

COUNTY OF LOS ANGELES
DEPARTMENT OF PARKS AND RECREATION

"Parks Make Life Better!"

John Wicker, Director

Norma E. Garcia, Chief Deputy Director

February 11, 2019

Dear Bonelli RV Park Permittee:

The contract between the County of Los Angeles Department of Parks and Recreation and East Shore RV for the operation and management of the Frank G. Bonelli Recreational Vehicle Park (Bonelli RV Park) expired on December 31, 2018 and is currently on a month-to-month basis. As required by County policy, the Department conducted a competitive solicitation to select an operator to manage the facility effective on or about June 1, 2019.

In accordance with County policy, the Department conducted a competitive public solicitation in which East Shore RV and any other qualified individual and/or organization had the opportunity to participate. Members of an independent evaluation committee evaluated all the proposals that were received. Based on the results of the evaluation, a company other than East Shore RV submitted the proposal that was deemed the highest-rated and will be recommended for contract award to the Los Angeles County Board of Supervisors tentatively on April 30, 2019. Upon the Board of Supervisors' approval, the new contract is anticipated to start on or about June 1, 2019.

The Department of Parks and Recreation is committed to ensuring a smooth transition with minimal impact to permittees and minimal disruption in services currently provided at Bonelli RV Park. A community meeting to introduce the selected operator and address any concerns and/or questions will be scheduled in March/April. Details of the meeting will follow via a separate letter and will be posted on the Department's website at parks.lacounty.gov/contracts.

If you have any immediate questions or concerns, please contact Ms. Brenda Tovar at (626) 588-5300. You may also email her at btovar@parks.lacounty.gov.

Sincerely,

Malou Rubio
Deputy Director
