

SUBMISSION OF FY 2023-24 SPECIALTY MENTAL HEALTH SERVICE CLAIMS NOW AVAILABLE

Effective July 1, 2023, the California Department of Health Care Services implemented new claiming rules under California Advancing and Innovating Medi-Cal (CalAIM). As the Los Angeles County Department of Mental Health (LACDMH) updated the Integrated Behavioral Health Information System (IBHIS) claims adjudication system to support new claiming requirements, the Central Business Office (CBO) issued [CBO Bulletin NGA 23-008](#) instructing all providers to hold Fiscal Year (FY) 2023-24 claims until the updates were complete.

The CalAIM updates to IBHIS are now complete. IBHIS is able to process FY 2023-24 claims under the new CalAIM claiming requirements as well as prior-year claims under the legacy rules. Legal Entity (LE) contract providers may begin submitting claims for services on or after July 1, 2023, immediately. Submission of claims for dates of service on or before June 30, 2023, may continue uninterrupted.
