

Multicultural Mental Health Summit

**Healing Our Communities- Equity, Inclusion and Wellness
Outreach, Prevention and Treatment Practices for Communities of Color**
Presented by: Luis Garcia, PsyD, Behavioral Health Consulting Services

Wednesday, August 25, 2021, 8:30am-3:00pm via Zoom

The purpose of the Multicultural Mental Health Summit is to provide participants with the most innovative information and modalities that are currently being implemented in the communities as best practices as well as community defined evidence-based practices. The presentations will be structured to demonstrate how some of these practices have been effective in addressing cultural disparities by finding solutions that allow providers the flexibility of addressing inequalities and help them to provide services that are both Culturally and Linguistically relevant for communities of color.
