

## Application Release Notes

<b>Name of Application:</b>	Client Service
<b>Version Number:</b>	202001 (December 2025)
<b>Environment &amp; Date of Deployment:</b>	TST: December 8, 2025 QA: December 9, 2025 PRODUCTION: December 17, 2025

**WSDL URL:** TST: <https://b2btst.dmh.lacounty.gov/ClientService/ClientServiceInterface.svc?SingleWsdI>  
 QA: <https://b2bqa.dmh.lacounty.gov/ClientService/ClientServiceInterface.svc?SingleWsdI>  
 PRODUCTION: <https://b2b.dmh.lacounty.gov/ClientService/ClientServiceInterface.svc?SingleWsdI>

Requirement #	Description
<b>CSI Assessment Modifications:</b>	
48666	<p>Added logic to validate the following for AddCSI and UpdateCSI submission:</p> <ul style="list-style-type: none"> <li> <b>Condition-1</b>            When            InterestedAppropriateInitialMedEval Value="Yes"            Then            the following must be submitted            -DateInitialMedEvalReqMade            -DateOfMedSupportSvcAppt            -EarlierApptOffered Value         </li> <li> <b>Condition-2</b>            When            EarlierApptOffered Value="Yes"            Then            the following must be submitted            -FirstOfferedMedApptDate         </li> <li> <b>Condition-3</b>            When            EarlierApptOffered Value="No"            Then            the following must NOT be submitted            -FirstOfferedMedApptDate         </li> </ul>
46377	<p>Added logic in AddCSI and UpdateCSI operations input so that API will return following error when both SRTSID and ServiceRequestID are submitted:            'Both SRTSID and ServiceRequestID can not be submitted'</p>
27041	<p>Modified logic in AddCSI and UpdateCSI operations input so that following data attribute is conditionally required instead of required:            ServiceRequestID            The condition is as below:            If SRTSID is not present in the payload, then ServiceRequestID must be submitted</p>

Requirement #	Description
27042	<p>Modified logic in AddCSI and UpdateCSI operations input so that following data attribute will be conditionally required: SRTSID The condition is as below: If ServiceRequestID is not present in the payload, then SRTSID must be submitted</p>
46377	<p>Modified logic in AddCSI and UpdateCSI operations input so that API will return following error when both SRTSID and ServiceRequestID are submitted: 'Both SRTSID and ServiceRequestID can not be submitted'</p>
27043	<p>Added logic to validate that when a value is provided in the SRTSID data attribute in the following schemas: AddCSI_input UpdateCSI_input Then application should verify that ID is associated to an active record in SRTS application. If no active record found for the submitted SRTSID, then application will return the following error: 'No active SRTS record found.'</p>
27076	<p>Added logic to validate the value entered in the SRTSID data attribute in the AddCSI and UpdateCSI operations meets the following criteria:</p> <ul style="list-style-type: none"> <li>• SRTSID can't be 0</li> <li>• SRTSID min length 1 digit</li> <li>• SRTSID numbers only</li> <li>• SRTSID is non-negative number</li> </ul>
49985	<p>Added logic to validate the following business rule for AddCSI and UpdateCSI call: CONDITION: IF ClosureReason="03" OR "04" OR "06" in the input THEN TreatmentAppointmentFirstOfferDate is not required ELSE IF ClosureReason NOT EQUAL TO "03" OR "04" OR "06" in the input THEN TreatmentAppointmentFirstOfferDate is required</p>
