About

The GENESIS Older Adult Program offers field-based outpatient mental health services for older adults who are living with a severe mental illness and are unable to access services due to impaired mobility, frailty, or other limitations. GENESIS provides specialized services to meet the unique needs of people ages 60 years and above.

Services Provided

- Individual and family counseling
- Medication services
- Education and support
- Assistance in accessing appropriate level of care
- Linkage in applying for other resources if eligible (Medi-Cal, Medicare, Social Security, VA Benefits)

Resources

GENESIS funding is provided primarily by the Mental Health Services Act (MHSA) and other funding sources.

GENESIS coordinates and has developed working agreements with Adult Protective Services, Public Guardian, mental health agencies, health care providers, law enforcement agencies, and other community-based service providers. GENESIS also works with care management programs, hospitals, faith-based organizations, and senior centers.
