	<ul style="list-style-type: none"> • Retreat attendees comprised of: <ul style="list-style-type: none"> ▪ FBAC, CCC, HN, SALT, UsCC, and MHC co-chairs ▪ HN, CCC, SALT, UsCC liaisons ▪ DMH staff and managers • Richer reminded us goal to bring services to our API community especially with the disparity in access to services based on the API demographic distribution. • Improve relationship and collaboration between DMH and the stakeholder community
<p>Capacity Building Project Results</p>	<p>Alan Wu reported four capacity building projects were selected based on the voting:</p> <ul style="list-style-type: none"> • Using Nature and Culture as Tools to Improve Mental Health • Storytelling Theater for Healing and Social Justice • Asian Pacific Islander Recovery Talk • API Community-Based Festival <p>Alan shared the general timeline for the capacity building projects and gave a summary of what happens at each step of timeline.</p> <p>Richer mentioned if one’s project is not selected you have an opportunity to resubmit at the next round.</p> <p>Richer expressed and advocated for increased funding to \$500,000 because API community much larger and very diverse.</p> <p>Alan indicated that the descriptions of all the projects are in the July and August minutes.</p>
<p>Recruitment and Expansion of API UsCC</p>	<p>Richer expressed the need to do more outreach and invite friends to join API UsCC.</p> <p>Richer shared being part of this subcommittee helped him to learn, grow and network with many people in DMH.</p> <p>Emily suggests a grassroots approach in outreach to meet people where they are and having a flyer for our subcommittee would be helpful in recruiting more people.</p> <p>Flyer tells who we are, what we offer, meeting times and contact person.</p> <p>Sokthea Phay offered to help create flyer once contents are completed.</p>
<p>Open Discussion on non-agenda items</p>	<p>Rocco gave an update on his project, Our Stories and Our Journey on Mental Health Recovery and Resilience</p> <ul style="list-style-type: none"> • Purpose to help us better understand the challenge associated with mental health condition • Utilize personal and powerful stories and testimonies to share recovery journey via online Zoom video interviews in their own native API language • Interviews used to inspire and encourage others to seek help • Learn what helps and what works • Address literacy issues <p>Emily will be speaking at the North American Taiwanese Women’s Association this coming weekend.</p> <p>Emily expressed concerns regarding the low pay for mental health promoters and peers.</p>

	<p>Funding and resource equity issues where API diverse population demographic does not reflect proportionately to the funding and mental health resources received.</p> <p>Rocco indicated the true magnitude of mental health issues are largely masked and hidden due to the tremendous stigma in the API community which explains the huge disparity in resource and funding allocation.</p> <p>Melisa shared the need to disaggregate the API data to reflect the many subgroups not represented and the DMH clinics were engaged in this effort and wondering if there were any updates.</p>
DMH Updates	<p>Second day of DMH retreat will focus on how community stakeholders and DMH can better work closely and collaborate together, and address issues and challenges identified.</p>
