RE: *Psychological Testing*

John Smith, Ph.D. has asked the LACDMH network provider, Jane Doe, Ph.D., to approve psychological testing. This request is denied. The reason for the denial is the request for psychological testing was made to determine if medication is needed. The criteria used for the determination can be found in the County of Los Angeles, Department of Mental Health, Local Mental Health Plan, Medi-Cal Specialty, Mental Health Services, Provider Manual, Eighth Edition, September 2020. The Clinical reasons for the decision regarding medical necessity is that the beneficiary should be referred to a psychiatrist to support medication evaluation and management.

You may appeal this decision if you think it is incorrect. The enclosed "Your Rights" information notice tells you how. It also tells you where you can get help with your appeal. This also means free legal help. You are encouraged to send with your appeal any information or documents that could help your appeal. If you are currently getting services and you want to keep getting services while we decide on your appeal, you must ask for an appeal within 10 days from the date on this

letter or before the date the LACDMH network provider, Jane Doe, Ph.D, says services will be stopped or reduced.

If you still do not agree with the plan's decision, you can ask for a “**State Hearing**” and a judge will review your case.

You must ask for a State Hearing within **120 days** from the date of this letter. However, **if you are currently getting treatment and you want to continue your treatment while you appeal, you must ask for a State Hearing within 10 days** from the date this letter was postmarked or delivered to you OR before the date your health plan says services will be stopped or reduced. When you ask for a State Hearing, you must say that you want to keep getting your treatment. You will not have to pay for a State Hearing.

You can ask for a State Hearing by phone, electronically, or in writing:

- **By phone:** Call **1-800-952-5253**. If you cannot speak or hear well, please call **TTY/TDD 1-800-952-8349**.

After you ask for a State Hearing, it could take up to 90 days to decide your case and send you an answer. You may wish to ask your doctor or mental health plan to write a letter for you or you may write your own. The letter must explain

Prepared by the California Department of Health Care Services to help you understand your rights

in detail how waiting for up to 90 days for your case to be decided will seriously harm your life, your health, or your ability to attain, maintain, or regain maximum function. Then, make sure you ask for an **“expedited hearing,”** and provide the letter with your request for a hearing.

Authorized Representative

You may speak for yourself at the State Hearing or have another person speak for you, such as a relative, friend, advocate, doctor, or attorney. If you want another person to speak for you, then you must tell the State Hearing office that the person is allowed to speak on your behalf. This person is called an “authorized representative.”
