The mental health plan for Los Angeles County has decided, after reviewing the results of an assessment of your mental health condition, that your mental health condition does not meet the medical necessity criteria to be eligible for specialty mental health services through the plan. In the mental health plan's opinion, your mental health condition did not meet the medical necessity criteria, which are covered in the state regulations at Title 9, California's Code of Regulations (CCR), Section 1830.205, for the reason checked below:

- Your mental health diagnosis as identified by the assessment is not covered by the mental health plan (Title 9, CCR, Section 1830.205(b)(1)).
- Your mental health condition does not cause problems for you in your daily life that are serious enough to make you eligible for specialty mental health services from the mental health plan (Title 9, CCR, Section 1830.205(b)(2)).
- The specialty mental health services available from the mental health plan are not likely to help you maintain or improve your mental health condition (Title 9, CCR, Section 1830.205(b)(3)(A) and (B)).
- Your mental health condition would be responsive to treatment by a physical health care provider (Title 9, CCR, 1830.205(b)(3)(C)).

If you agree with the plan's decision, and would like information about how to find a provider outside the plan to treat you, you may call and talk to a representative of your mental health plan at (800) 854-7771 or write to:

Patients' Rights Office, 550 S. Vermont Ave, Los Angeles, CA 90020 Attn: Beneficiary Services Program

**If you don't agree with the plan's decision, you may do one or more of the following:**

1. Ask the plan to arrange for a second opinion about your mental health condition. To do this, you may call and talk to a representative of your mental health plan at (213) 738-4949 or write to:

Patients' Rights Office, 550 S. Vermont Ave, Los Angeles, CA 90020 Attn: Beneficiary Services Program

2. File an appeal with your mental health plan. To do this, you may call and talk to a representative of your mental health plan at (213) 738-4949 or write to:

Patients' Rights Office, 550 S. Vermont Ave, Los Angeles, CA 90020 Attn: Beneficiary Services Program

or follow the directions in the information brochure the mental health plan has given you. You must file an appeal within 90 days of the date of this notice. In most cases the mental health plan must make a decision on your appeal within 30 days of your request. You may request an expedited appeal, which must be decided within 72 hours if you believe that a delay would cause serious problems with your mental health, including problems with your ability to gain, maintain or regain important life functions.

If you have questions about this notice, you may call and talk to a representative of your mental health plan at (213)738-4949 or write to:

**YOUR HEARING RIGHTS**

You only have 90 days to ask for a hearing. The 90 days start either:

1. The day after we personally gave you this mental health plan's appeal decision notice, **OR**
2. the day after the postmark date of this mental health plan's appeal decision notice.

**Expedited State Hearings**

It usually takes about 90 days from the date of your request to make a hearing decision. If you think this timing will cause serious problems with your mental health, including problems with your ability to gain, maintain or regain important life functions, you may request an expedited state hearing. **To request an expedited hearing, please check the 1st box in the right hand column of this page under HEARING REQUEST and include the reason why you are requesting an expedited hearing.** If your expedited hearing request is approved, a hearing decision will be issued within three working days of the date your request is received by the State Hearings Division.

**To Keep Your Same Services While You Wait for A Hearing**

- You must ask for a hearing within 10 days from the date the mental health plan's appeal decision notice was mailed or personally given to you or before the effective date of the change in services, whichever is later.
- Your Medi-Cal mental health services will stay the same until a final hearing decision is made which is adverse to you, you withdraw your request for a hearing, or the time period or service limits for your current services expire, whichever happens first.
