

# Our Neighborhood Parks, Water Resources and Open Space

Parks, open space and natural water resources are vital to life here in LA. These natural areas help make our community a wonderful place to live and protect our quality of life, as we all spend so much time indoors and in our cars.

For over 20 years, our community has relied on local, voter-approved funding to protect and maintain our neighborhood parks, outdoor areas and water resources—and now this funding is expiring. When this funding expires, we will lose the only source of dedicated local funding for our neighborhood parks.

## Repair and Upgrade Neighborhood Parks

Local funding helps to ensure we can upgrade playground equipment, parks, recreation centers and senior centers so they are safe and meet the needs of our community.

## Keep Kids Safe and Out of Trouble

Kids in our community need safe places to play and opportunities to participate in after school programs. Safe, clean parks and recreation centers are key to helping keep kids off the streets and out of trouble.

## Water Conservation

We are four years into a historic drought, making water conservation critical. The implementation of drought-tolerant plants and use of recycled water and rainwater all help to reduce the amount of water wasted, saving money and protecting our local water resources.

## Protect Our Last Open Spaces

Most of the remaining undeveloped open spaces and natural areas in LA County are located next to rivers, creeks, streams and lakes. Our parks help to protect and preserve these undeveloped natural areas for future generations.

## Potential Local Ballot Measure

The County is preparing a potential ballot measure that would provide stable, local funding for our parks and open space.

## Local Funding Supports Safe, Clean Neighborhood Parks by:

- Protecting clean water resources, including rivers and creeks
- Reducing gang activity
- Ensuring drinking water is safe at park and recreation centers
- Providing safe places to play
- Removing asbestos, mold and lead paint from aging recreation centers
- Protecting and preserving parks and natural areas
- Keeping beaches open, clean and safe

# Protecting Our Parks Here in Pasadena

Since 1992, Pasadena has received funds from the LA County Regional Park and Open Space District to repair and upgrade our parks and recreation facilities, including:

- Rose Bowl Aquatics Center
- Pasadena Senior Center
- Allendale Park
- Jefferson Park
- Hahamongna Watershed Park
- Athletic Field Lighting at Muir High School, Pasadena High School and Washington Middle School
- McDonald Park
- Victory Park
- Villa-Parke Community Center
- San Rafael Park
- Brenner Park
- Eaton Blanche Park
- Hamilton Park
- Central Park
- Singer Park
- Memorial Park
- Brookside Park
- Villa-Parke Park
- Fannie Morrison Center
- Lower Arroyo Seco Park
- Washington Park
- La Pintoresca Park
- Washington Park
- Grant Park
- Fannie Morrison Kidspace Museum
- Central Arroyo Seco Trail Restoration Project
- Annandale Canyon Open Space Trail Access & Trail Improvement Project

## Needs Assessment to Identify Top Priorities for Our City

Much still needs to be done for our local parks.

To help identify the most critical needs facing each area, LA County is conducting a community-based needs assessment.

To learn more about needs facing our community, go to [LACountyParkNeeds.org](http://LACountyParkNeeds.org).
