

# Provide Industry Knowledge for the benefit of the community

Evaluators will offer valuable expertise by reviewing applicants' budgets, timelines, program goals, and program readiness. This process will help distribute grant funding based on the level of need, community partnerships, community engagement, program benefits and to determine an organization's financial health. RPOSD seeks to fund programs that will have a positive impact on communities with the highest park need. The evaluation process will ensure that the selected programs will deliver improved access to parks and recreation and job training and placement opportunities for youth and veterans across Los Angeles County.

Contribute your expertise by sharing your passion for creating outstanding park, recreation, and open space experiences for Los Angeles County residents. Grant application evaluators are integral to the success of these programs. If you are interested in participating and would like to become a part of the Evaluation Panel with RPOSD, please contact:

**Competitive Grant Evaluator**

The Los Angeles County Regional Park and Open Space District (RPOSD) is seeking experts with knowledge and experience reviewing two separate competitive grant programs: Recreation Access and Youth & Veteran Job Training and Placement Programs. These qualified individuals will be part of a multidisciplinary team tasked with evaluating competitive grant applications to provide high-quality job training and placement programs in the parks and recreation field and to provide recreational programming that increases access to public lands and park facilities and amenities for Los Angeles County residents and visitors. This panel will be an integral part of the scoring and evaluation process and shall offer diverse points of view with the goal of selecting successful grant applications.

# We are looking for evaluators for the 2022 Competitive Grant Programs. Evaluators will receive compensation in the form of a stipend.

Evaluators must not be affiliated or have a conflict with reviewing the applications. The amount of the stipend will vary depending on the grant program and total hours needed to complete the evaluation process.

Evaluators are needed for two programs:

## Recreation Access

Funding will be granted for programs that increase Los Angeles County residents' accessibility to public lands, park facilities, and park amenities, including education, interpretive services, safety information, transportation, and other activities, especially for those in high and very high-need areas.

## Youth & Veteran Job Training and Placement

Funding will be granted for education, skills training (career development), certification, and job placement programs in the field of parks and recreation for youth and veterans across Los Angeles County.

Estimated time commitment for evaluators is to be determined based on the number of applications that reach the evaluation phase.
