The Understanding Documentation - Medical Necessity, Documentation and Reimbursable Services Components training will identify the essential elements of documentation based on Short Doyle/Medi-Cal (SD/MC) Standards and will address the importance of Medical Necessity. The training will demonstrate how to accurately complete an assessment, client treatment plan and progress note as well as assist staff in selecting appropriate procedure codes to match the services provided. In addition, the training will clarify Reimbursable Services Components and requirements based on the DMH Organizational Provider's Manual. This training will combine lecture, discussions, handouts and activities that promote the application of these important documentation elements.

TARGET AUDIENCE: DMH and Contract Providers

OBJECTIVES: As a result of attending this training, participants should be able to:

1. Identify the minimum documentation standards for the County of Los Angeles, Department of Mental Health.
2. Discuss Reimbursable Service Components and types of mental health services.
3. Identify core elements of Medical Necessity and the Clinical Loop.
4. Demonstrate the ability to assess and document consumer symptoms, strengths, impairments in an assessment form.
5. Demonstrate the ability to develop goals/objectives and document these in the client treatment plan.
6. Demonstrate ways to link interventions to the identified mental health needs of the consumer in the Progress Note.
7. Identify correct procedure codes to the service provided.
