

## **SECTION VI – THE BENEFICIARY SERVICES PROGRAM AND REQUIREMENTS FOR PROVIDING MEDI-CAL BENEFICIARY MATERIALS TO CLIENTS**

### **MEDI-CAL BENEFICIARY MATERIALS**

Under California Code of Regulations (CCR), Title 9, Chapter 11, the Local Mental Health Plan (LMHP) and its network providers are required to provide beneficiaries with a booklet and Provider Directory upon request and when a beneficiary first receives a specialty mental health service.

The LMHP has developed user-friendly Medi-Cal beneficiary materials that provide a general understanding of services offered. All Medi-Cal beneficiary materials listed below must be posted in prominent locations where Medi-Cal beneficiaries obtain outpatient specialty mental health services, which includes the waiting areas of a network provider's place of service.

The LMHP has made an effort to ensure that the cultural and linguistic needs of the diverse populations served throughout the LMHP are met by developing Medi-Cal beneficiary materials in the LMHP's threshold languages which are: Arab, Armenian, Cambodian, Chinese Simplified, Chinese Traditional, English, Farsi, Korean, Russian, Spanish, Tagalog, and Vietnamese. The Medi-Cal beneficiary materials available in the LMHP's threshold languages are:

- **Guide to Medi-Cal Mental Health Services:** Booklet informs Medi-Cal beneficiaries on how to access and obtain routine and emergency specialty mental health services;
- **Grievance/Appeal Procedures:** Pamphlet describes the beneficiary problem resolution process for filing a grievance;
- **Beneficiary Grievance/Appeal Form:** Form provides Medi-Cal beneficiaries the opportunity to register written dissatisfaction about any aspect of services offered by the LMHP; and
- **Local Mental Health Plan Poster:** A poster designed to provide Medi-Cal beneficiaries simple and user-friendly information while upholding Title 9, California Code of Regulations. The FFS Network Provider should post the Beneficiary Poster in prominent locations and/or waiting areas where Medi-Cal beneficiaries obtain outpatient specialty mental health services.

To obtain copies of the Medi-Cal beneficiary materials identified above, including the Local Mental Health Poster, you may contact The Patients' Rights Office at:
