Los Angeles County Department of Mental Health (LACDMH) provides a range of programs and services designed for children (0-15) and young adults (16-20) who reside in Los Angeles County. Mental health services are available through directly operated and contract agencies throughout the County.

FSP for Children/Young Adults

The Los Angeles County Department of Mental Health offers a FSP for children (0-15) and young adults (16-20), who would benefit from and are interested in participating in a program designed to address physical, emotional and living situation needs.

FSP programs for children and young adult who are capable of providing an array of services beyond the scope of traditional mental health outpatient services. Those participating in an FSP program have services available to them 24 hours a day, 7 days a week.

Key Components of FSPs

Child/Young Adult FSP program providers may deliver services in your residence as well as in your community. Child/Young Adult FSP services includes 24/7 crisis response when there is an emergency or crisis. Each client enrolled in a Child/Young Adult FSP program will participate in the creation of a plan focused on individualized goals with the assistance of clinicians and case managers.

Interested in FSP Services?

To be considered for a Child/Young Adult FSP program, a referral must be submitted to a LACDMH Service Area Navigation Team.

The referral will be screened for eligibility by Department of Mental Health.

If you are **accepted** into the FSP program, you will be contacted by the FSP services provider assigned and service will begin immediately.

If you are **not accepted** into the FSP program, the Department of Mental Health will help link you to other services and supports that may be helpful to you.

If you have questions regarding the referral process or how the FSP program works, please contact:
