

### 2013 Housing Institute

## “Moving Forward Together . . .” Finding Collaborative Solutions in Permanent Supportive Housing

June 12 & 13, 2013  
California Endowment Center  
1000 North Alameda Street  
Los Angeles, California 90012

The Department of Mental Health in conjunction with the CSH presents the Sixth Annual Housing Institute 2013. The Housing Institute will provide an opportunity for participants to gain and enhance their skills and knowledge in providing quality-housing services that will promote hope, support, wellness and recovery for consumers receiving mental health services. It will offer workshops that will serve as an introductory training to prepare new employees providing housing related services and/or employees working in the supportive housing field and provide opportunities for those who have worked in this capacity to enhance and rejuvenate their skills and knowledge. In addition, the Housing Institute will present workshops that demonstrate promising practices in the delivery of housing services including approaches to working with specific sub-populations, relay current trends in housing development and financing, and promote and encourage collaboration and partnerships among housing developers, property management, supportive services and mental health providers.

Registration for the 2013 Housing Institute must be completed online along with a payment of \$25. If you are interested in attending this year's event, please go to the following website to register and see payment instructions:
