RE: *Psychological Testing*

You or *John Smith, Ph.D.*, on your behalf, appealed the denial of *Psychological Testing*. *DMH* has reviewed the appeal and has decided to uphold the decision. This request is still denied. This is because *the use of psychological testing to determine if medication is needed is exempt from the criteria for psychological testing. The guidelines used can be found in the County of Los Angeles, Department of Mental Health, Local Mental Health Plan, Medi-Cal Specialty Mental Health Services, Fee-For-Service Network Provider Manual 8th Edition, September 2020. The clinical reasons for the decision for medical necessity should be referred to a psychiatrist to support medication evaluation and management.*

You may ask for free copies of all information used to make this decision. This includes a copy of the actual benefit provision, guideline, protocol, or criteria on which we based our decision. To ask for this, please call *DMH* at (213) 738-4889.

You may appeal this decision by requesting a State Hearing. The enclosed "Your Rights" information notice tells you how. It also tells you where you can get help with your appeal. The enclosed "Your Rights" information notice provides timelines you must follow when requesting an appeal.
