NOTICE OF PRIVACY PRACTICES (NPP)

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

OUR PLEDGE REGARDING /PROTECTED HEALTH INFORMATION

We understand that medical information about you and your health is personal. We are committed to protecting your information. We refer to this information as "Protected Health Information" or "PHI". We create a record of the care and services you receive from Los Angeles County-Department of Mental Health ("LAC-DMH"). We need this record to provide you with quality care and to comply with certain legal and payment requirements.

This notice will tell you about the ways in which we may use and disclose your PHI. We also describe your rights and certain obligations we have regarding the use and disclosure of PHI. We are required by law to:

- make sure that PHI that identifies you is kept private;
- give you this notice of our legal duties and privacy practices concerning your PHI; and
- follow the terms of the notice that is currently in effect.

HOW WE MAY USE AND DISCLOSE PHI ABOUT YOU

We use and disclose PHI in many ways. For each category of uses or disclosures we will explain what we mean and try to give some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories required by law.

<u>For Treatment</u> We may use PHI about you to provide you with medical treatment or services. We may disclose PHI about you to doctors, nurses, technicians, nursing and medical students, or LAC-DMH personnel who are involved in taking care of you. For example, a doctor treating you for a chemical imbalance may need to know if you have problems with your heart because some medications may affect your blood pressure. We may share your PHI for treatment in order to coordinate the different things you need, such as prescriptions, blood pressure checks and lab tests, and to determine a correct diagnosis.

<u>For Payment</u> We may use and disclose PHI about you so that the treatment and services you receive at LAC-DMH may be billed and payment may be collected from you or on your behalf from an insurance company or a third party. For example, we may need to give your health plan information about testing that you received at our facilities so your health plan will pay us or reimburse you for those services. We may also tell your health plan about a treatment you are going to receive to obtain prior approval or to determine whether your plan will cover the treatment.

For Health Care Operations We may use and disclose PHI about you for our LAC-DMH business operations. These uses and disclosures are necessary to run our organization and make sure that all of our patients receive quality care. For example, we may use PHI to review our treatment and services and to evaluate the performance of our staff in caring for you. We may also gather PHI about many of LAC-DMH clients to decide what additional services our facilities should offer, what

services are not needed, and whether certain new treatments are effective. We may also disclose information to doctors, nurses, technicians, nursing and medical students, and other personnel for review and learning purposes. We may also compare the PHI we have with PHI from other organizations and providers to determine how we are doing and see where we can make improvements in the care and services we offer. We may remove information that identifies you from this set of PHI so others may use it to study health care and health care delivery without learning the identify of any clients.

<u>For Appointment Reminders</u> We may use and disclose PHI to contact you as a reminder that you have an appointment for treatment or medical care at LAC-DMH clinics.

<u>For Your Own Information</u> We may use and disclose PHI to tell you about your own health condition, such as your test results, to tell you about or recommend possible treatment options or alternatives, and to tell you about health-related benefits or services that may be of interest to you.

Individuals Involved in Your Care or Payment for Your Care We may disclose PHI about you to a family member or other person you designate if you give us permission to do so. We may also tell certain family members about your presence in our facility but only if the law permits us to do so. We may share PHI about you when necessary for a claim for aid, insurance, or medical assistance to be made on your behalf.

For Health Information Exchange (HIE) We, along with other health care providers in the Los Angeles area, participate in one or more health information exchanges. An HIE is a communitywide information system used by participating health care providers to share health information about you for treatment purposes. Should you require treatment from a health care provider that participates in one of these exchanges who does not have your medical records or health information, that health care provider can use the system to gather your health information in order to treat you. For example he or she may be able to get laboratory or other tests that have already been performed or find out about the treatment that you have already received. We will include your PHI in this system.

For Research

Under certain circumstances, we may use and disclose PHI about you for research purposes. For example, a research project may involve comparing the health and recovery of all clients who received one medication to those who received another, for the same condition. All research projects, however, are subject to a special approval process. This process evaluates a proposed research project and its use of PHI, trying to balance the research needs with patients' need for privacy of their PHI. Before we use or disclose PHI for research, the project will have been approved through this research approval process, but we may, disclose PHI about you to people preparing to conduct a research project, for example, to help them look for clients with specific medical needs. We will always ask for your specific permission if the researcher will have access to your name, address or other information that reveals who you are, or will be involved in your care.

<u>As Required By Law</u> We will disclose PHI about you when required to do so by federal, State or local law, such as laws that require us to report abuse.

<u>To Avert a Serious Threat to Health or Safety</u> We may use and disclose PHI about you when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat.

<u>To Provide Breach Notification</u>. We may use and disclose your PHI, if necessary, to tell you and regulatory authorities or agencies of unlawful or unauthorized access to your PHI. For example, if your PHI is lost or stolen.

YOUR RIGHTS REGARDING PHI ABOUT YOU

You have the following rights regarding PHI we maintain about you:

<u>Right to Inspect and Copy</u> You have the right to inspect and copy your PHI that is used to make decisions about your care. Usually, this includes medical and billing records, but does not include psychotherapy notes. To inspect and copy PHI that may be used to make decisions about you, you must submit your request in writing to the facility where you are receiving treatment/services. If you request a copy of the information, we may charge a fee for the costs of copying, mailing or other supplies associated with your request. If your health information is available electronically, under certain circumstances, you may be able to obtain this information in an electronic format. We may deny your request to inspect and copy your PHI in certain limited circumstances. If you are denied access to PHI, you may request, in writing, that the denial be reviewed. Another licensed health care professional chosen by LAC-DMH will review your request and the denial. The person conducting the review will not be the person who previously denied your request. We will comply with the outcome of the review.

<u>Right to Amend</u> If you feel that PHI we have about you is incorrect or incomplete, you may ask us to include additional information in your medical record. You have the right to request an amendment for as long as all of the information, both old and new, is kept by or for LAC-DMH. In addition, you must provide a reason that supports your request. We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

was not created by us, unless the person or entity that created the information is no longer available to make the amendment;

- ➢ is not part of the PHI kept by LAC-DMH;
- > is not part of the information which you would be permitted to inspect and copy; or
- ➢ is accurate and complete.

<u>Right to an Accounting of Disclosures</u> You have the right to request an "accounting of disclosures." This is a list of the disclosures we made of PHI about you, excluding disclosures for the purpose of treatment, payment or healthcare operations. To request this list or accounting of disclosures, you must submit your request in writing to LAC-DMH or we will provide you with a form to make your request. Your request must state a time period, which may not be more than six years prior to your request. Your request should indicate in what form you want the list (for example, on paper, electronically). The first list you request within a 12- month period will be free. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

<u>Right to Request Restrictions</u> You have the right to request a restriction or limitation on the PHI we use or disclose about you for treatment, payment or health care operations. You also have the right to request a limit on the PHI we disclose about you to someone who is involved in your care or the payment for your care, like a family member. We will do our best to honor your request; however, except when you fully pay out-of-pocket as explained below, we are not required to agree to your request. If we do agree, we will comply with your request unless the information is needed to provide you emergency treatment. To request restrictions, you must make your request in writing or we will provide you with a form to make your request. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply, for example, disclosures to your spouse.

<u>Right To Restrict Disclosure of Information For Certain Services</u> You have the right to restrict the disclosure of information regarding services for which you or someone else has paid in full or on an out-of-pocket basis (in other words you don't ask us to bill your health plan or health insurance company). If you or someone else has paid in full for a service, we must agree to your request and we will not share this information with your health plan without your written authorization, unless the law requires us to share your information.

<u>Right to Request Confidential Communication</u> You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail. To request confidential communications, you must make your request in writing to LAC-DMH or we will provide you with a form to make your request. We will not ask you the reason for your request. We will accommodate all reasonable requests. Your request must tell us how or where you wish to be contacted. If you do not tell us how or where you wish to be contacted, we do not have to honor your request.

<u>Right to a Paper Copy of This Notice</u> You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. To obtain a paper copy of this notice, ask any of our office staff. Sample Format for Case Manager / Housing Liaison Referral Letter

Must be on Agency letterhead.

First Paragraph

- Just one or two sentences describing your agency's program(s) (Attaching an agency brochure helps.)
- Applicant's entry date into your agency's program
- Applicant's exit date from your agency's program. (If applicable, explain why the Applicant is leaving your agency's program, and identify the linkage schedule and the next provider to whom Applicant will be linked--agency name, case manager name and phone number.)
- Say where the applicant is living at the present time.
 - If he or she is in a shelter or transitional living program, ask the shelter to write a letter on their letterhead (and add their pamphlet, if available).
 - If the applicant is living on the "streets," include information specifying where he or she can be found (e.g., "Ms. Jones resides in the alley directly behind the Baja Fresh Restaurant located at 6043 Hollywood Boulevard, Hollywood, CA 90028. I have met with her for case management at this location on the following dates: 01/23/04, 02/06/04, 03/10/04, and 04/13/04. She was noted by police citation for sleeping in this alley on the flowing dates: 05/23/04, and 05/30/04."

Troubleshooting

- If exit date at shelter or transitional living program has passed, then explain why the Applicant is still in the program.
- *Example*: "Even though Mr. Smith's residential time at Hugh Heffner's Transitional Living Center has expired, we received permission to allow him to stay here until he is approved for a Tenant Based Supportive Housing Voucher. "
- Be mindful if you allow an Applicant to stay at your facility past their expiration date (i.e., identify why and for how long).

Second Paragraph

- Narrative outline of the Applicant's homeless history, with <u>NO</u> time gaps.
- Identify time periods Applicant can't recall, if any.
- This detailed history should begin from when Applicant began seeing the case manager. If that time is less than two years, then the case manager should include the Applicant's recollection of their homelessness prior to engagement.
- Include (1) the specific date Applicant first became homeless and (2) the event that caused Applicant's to become homeless. If the event is documented (e.g.,

eviction papers, motel receipts, etc.) reference them here and include them in the application.

- Identify and explain <u>all</u> Applicant telephone numbers and addresses disclosed <u>anywhere</u> in the application package, including the address on the Applicant's CDL or other photo ID.
- Explain why Applicant cannot live at / return to these addresses

Third Paragraph

- Explain why you think this Applicant meets target population for Tenant Based Supportive Housing (Remember: the Applicant has to be sick enough to meet the service match).
- Mental illness should only be mentioned (e.g., "Mr. Burnett has a mental illness, attends all appointments regularly at the clinic, and is medication compliant.")
- Explain your Applicant's experience with your program
- Always include strengths and positive points concerning the applicant
- Mention Independent Living Skills, especially money management. (Place the person you have chosen for a Tenant Based Supportive Housing Voucher into a Community Living Program or Independent Living Skills class.)

Fourth Paragraph

- If children are involved, please state: (1) where they are, (2) who is supporting them, and (3) if the child is in placement, attach court paperwork indicating who has custody and a letter from the Children's Social Worker indicating that the child will be allowed to reside with the applicant in the apartment.
- <u>Criminal Background Checks</u>: Criminal background checks are required for all adult family members (18 years and over) that will be residing with the applicant. Provide information concerning the following:
 - If the adult family member has been convicted of any drug or alcohol related offense, explain and document what treatment (including residential and out patient substance abuse treatment, 12-step meetings, etc.) he or she has been involved in and completed.
 - If the adult family member has been convicted of a violent offence, explain and document what treatment (including anger management classes, and individual therapy, etc.) he or she has been involved in and completed.
- NO CRIMINAL BACK GROUND CHECK HAS BEEN ASKED FOR THE APPLICANT FROM HACLA (Housing Authority of the City of Los Angeles). This information is collected elsewhere in the application and does not need to be mentioned in the referral letter.

Fifth Paragraph

• Closing remarks and contact information for referring clinician or case manager.

RE: Jane Doe, SS# 123-45-6789

Housing Authority of the City of Los Angeles:

I am writing this letter in support of Jane Doe's Tenant Based Supportive Housing application. Jane has been a client of the ACTION program since October 18, 2011. ACTION is an assertive community treatment program that assists dually diagnosed consumers with psychotherapy, case management, and psychiatry. Jane has a mental illness and has maintained all scheduled appointments with me for counseling and sees her psychiatrist regularly despite her lack of a fixed nightly residence.

Jane became homeless on January 8, 2012 after fleeing from a domestic violence situation. For the past four years, Jane has lived in inpatient psychiatric hospitals, on the street, crisis residential facilities, LAHSA cold/wet weather shelters, and a garage. We recently met and reviewed her psychiatric treatment history and compiled the following list of dates and locations of Jane's living arrangements. Because of the client's cognitive deficits and memory loss, the following represents the best history this client can recollect:

01/08/2012 to 02/07/2012: 1736 Crisis House, Torrance, CA 90000 02/08/2012 to 03/15/2012: New Image Emergency Shelter, Los Angeles, CA 90000 03/16/2012 to 06/31/2012: Shady Lady Motel, 3434 Sunset Blvd., Hollywood, CA 90000 07/01/2012 to 08/31/2012: Client does not remember where she resided 09/01/2012 to 10/25/2012: Twin Towers Correctional Facility 10/26/2012 to 12/15/2012 "Streets" - Sidewalk at 4th and Main, Los Angeles, CA 90000 12/16/2012 to 12/19/2012: BHC Hospital, Psychiatric Unit, Rosemead, CA 90000 12/20/2012 to 01/19/2013: Excelsior House Crisis Residential Treatment, LA, CA 90000 01/20/2013 to 04/01/2013: "Streets" - Car parked at 1720 E 120th St., Los Angeles, CA 90000 (Car was towed) 04/02/2013 to 04/15/2013: "Streets" – Alley between Augustus Hawkins MHC and King Drew Medical Center, Los Angeles, CA 90000 04/16/2013 to 06/20/2013: Help is on the Way Shelter, Los Angeles, CA 90000

06/21/2013 to 07/26/2013: Client does not remember where she resided
07/27/2013 to 08/05/2013: Brotman Medical Center, Psychiatric Unit, LA, CA 90000

Angeles, CA 90000. The garage lacked cooking facilities, a
restroom or shower, running water, electricity, and insulation
to keep warm. The roof often leaked when it rains.

09/16/2015 to present: PATH Specialized Shelter Bed Program, LA, CA 90000

Jane is an appropriate candidate for the Tenant Based Supportive Housing program because she is now medication compliant, has completed courses in parenting, independent living skills, and money management. In the past, Jane successfully maintained a residence and has good independent living skills. Jane is a part of the Money Management Program at Hollywood Mental Health Center, which will also continue to provide the intensive case management that will allow her to maintain independence in the community. In addition, Jane has completed a 90-day residential substance abuse treatment program and continues to maintain a relationship to her facility by attending outpatient groups. Jane also attends 12 Step groups for support and fellowship in recovery.

Jane has an 8-year-old daughter (Sheila Doe) who will live with her mother once she is in a stable living situation. Presently, Sheila resides with client's mother (Marie Doe) at 6703 67th Street, Los Angeles. A letter from client's DCFS social worker indicating the child's current location and the social worker's intent to place the child with client at her new residence is attached.

I appreciate your time in reviewing this case. A Tenant Based Supportive Housing voucher would provide an avenue of stability for Jane. If you have any questions or concerns, please feel free to call me at 213-637-5555.

Sincerely,

Daisy Obetsanov, MSW Psychiatric Social Worker

HUD'S ENTERPRISE INCOME VERIFICATION (EIV) SYSTEM AND HOUSING ASSISTANCE

The Housing Authority uses HUD's EIV system to verify social security numbers for all participants; Social Security and SSI income, earnings from jobs, and unemployment insurance for all Housing Authority public housing residents and Section 8 participants.

What is EIV?

- EIV is a system from HUD that provides current Social Security data, employment, new hire data, and unemployment insurance income.
- All employers in the State of California report wages and other income to the Federal Government. The California Employment Development Department reports all unemployment benefits. The Social Security Administration records all benefits paid to families. All this information is now available to the housing authority to help us accurately verify income to provide the correct amount of assistance to families.

Whose information is in the EIV system?

• Current public housing residents and Section 8 participants.

How will this affect me?

- The Housing Authority will check the EIV system each time you have a review. The Housing Authority will also use EIV information for fraud investigations.
- If <u>all</u> members of your household accurately report all income received to the Housing Authority, it will not affect you. IF THE EIV DATA SHOWS THAT YOU OR A MEMBER OF YOUR HOUSEHOLD FAILED TO REPORT ALL INCOME YOU CAN LOSE YOUR SECTION 8.
- The Housing Authority will not rely only on the information received from the EIV system. The Housing Authority will require a third-party verification from the source of income if you disagree with information in the EIV system.

Why is the Housing Authority doing this?

• HUD developed EIV to prevent fraud and to insure that families are reporting income correctly. HUD wants to make sure that needy families get the right amount of assistance.

Will I have to do anything?

- Report all income of any kind completely and accurately. You still need to bring all family members' most recent income verifications (Social Security/SSI Statement, paycheck stubs, bank statements, etc.) to your reviews. Housing Authority staff will tell you if your help is needed to resolve any differences between what you report and what the EIV reports.
- If you do not understand something on the application or recertification forms, always ask.

AUTORIDAD DE VIVIENDA DE LA CIUDAD DE LOS ÁNGELES

EL SISTEMA DE VERIFICACIÓN DE INGRESOS (EIV) Y AYUDA DE VIVIENDA DEL HUD

La Autoridad de Vivienda usa el Sistema de Ingresos (EIV, por sus siglas en inglés) del Departamento de Vivienda y Desarrollo Urbano (HUD, por sus siglas en inglés) para verificar los ingresos por el seguro social, el salario y el seguro de desempleo de todos los residentes de la vivienda pública y los participantes de la Sección 8 de la Autoridad de Vivienda.

¿Qué es EIV?

- EIV es el sistema del HUD que proporciona datos vigentes del Seguro Social, del empleo, de empleados recién contratados y de información sobre ingresos por el seguro de desempleo.
- Todos los empleadores del estado de California informan al gobierno federal los salarios y otros ingresos de sus empleados; el Departamento del Desarrollo del Empleo de California informa de todos los beneficios de desempleo que otorga; y la Administración del Seguro Social informa de todas las cantidades que entrega a las familias. Toda la información anterior se encuentra a disposición de la Autoridad de Vivienda para ayudarle a verificar los ingresos con precisión y ofrecer a las familias una cantidad justa de ayuda.

¿Sobre quién tiene información el sistema de EIV?

• Residentes que actualmente viven en viviendas de la vivienda pública y participantes de la Sección 8.

¿De qué manera me va a afectar esto a mí?

- La Autoridad de Vivienda va a consultar el sistema EIV siempre que le haga una revisión. Además, va a usar la información del EIV en las investigaciones de fraude.
- Si <u>todos</u> los miembros de su familia informan con exactitud a la Autoridad de Vivienda todos los ingresos que reciben, esto no le va a afectar. Si los datos del EIV muestran que usted o un miembro de su familia no reportaron todos los ingresos, puede perder su Sección 8.
- La Autoridad de Vivienda no va a basarse solo en la información que reciba del sistema EIV. Si usted no
 está de acuerdo con la información del sistema EIV, la Autoridad de Vivienda va a requerir una verificación
 de una tercera persona que la fuente de ingresos envíe.

¿Por qué está la HACLA haciendo esto?

• El HUD ideo el EIV para evitar el fraude y para asegurar que las familias informen sus ingresos con exactitud.

El HUD quiere asegurar que las personas necesitadas reciban la cantidad justa de ayuda.

¿Tengo que hacer algo?

- Informe todos sus ingresos de cualquier tipo con exactitud. Todavía tiene que llevar a las revisiones las verificaciones de ingresos más recientes (Seguro Social/Estado de cuenta del Seguro Social, talones de cheque, estados de cuenta de los bancos, etc.) de todos los miembros de la familia. La Autoridad de Vivienda le va a informar si necesita su ayuda para resolver alguna diferencia entre lo que informa usted y lo que el EIV indica.
- Si hay algo que no entienda en los formularios de solicitud o en los formularios de certificaciones posteriores, pida que se lo expliquen.

- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

- 1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
- 2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
- 3. Whether or not you have defaulted on a repayment agreement; and
- 4. Whether or not the PHA has obtained a judgment against you; and
- 5. Whether or not you have filed for bankruptcy; and
- 6. The negative reason(s) for your end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

2

Who will have access to the information collected?

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

How will this information be used?

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

How long is the debt owed and termination information maintained in EIV?

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date.

What are my rights?

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

- 1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
- 2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
- 3. To have incorrect information in your record corrected upon written request.
- 4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
- 5. To have your record disclosed to a third party upon receipt of your written and signed request.

What do I do if I dispute the debt or termination information reported about me?

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.
