For program and eligibility information regarding the Neighborhood Parks, Healthy Communities, & Urban Greening Program, see Section 2.1.3.

Annual Allocation for both of these program categories are designated to specific Study Areas according to the Parks Needs Assessment. Refer to the attachment below for information on funding allocation by Study Area.

Also available as attachments for this application: Deed Restriction Packets Templates, Language Access Requirements, Minimum Engagement Requirements, Measure A resolution templates, Assignment of Assumptions of Grant Agreement (AAGA) template, and a copy of the grant agreement template for this funding opportunity. Note that certain attachments may only apply to specific grant project proposals, e.g. AAGA will only apply to your grant application if the project involves more than one agency.

Community Outreach and Engagement

REMINDER: Save your progress often! The "Save" button is on the top right of this page.

Start entering your data onto this form by answering the questions below. When you have completed your entry for each section, select "Save."

To resume editing after saving your work, select "Edit" at the top of the screen.

For further assistance when completing this form, select "Help" located on the upper left of this page.

When you have completed the entire form, be sure to "Mark as Complete."

project.

All sections listed below reference the Measure A Grants Administration Manual, unless specified otherwise.

All Measure A grant programs require community outreach and engagement. A Community Engagement Plan must be submitted with each grant application. The Community Engagement Plan must provide the following information: dates, frequency, and outreach methods used or planned to be used; dates of all engagement (planned or completed); scope of planned and/or conducted engagement activities; language access verification and supporting documentation. This plan may need to be updated over the course of the grant. (Section, 3.3)

Project Total Cost

All Measure A grant programs require community outreach and engagement. A Community Engagement Plan must be submitted with each grant application. The Community Engagement Plan must provide the following information: dates, frequency, and outreach methods used or planned to be used; dates of all engagement (planned or completed); scope of planned and/or conducted engagement activities; language access verification and supporting documentation. This plan may need to be updated over the course of the grant. (Section, 3.3)

this project? Based on the total project cost, your agency/organization must complete Information Sharing, Concurrent Engagement, and Dedicated Participatory Engagement for this

What is the estimated TOTAL cost for

\$100,000 - \$499,999 ▼

t d Yes – Our Agency/Organization has reviewed ▼ is

Language Access Requirements

When conducting community outreach and engagement, cultural and language sensitivities must be considered to encourage participation from groups that typically face barriers and are less likely to participate in public process collaborations. To ensure truly inclusive practices, all outreach and engagement conducted for Measure A-funded projects must adhere to the language access requirements. LANGUAGE ACCESS REQUIREMENTS

Our agency/organization has reviewed the language access requirements.	LANGUAGE ACCESS REQUIREMENTS
Our agency has a TIER 1 Requirement (Language(s) with isolation of 15% or greater) all written materials must be translated; all workshops and meetings must provide interpretation services	Arabic Armenian Cambodian Chinese
Our agency has a TIER 2 Requirement (Language(s) with isolation of 5- 14.99%) key written materials must be translated; workshops and meetings must provide interpretation services upon request	Arabic Armenian Cambodian Chinese
Our agency has a TIER 3 Requirement (Language(s) with isolation of 1- 4.99%) recommended, but not required	Arabic Armenian Cambodian Chinese

Information Sharing (IS)

Information Sharing is community engagement that educates and informs community members of potential and ongoing projects, facility needs and challenges, funding opportunities, and available programs and services.

Has your agency/organization conducted Information Sharing outreach for this project?	Nov
How will you engage the community on this project?	
	1,500 characters
What type of information sharing outreach will you use to engage the community?	
When does your agency/organization	1,500 characters
anticipate engaging the community regarding this project?	mm/yyyy mm/yyyy mm/yyyy
Concurrent Participatory Engagen	nent (CPE)
	ncurrently with other public meetings or events. CPE may include, but is not limited to: meetings scheduled around community plans, In meetings, or speical community events that aim to engage the community and solicit feedback that pertains to spending priorites within
Has your agency/organization	

Engagement for this project?
Dedicated Participatory Engagement (DPE)
Community engagement dedicated to discussing specific project(s) with Measure A funding needs. These meetings must focus entirely on parks and open space projects, plans, or priorities and may not include agenda items that do not pertain to specific projects, plans, or priorities. Examples of acceptable DPE include but are not limited to: public workshops or meetings; design charrettes; collective design/visioning; community mapping; model making; and participatory budgeting.

Has your agency/organization completed Dedicated Participatory Engagement for this project?
