IMPORTANT: If CPS is not listed on the Applications menu, you need to request access to the Consumer Perception Survey (CPS) Portal. Your agency liaison can request access to the application on your behalf.**

# CPS Landing Page

CPS landing page will list all Programs associated with your Log In.

Home

| Program ↑ | Program Name (Program)           |
|-----------|----------------------------------|
| 6499W     | HOPE SERVICES & SUPPORT SERVICES |
| 6499W     | HOPE SERVICES                    |
| 6499W     | HOPE SERVICES                    |

Click on the Program you want to select for the next survey.

The Survey Clients view lists survey records already created by the selected Program users.

By default, the view has recently created surveys on top. Click on any column name to sort the view in an ascending order based on the value in that field. Click the same column name to sort in a descending order.

Submit Cancel

## Survey Delivery Preference options

In the Client or Caregiver Delivery Preference field, you can select one of the below options:

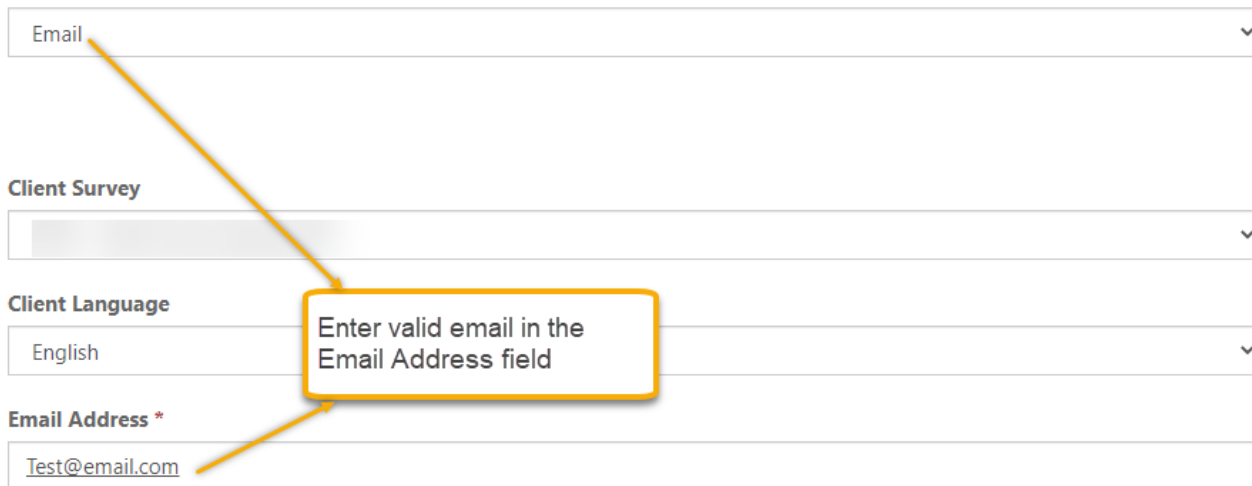

### Delivery Preference \*

A screenshot of a dropdown menu titled "Delivery Preference \*". The menu is open, showing a list of options: "Email", "Cell", "Declined Survey", "Enter by Staff", "Administration by Telephone", and "Administration in Person". The "Email" option is highlighted with a blue background.

1. **Email** – To send the survey to the Client or Caregiver via Email, select “Email” from the Delivery Preference drop-down and enter valid email in the Email Address field

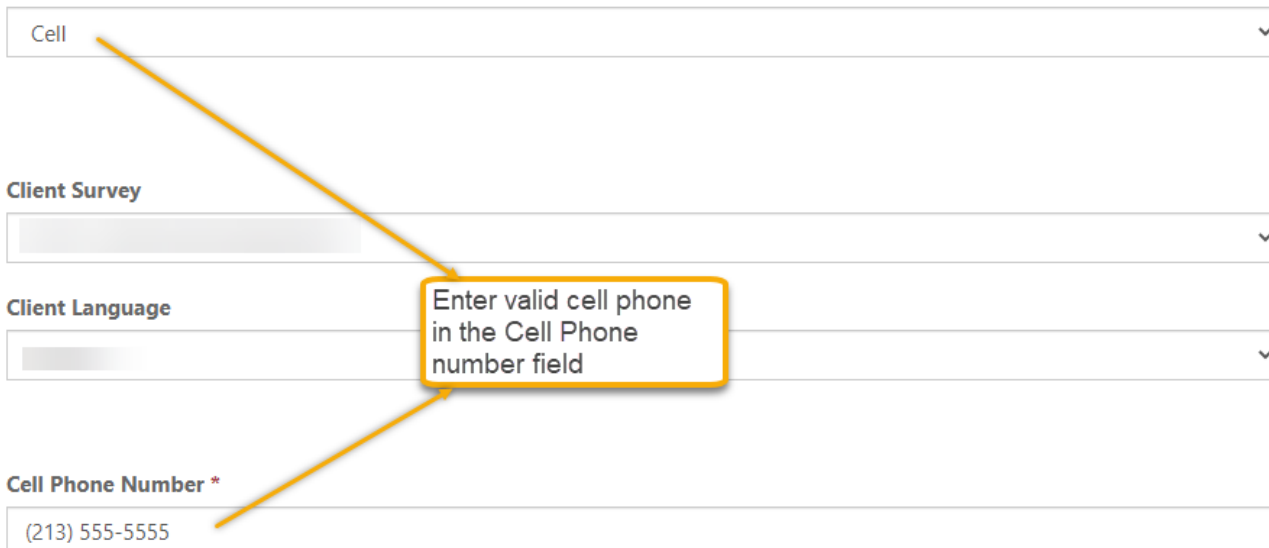

### Delivery Preference \*

A screenshot of a form for the "Email" delivery preference. The "Delivery Preference" dropdown is set to "Email". Below it are fields for "Client Survey", "Client Language" (set to "English"), and "Email Address" (set to "Test@email.com"). A yellow callout box with the text "Enter valid email in the Email Address field" has arrows pointing to the "Email" dropdown and the "Email Address" field.

2. **Text message** - To send the survey link to the Client or Caregiver in a text message, select “Cell” from the Delivery Preference drop-down and enter valid cell phone number in the Cell Phone Number field

### Delivery Preference \*

A screenshot of a form for the "Cell" delivery preference. The "Delivery Preference" dropdown is set to "Cell". Below it are fields for "Client Survey", "Client Language", and "Cell Phone Number" (set to "(213) 555-5555"). A yellow callout box with the text "Enter valid cell phone in the Cell Phone number field" has arrows pointing to the "Cell" dropdown and the "Cell Phone Number" field.

3. Generate unique link for the survey – When you select “Enter by Staff”, “Administration by Telephone”, or “Administration in Person” the system will generate unique link to the survey. Copy and paste the link from the survey URL field into a new browser window to fill in the survey on behalf of the Client or Caregiver.

**Delivery Preference \***

Select one of these three options to generate unique survey link that you can open and fill in for the Client or Caregiver **1**

Enter by Staff  
Administration by Telephone  
Administration in Person

|      | Sent          | Client           | Adm<br>Telep               |                               | No       | 62           | 5/12/2021   |
|      | Sent          | Client           | Enter by Staff             |                               | No       | 67           | 5/12/2021   |
|      | Sent          | Client           | Enter by Staff             |                               | No       | 85           | 5/12/2021   |

Click on Comment? to sort the records by Yes/No value in this field.

Create

"Yes" means that the Client and/or Caregiver left a comment

Look for "Yes" in the Comment filed. Click on the client name to open Survey Details

On Survey Details page look for the Survey Comment field. Text in the Survey Comment field is *read only*.

### Send Survey To Client

Name

Cell Phone Number

Client Survey URL

On the Survey Details page look for Client Comments and Caregiver Comments field. Text in both fields is read only.  
\*\*The fields will be hidden if no comments were left.

### Survey Comment

#### Client Comment

Please provide comments here. We are interested in both positive and negative feedback. Also, if there are areas which were not covered by this questionnaire which you feel should have been, please write them here. Thank you for your time and cooperation in completing this questionnaire. : comment 2

Who helped you with completing any part of this survey? : comment 1

#### Caregiver Comment

What has been the most helpful thing about the services you received over the last 6 months? : Comment 1

What would improve the services here? : Comment 2

Please provide comments here. We are interested in both positive and neqative feedback. : Comment 3

## Instructions for setting up Multi-factor (MFA)

Do NOT use Internet Explorer.

Do NOT click the back button or it will create duplicate profiles.

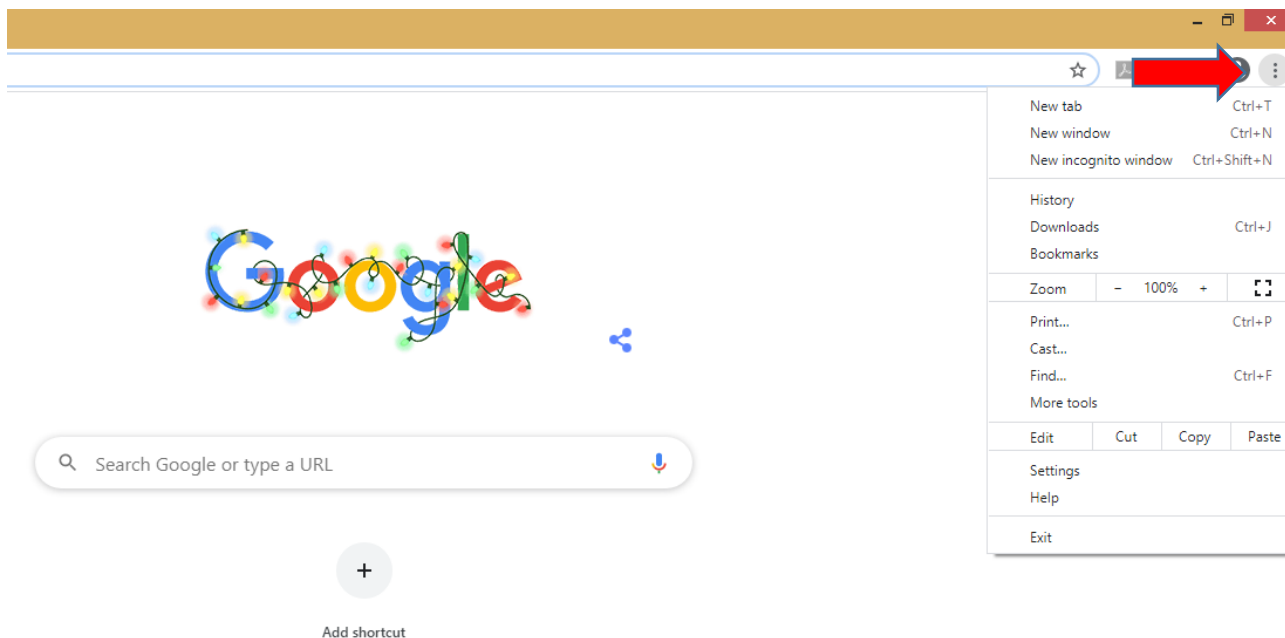

### Use Google Chrome or Microsoft Edge.

We will be setting up the Multi-factor authentication in Incognito mode in Google Chrome or InPrivate browsing in Microsoft Edge.

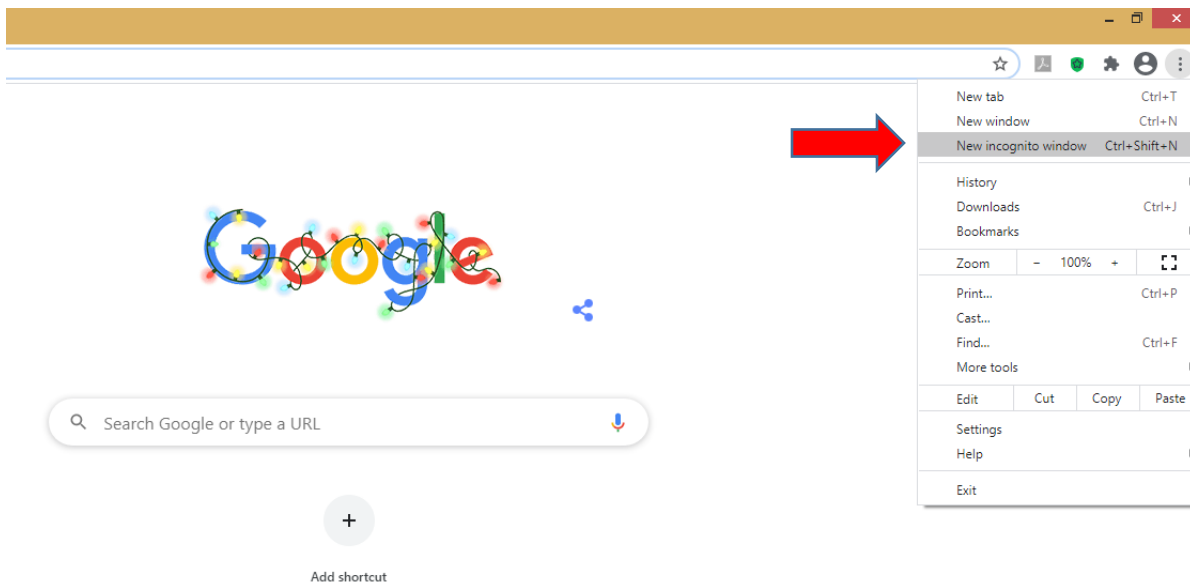

We have to use this method as we are establishing a new Microsoft account and if your organization already uses Multi-factor authentication it will cause conflicts with existing accounts.

### For Google Chrome:

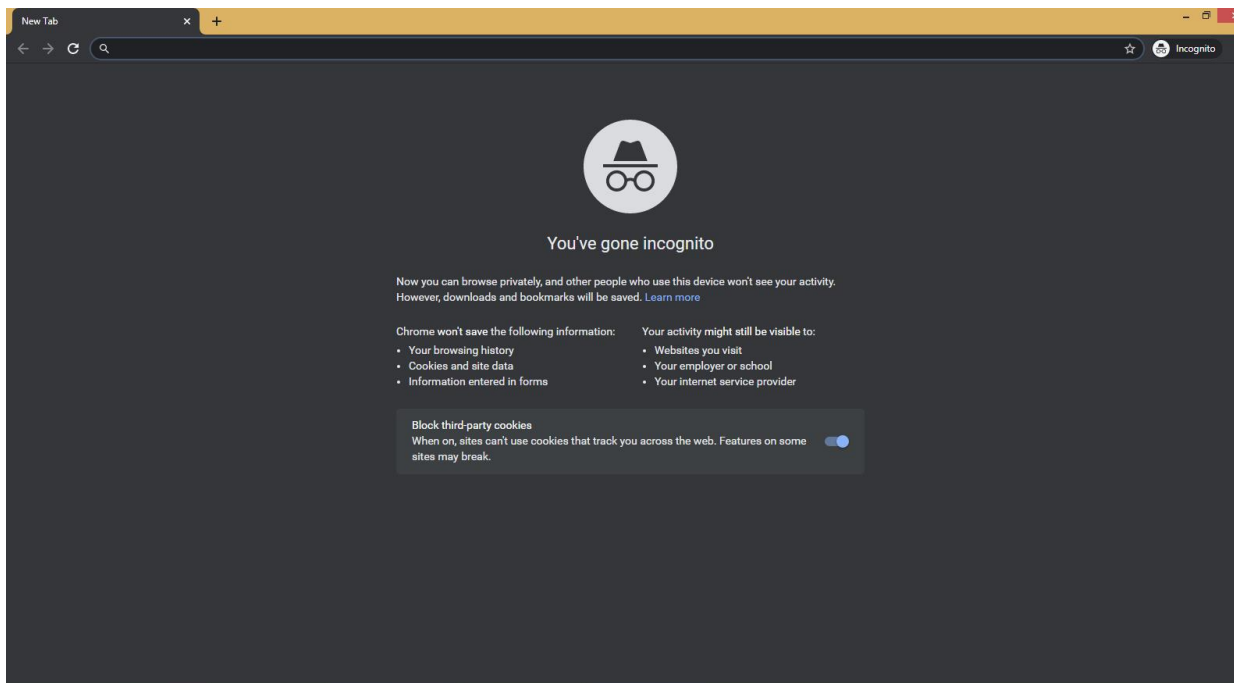

Click on the elipses in the top right corner.

Select "New incognito window."

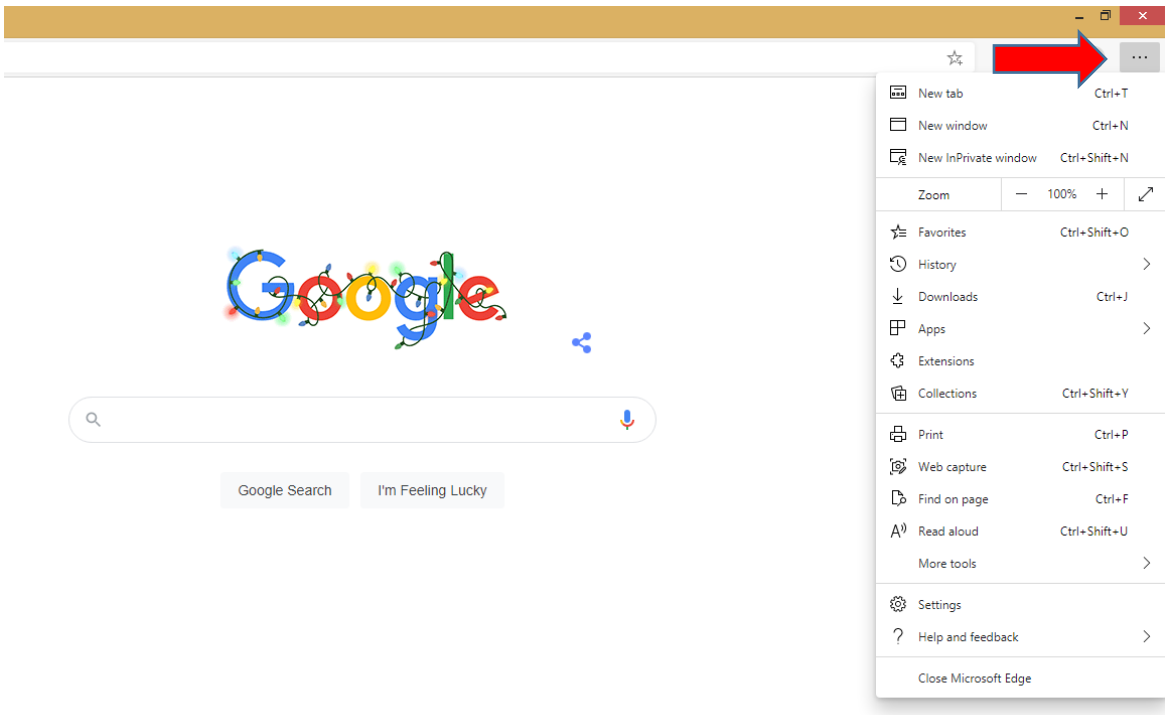

Your browser will then change into incognito mode and look similar to this.

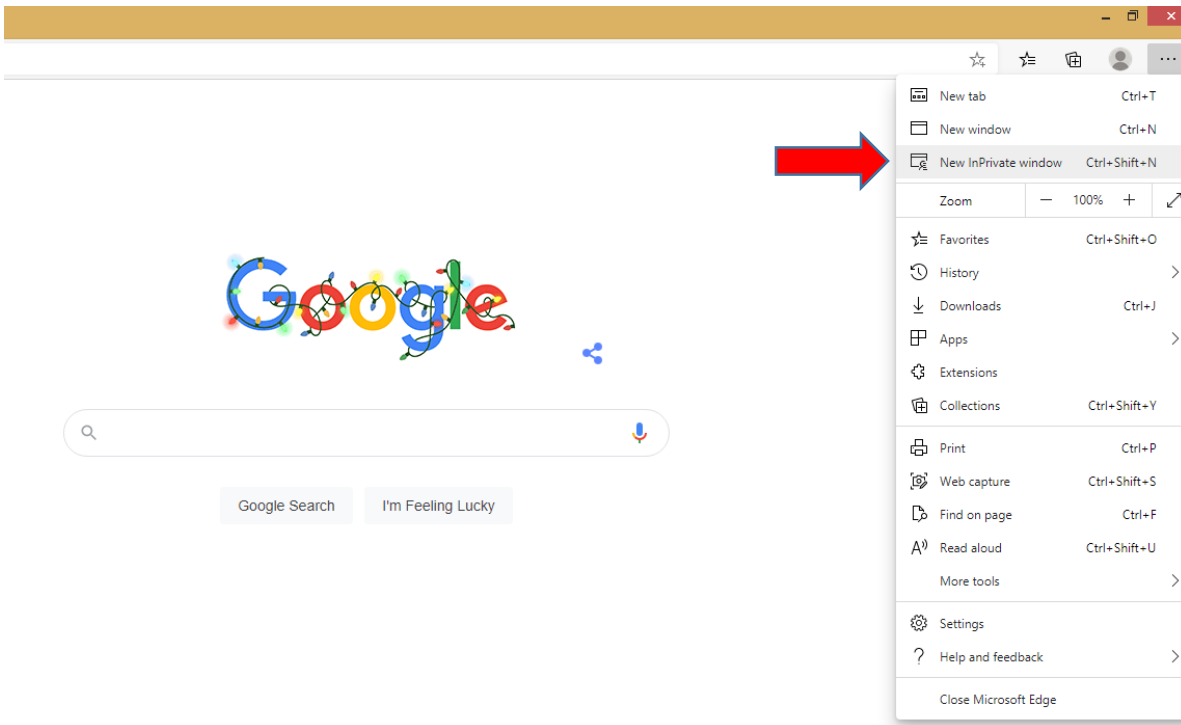

**For Microsoft Edge:**

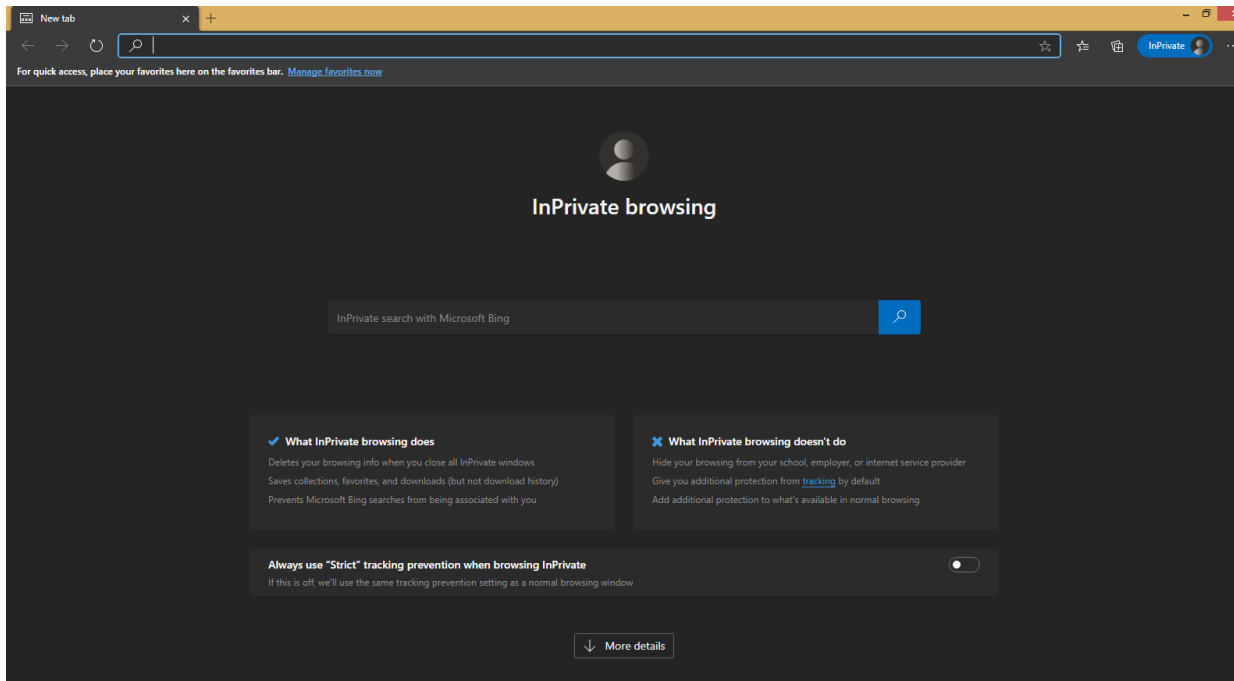

Click on the horizontal elipses in the top right corner.

Select "New InPrivate window."

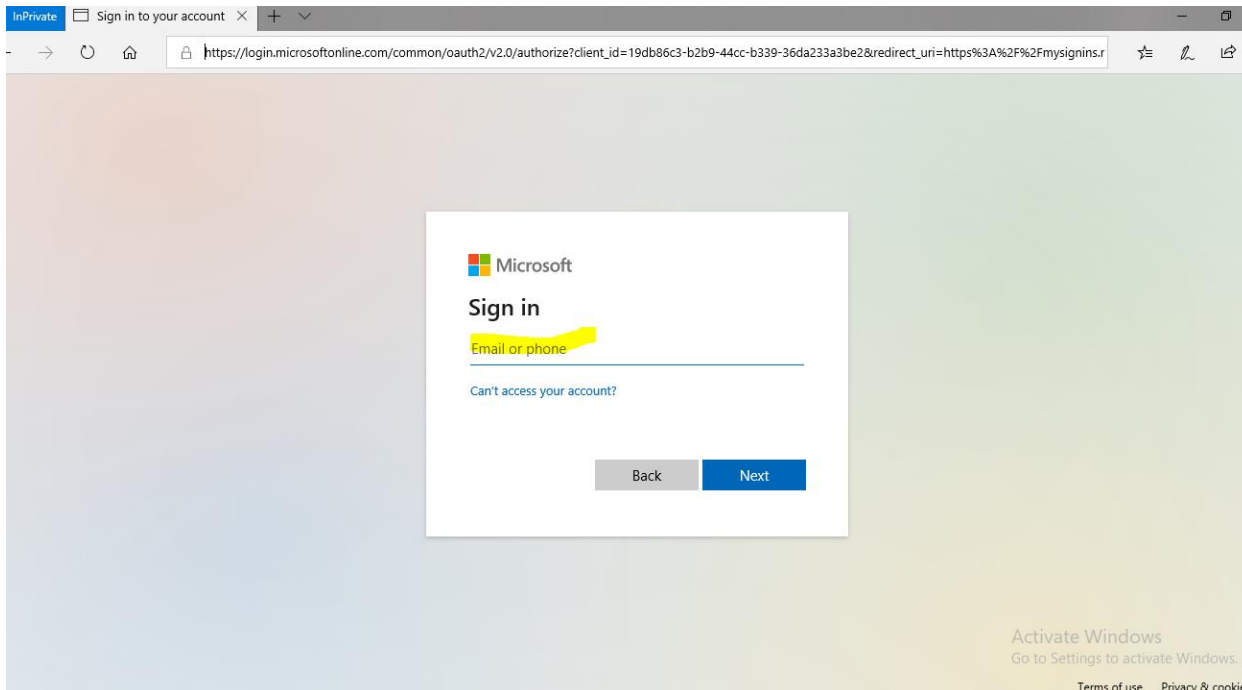

Your browser will then change into incognito mode and look similar to this.

Copy and paste the following link into your browser <https://aka.ms/mysecurityinfo>

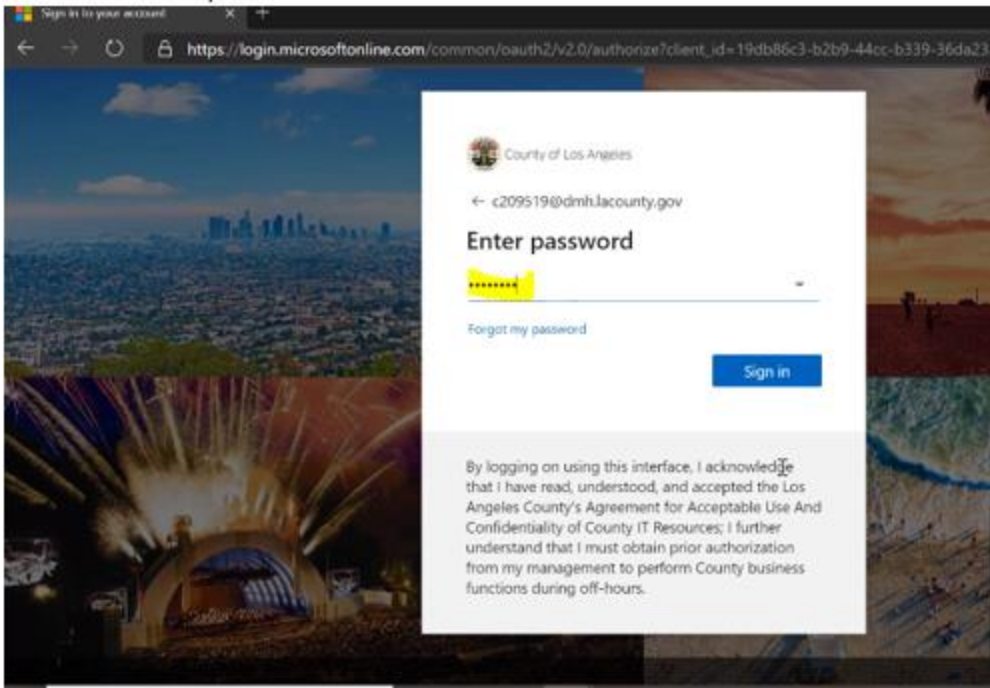

You will come to the Microsoft security site Sign In window.

Enter your DMH user ID which will be your Cnumber@dmh.lacounty.gov  
(Example C123456@dmh.lacounty.gov)

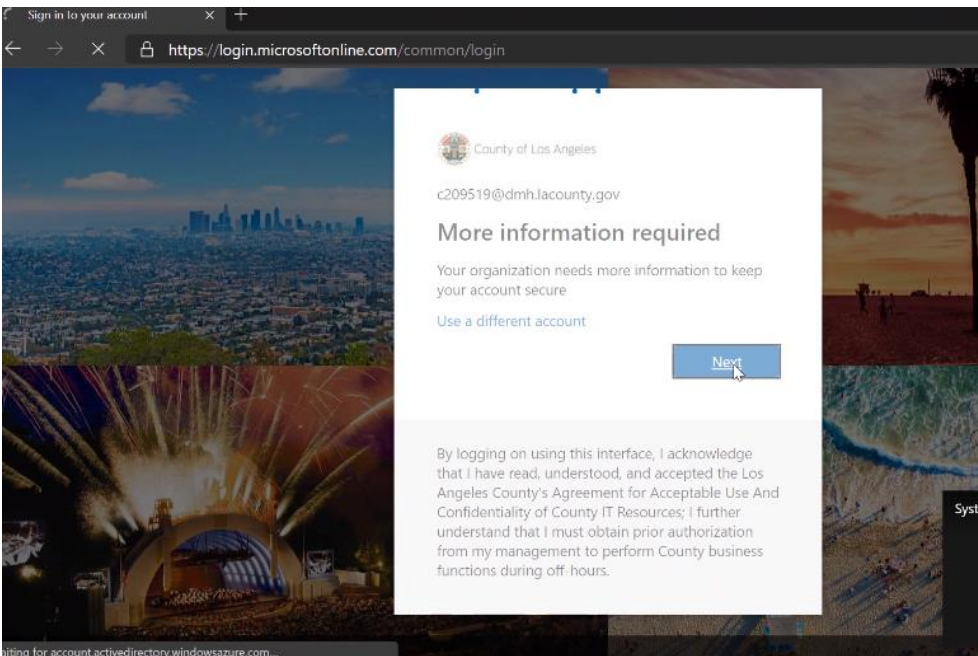

Enter your SSLVPN password.

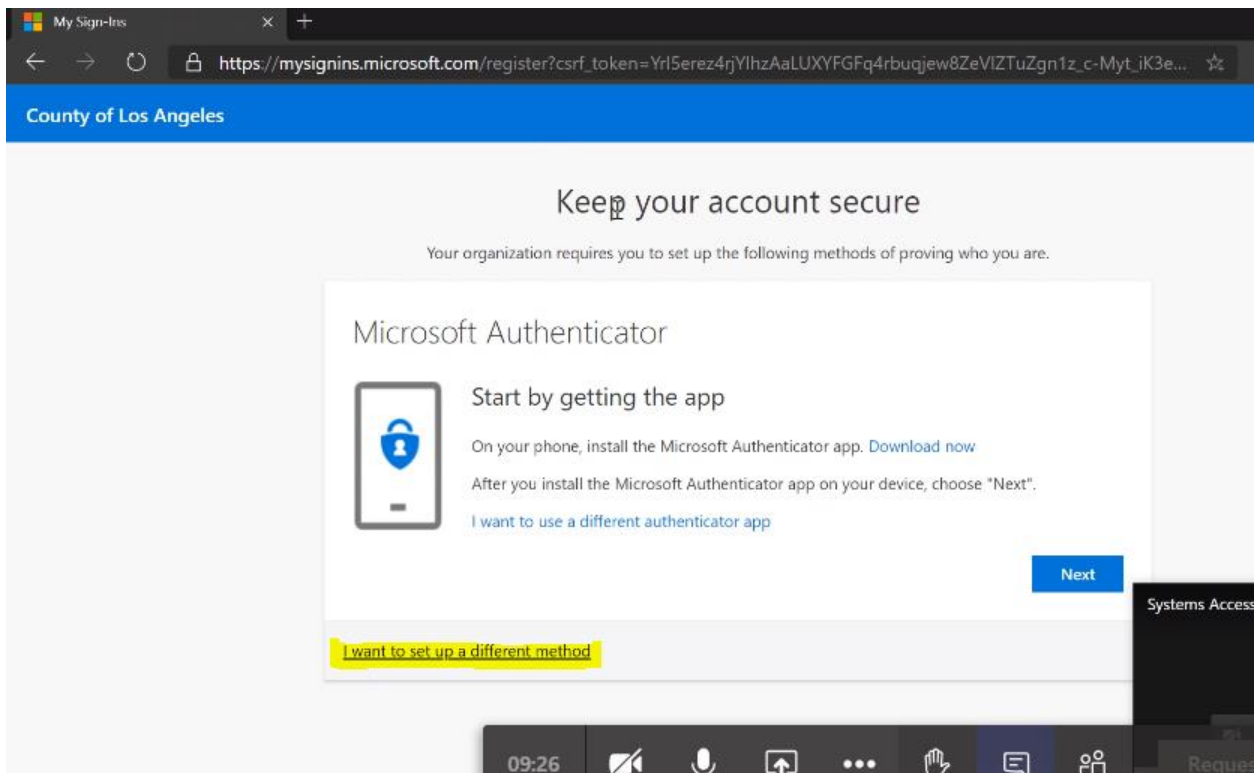

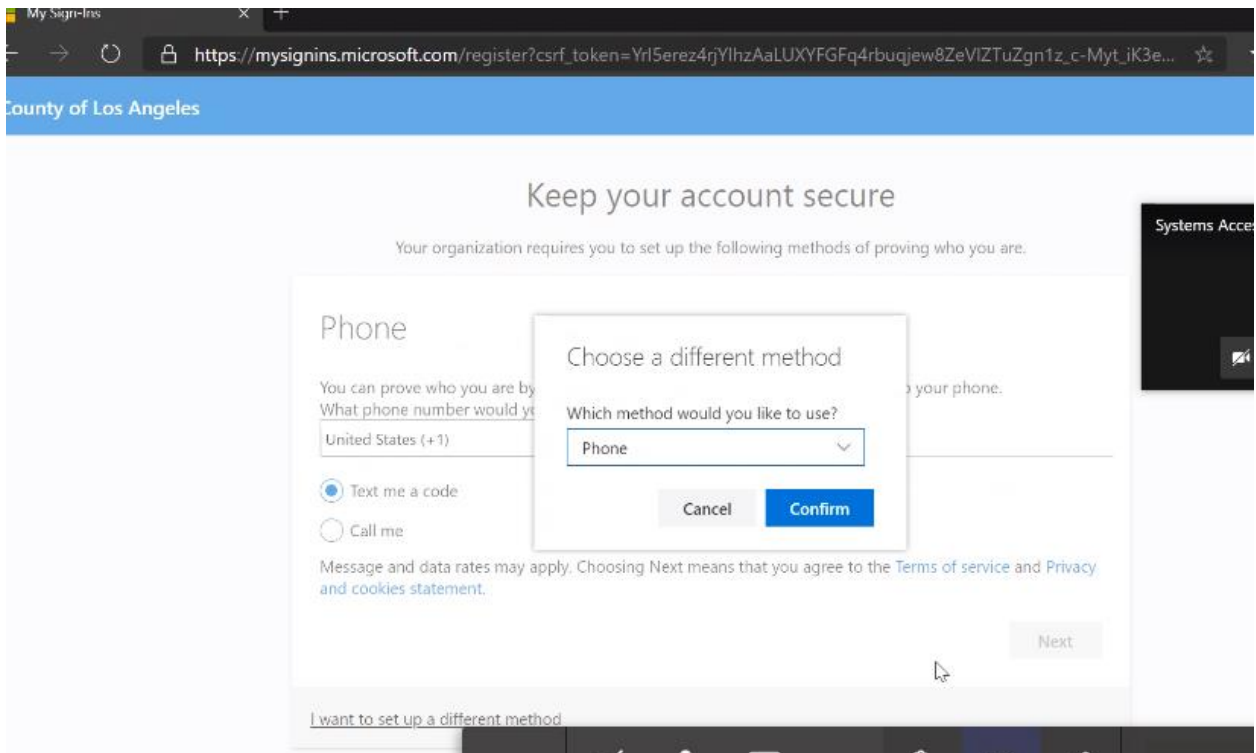

Enter any additional information requested.

You have the option to use the Microsoft Authenticator app on your mobile phone, or you can add your mobile number to receive text messages for authentication. Click "I want to set up a different method" if you do not want to use the app.

You can choose a different method.

You can repeat the process to add additional methods for authentication.

# Security info

These are the methods you use to sign into your account or reset your password.
