Stigma and Discrimination Reduction	<ul style="list-style-type: none"> <li>-WhyWeRise Mental Health Campaign</li> <li>-Mental Health Promoters/Promotores</li> <li>-Mental Health First Aid</li> <li>-Peer Family and Community Supports Towards Stigma and Discrimination</li> </ul>	<p>Purpose is to reduce and eliminate barriers that prevent people from utilizing mental health services by prioritizing information and knowledge on early signs and symptoms of mental illness through client-focused, family support and education and community advocacy strategies.</p>	<p>The services include anti-stigma education specifically targeting underrepresented communities through outreach utilizing culturally sensitive and effective tools; educating and supporting mental health providers; connecting and linking resources to schools, families, and community agencies; and client and family education and empowerment.</p>	\$ 366,250

MHSA PROGRAM LIST

MHSA Funding Component: Suicide Prevention				
MHSA Program	MHSA Sub-Program(s)	Program Description	Key Activities	Estimated Total Mental Health Expenditures FY 2023-24
Suicide Prevention	-Latino Youth Program -School Threat Assessment Response Team (START) -Didi Hirsch 24/7 Crisis Hotline/988	Provides suicide prevention services through multiple strategies by strengthening the capacity of existing community resources and creating new collaborative and comprehensive efforts at the individual, family, and community level.	These services include: community outreach and education in the identification of the suicide risks and protective factors; linking direct services and improving the quality of care to individuals contemplating, threatening, or attempting suicide; access to evidence-based interventions trained suicide prevention hotlines; and building the infrastructure to further develop and enhance suicide prevention programs throughout the county across all age groups and cultures.	\$ 5,311,429
MHSA Funding Component: Early Intervention				
MHSA Program	MHSA Sub-Program(s)	Program Description	Key Activities	Estimated Total Mental Health Expenditures FY 2023-24
Early Intervention	Evidence Based Practices	Early Intervention is directed toward individuals and families for whom a short (usually less than one year), relatively low-intensity intervention is appropriate to measurably improve mental health problems and avoid the need for more extensive mental health treatment.		\$ 197,322,500
MHSA Funding Component: Workforce Education and Training				
MHSA Program	MHSA Sub-Program(s)	Program Description	Key Activities	Mental Health Expenditures FY 2023-24
Residency and Internship	-Charles R. Drew Affiliation Agreement: Psychiatric Residency Program -Med. School Affiliation at Harbor -UCLA Medical School Affiliation Agreement	MHSA funding for psychiatric residency programs, internship programs leading to licensure and physician assistant programs with a mental health specialty are designed to address workforce shortages and supplement existing programs to increase the share of licensed professionals practicing in the community public mental health system.		\$ 2,705,058

MHSA PROGRAM LIST

MHSA Funding Component: Workforce Education and Training				
MHSA Program	MHSA Sub-Program(s)	Program Description	Key Activities	Estimated Total Mental Health Expenditures FY 2023-24
Training and Technical Assistance	<ul style="list-style-type: none"> <li>-Public Mental Health Partnership (PMHP)</li> <li>-Bilingual and Spanish Interdisciplinary Clinical Training (Basic-T)</li> <li>-Interpreter Training Program (ITP)</li> <li>-Licensure Preparation Program (MSW, MFT, PSY, LPCC)</li> <li>-Navigator Skill Development Program</li> <li>-Learning Net System</li> <li>-Academy of Cognitive Therapy</li> <li>-Public Partnership for Wellbeing (PP4W) - UCLA Regents</li> </ul>	<p>This funding category provides MHSA funds to train individuals who provide or support public mental health services in better delivering services consistent with the fundamental principles intended by MHSA. Inclusive is the need to increase the systems's capacity to work with consumers in their language.</p>		\$ 7,397,864

**MHSA PROGRAM LIST**

<p>Mental Health Career Pathway</p>	<ul style="list-style-type: none"> <li>-Intensive Mental Health Recovery Specialist Training Program</li> <li>-Parent Partners Training Program</li> <li>-Honest, Open, Proud Program</li> <li>-Intentional Peer Support Advanced Training</li> <li>-Continuum of Care Reform</li> </ul>	<p>Mental Health Career Pathway offers educational, training and counseling programs that are designed to recruit and prepare individuals for entry into a career in the public mental health system. Emphasis is not only placed on clinical professionals, but also individuals with peer, parent partners, family member, or caregiver experience. These offer opportunities to continue the integration of these vital roles, as well as those from un- or unserved-communities into the public mental health system.</p>		<p>\$ 1,660,000</p>
<p>Financial Incentive</p>	<ul style="list-style-type: none"> <li>-Mental Health Psychiatrist (MHP) Student Loan Repayment Incentive</li> <li>-MHP Relocation Expense Reimbursement</li> <li>-MHP Recruitment Incentive Program</li> <li>-Stipend Program for MSWs, MFTs and Psychiatric Nurses and Psychologists</li> <li>-Mental Health Loan Repayment Program (MHSA WET Regional Partnership Match)</li> </ul>	<p>Financial Incentives offer an opportunity to recruit and retain both prospective and current public mental health employees who meet employers' needs for 1) workforce shortages of critical skills, 2) diversity and language proficiency shortfalls, and 3) promoting employment and career opportunities for individuals with consumers and family member experience in all public mental health positions.</p>		<p>\$ 6,936,684</p>
