What are the most frequent diagnostic categories of your client population?

The MHA programs that CSOC oversees provide some of the most intensive level of services to children with SED and their families.

What specific (perhaps unique) training opportunities do students have at your agency?

CSOC coordinates trainings for our agencies that provide services to children. Students may attend some of the trainings depending on their interest.

What evidence based practices or theoretical orientations will students be exposed to at this site?

Systems

Do students have the opportunity to work in a multidisciplinary team environment that includes those with lived experience?

CSOC collaborates with various systems, programs and contract providers throughout Los Angeles County on an administrative level. Examples include with Service Area Navigators, Child Contract Providers, DMH Parent Advocates, Child Welfare Division, DCFS and CSOC analyst team.
