

THIS IS NOT AN OFFICIAL BULLETIN

**TRANSFER OPPORTUNITY
MENTAL HEALTH PSYCHIATRIST**

***We invite you to explore the opportunities offered in our DMH Jail Programs.
Bring your expertise, talent and experiences and join the
Jail Mental Health Services team!***

Jail Mental Health Services is recruiting Mental Health Psychiatrists who will work with a team of 300 Psychologists, Mental Health Counselors, RNs and Social Workers to provide mental health care to incarcerated individuals within the jail programs.

Duties will include:

- Assessment of clients for psychotropic medication management
- Follow up and renewal of psychotropic medications
- Release prescriptions
- Crisis intervention
- Housing disposition
- Document assessment in Power Chart including risk assessment and diagnosis
- Write applications for LPS holds
- Supervision by Supervising Mental Health Psychiatrist
- Case consultation with other disciplines
- Work with custody and medical staff
- Review of Integrated System (IS) and Electronic Medical Records

Incentives:

- ✓ **5.5% Jail Bonus**
- ✓ **Flexible schedule including 4/10, evenings and weekends depending on program needs**

If you currently hold the payroll title of Mental Health Psychiatrist, and you are interested in joining our team, please contact:
