1.0 INTRODUCTION

1.1 PURPOSE

The Los Angeles County Department of Public Social Services (DPSS) is seeking qualified vendors who are interested in operating the Los Angeles County’s Statewide Fingerprint Imaging System (SFIS) terminals and providing other clerical services, as needed, when not operating the SFIS system.

The County requires clerical services to obtain, input, and transmit appropriate information using the SFIS computer terminals. Under the current contract there are 44 long-term clerical operators and sufficient backup clerical operators who operate 44 SFIS workstations located in 31 DPSS district offices and one clerk in the Men’s Central Jail. The clerks assist with other clerical duties when not covering the terminals.

The clerks are responsible for fingerprint imaging approximately 18,098 General Relief (GR) applicants and 12,908 California Work Opportunity and Responsibility to Kids (CalWORKs) applicants each month. An estimated 269,390 GR participants and approximately 156,450 CalWORKs participants have been served from January 2011 through December 2011. The number of terminals, and thus the need for operators, may increase or decrease during the term of the contract. All numbers are projections and not intended to guarantee minimum or maximum needs.

In October 1990, DPSS contracted with a private vendor to develop the Automated Fingerprint Image Reporting and Match (AFIRM) system to provide DPSS with a tool for eliminating multiple aid fraud and ensure that assistance is paid only to eligible persons. The AFIRM system was implemented in June 1991 to fingerprint applicants and recipients of the County’s GR Program for indigent adults not eligible for assistance under state and federal categorical aid programs.

In March 1993, DPSS received federal approval to expand AFIRM to the Aid to Families with Dependent Children (AFDC) Program, now known as California Work Opportunity and Responsibility to Kids (CalWORKs) Program. CalWORKs is a federally mandated public assistance program to provide financial assistance to eligible families with dependent children.

In May 1995, DPSS received federal approval to expand AFIRM to the Food Stamp Program (now referred to as the CalFresh Program), which is a federal program designed to allow low-income households to obtain a more nutritious diet. State approval and subsequent fingerprint imaging of Food Stamp applicants and recipients commenced in June 1996 and ended January 1, 2012.

In November 2000, AFIRM was replaced by the Statewide Fingerprint
Imaging System (SFIS). The current contract for SFIS terminal contract operators expires **September 30, 2013**.

The term of this Contract shall be for three (3) years commencing after execution by County’s Board of Supervisors, unless sooner terminated or extended, in whole or in part, as provided in this contract. 1.10 FINAL CONTRACT AWARD BY THE BOARD OF SUPERVISORS

Notwithstanding a recommendation of a county department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant Contract, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

1.11 MANDATORY REQUIREMENT TO REGISTER ON COUNTY’S WEBVEN

Prior to the contract award, all potential Contractors must register on the County’s WebVen. The WebVen contains the vendor’s business profile and identifies the goods/services the business provides. Registration can be accomplished online via the Internet by accessing County’s home page at: http://doingbusiness.lacounty.gov

Additionally, any actual Proposer may request a review of a disqualification or of a proposed contract award under such a solicitation, as described respectively in the Sections below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed contract award.

1.13.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.13.3 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of a solicitation for a Board-approved services contract provided for under Board Policy No. 5.055 are limited to the following:

1.14.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective bid/proposal which are "Trade Secrets," "Confidential," or "Proprietary" in nature.

1.15 INDEMNIFICATION AND INSURANCE

Contractor shall be required to comply with the indemnification provisions contained in the Appendix A, Sample Contract, Indemnification, Subsection 8.22. 1.18 BACKGROUND AND SECURITY INVESTIGATIONS

Background and security investigations of Contractor’s staff shall be required at the discretion of the County as a condition of beginning and continuing work under any resulting contract. The cost of background checks is the responsibility of the Contractor.

Disqualification of any Contractor personnel due to a background check shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this contract.

1.19 CONFIDENTIALITY AND INDEPENDENT CONTRACTOR STATUS

As appropriate, Contractor shall be required to comply with the Confidentiality provision contained in Subsection 7.5 Appendix A, and the Independent Contractor status provision contained in Subsection 8.21 Appendix A, Sample Contract.

1.20 CONFLICT OF INTEREST

No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFP, or any competing RFP, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer shall certify that it is aware of and has read Section 2.180.010 of the Los Angeles County Code, as stated in Certification of No Conflict of Interest, in Appendix D, Required Forms, Exhibit 5.

1.21 DETERMINATION OF PROPOSER RESPONSIBILITY

1.21.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Proposers.
1.21.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer’s performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations, which are the fault of the subcontractors and of which the Proposer had no knowledge, shall not be the basis of a determination that the Proposer is not responsible.

1.21.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a non-profit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.21.4 If there is evidence that the highest ranked Proposer may not be responsible, County will notify Proposer of the evidence relating to the Proposer’s responsibility, and its intention to recommend to the Board of Supervisors that Proposer be found not responsible. County will provide Proposer and/or its representative with an opportunity to present evidence as to why Proposer should be found to be responsible and to rebut evidence that is the basis for County’s recommendation.

1.21.5 If the Proposer presents evidence in rebuttal to the Department, the Department will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

1.21.6 These terms shall also apply to proposed subcontractors/sub consultants of Proposers on County contracts.

1.22 PROPOSER DEBARMENT

1.22.1 The Proposer is hereby notified that, in accordance with Chapter
2.202 of County Code, refer to Appendix K, Title 2 Administration-Determinations of Contractor Non-Responsibility and Contractor Debarment Ordinance, County may debar Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, not to exceed five (5) years, but may exceed five (5) years or be permanent if warranted by the circumstances. County may terminate any or all of the Proposer’s existing contracts with the County, if the Board finds, in its discretion, that Proposer has done any of the following: 1) violated a term of the contract with the County or a nonprofit corporation created by the County, 2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, 3) committed an act or offense which indicates a lack of business integrity or business honesty, or 4) made or submitted a false claim against the County or any other public entity.

1.22.2 If there is evidence that the highest ranked Proposer may be subject to debarment, County will notify Proposer of the evidence which is the basis for the proposed debarment, and shall advise Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

1.22.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

1.22.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of
the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

1.22.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.22.7 The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.22.8 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.22.9 Appendix J provides a link to the County’s website where there is a listing of Contractors that are currently on the Debarment list for Los Angeles County:
http://doingbusiness.lacounty.gov/DebarmentList.htm

Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).

1.24 GRATUITIES

1.24.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for Proposer in the award of the contract or that the Proposer's failure to provide such consideration may negatively affect County's consideration of the Proposer's submission. Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the contract.

1.24.2 Proposer Notification to County

The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration.

1.24.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.25 NOTICE TO PROPOSERS REGARDING THE COUNTY LOBBYIST ORDINANCE

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise, or contract must
certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix D - Required Forms Exhibit 6 as part of their proposal.

1.26 FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015, as set forth in Appendix L.

1.27 CONSIDERATION OF GAIN/GROW PARTICIPANTS FOR EMPLOYMENT

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Additionally, Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall complete and return the form, Attestation of Willingness to Consider GAIN/GROW Participants, as set forth in Appendix D - Required Forms, Exhibit 9, along with their proposal.

1.28 COUNTY’S QUALITY ASSURANCE PLAN

After contract award, the County or its agent will evaluate the Contractor's performance under the contract on a periodic basis. Such evaluation will include assessing Contractor's compliance with all terms in the contract and performance standards identified in the Statement of Work. Contractor's deficiencies which the County determines are severe or continuing and that may jeopardize performance of the contract will be
reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the contract in whole or in part, or impose other penalties as specified in the contract.

1.29 RECYCLED BOND PAPER

Proposer shall be required to comply with the County’s policy on recycled paper as specified in Appendix A, Sample Contract, Section 8.0, Subsection 8.38, Recycled Bond Paper.

1.30 SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Appendix C Exhibit B-15 of this solicitation document and is also available on the Internet at www.babysafela.org for printing.

1.31 COUNTY POLICY ON DOING BUSINESS WITH SMALL BUSINESS

1.31.1 The County has multiple programs that address small businesses. The Board of Supervisors encourages small business participation in the County’s contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

1.31.2 The Local Small Business Enterprise Preference Program requires the company to complete a certification process. This program and how to obtain certification are further explained in Subsection 1.33 of this Section.

1.31.3 The Jury Service and Living Wage Programs provide exceptions to the Programs if a company qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other. Further explanations of these two Programs are provided in Subsection 1.32 - Jury Service Program and Subsection 1.37 Living Wage Program of this Section.

1.31.4 The County also has a Policy on Doing Business with Small Business that is stated in Appendix I.

1.32 JURY SERVICE PROGRAM

The prospective contract is subject to the requirements of the County's
Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix C, Exhibit B-14, and the pertinent jury service provisions of the Sample Contract, Appendix A, Subsection 8.8, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.32.1 The Jury Service Program requires Contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means forty (40) hours or more worked per week, or a lesser number of hours if 1) The lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on County’s project. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program.

1.32.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor.” The Jury Service Program defines “Contractor” to mean a person, partnership, corporation or other entity that has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation.” The
second exception applies to Contractors that possess a collective bargaining Contract that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining Contract.

1.32.3 If a Contractor does not fall within the Jury Service Program's definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Appendix D - Required Forms, Exhibit 10, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining Contract, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

1.33 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM

1.33.1 The County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by Internal Services Department as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

1.33.2 To apply for certification as a Local SBE, businesses may register with Internal Services Department at http://laosb.org

1.33.3 Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach the Local SBE Certification Letter to the Required Form - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form – Appendix D, Required Forms, Exhibit 7, with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.33.4 Information about the State’s small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available

1.33.5 A business which is certified as small by the Small Business Administration (SBA) or which is registered as small on the federal Central Contractor Registration data base may qualify to request the Local SBE Preference in a solicitation.

1.33.6 Businesses must complete the Appendix D- Required Form, Exhibit 7, Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form, with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain the Local SBE Preference.

1.34 LOCAL SMALL BUSINESS ENTERPRISE PROMPT PAYMENT PROGRAM

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County Departments. Prompt payment is defined as 15 calendar days after receipt of an undisputed invoice.

1.35 NOTIFICATION TO COUNTY OF PENDING ACQUISITIONS/MERGERS BY PROPOSING COMPANY

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Appendix D, Required Forms, Exhibit 1, Proposer’s Organization Questionnaire/Affidavit. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration.

1.36 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

1.36.1 In evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three (3) years, an entity that: 1) is a non-profit organization recognized as tax exempt pursuant to section 501 (c) (3) of the IRS Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to the Department with their bid response to the purchasing or contracting solicitation for which they are competing; 2) has been in operation for at least one year providing transitional job and the related supportive services to
1.36.2 Transitional Job Opportunities vendors must request the preference in their solicitation responses and may not receive the preference until the applicable department has affirmed their certification. County must verify the vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

1.36.3 To request the Transitional Job Opportunities Preference, Proposer must complete Appendix D, Required Forms, Exhibit 20, Transitional Job Opportunities Preference Applications, Ordinances & Policies, and Other Forms, and submit it along with all supporting documentation with their proposal.

1.37 LIVING WAGE PROGRAM

The prospective contract is subject to the requirements of the County’s Living Wage Program (Los Angeles County Code Chapter 2.201). Prospective Contractors should carefully read the Living Wage Program, in Appendix D, Exhibit 15. The Living Wage Program applies to both Contractors and their subcontractors. Proposals that fail to comply with the requirements of the Living Wage Program may be considered non-responsive and excluded from further consideration.

1.37.1 Evaluation of Proposer’s History of Labor Law/Payroll Violations will be completed. In evaluating proposals, the County will review a Proposer’s history of labor law/payroll violations (including but not limited to violations or pending claims pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination). To facilitate this process, Proposers must submit with their proposal a completed Acknowledgment and Statement of Compliance form, as set forth in Appendix D, Required Forms, Exhibit 15, and disclose on that form: 1) any determination by a public entity within three (3) years of the date of the proposal that the Firm committed a labor law/payroll violation, and 2) any pending claim which involves an incident of labor law/payroll violation occurring within three years of the date of the proposal. Applying established criteria, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violations, with substantially increased deductions for a Contractor’s failure to
disclose reportable violations (See Appendix P "Guidelines for Assessment of Proposer Labor Law/Payroll Violations"). "Pending claims" (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board of Supervisors before a contract is awarded.

1.37.2 If a Proposer believes that it does not fall within the Living Wage Program’s definition of Employer or that it meets any of the exceptions to the Living Wage Program, then the Proposer must complete and submit to the County, **no less than 10 days prior to submission of the proposal, the Application for Exemption, as set forth in Appendix D - Required Forms Exhibit 18**, and include in its submission all necessary documentation to support the claim such as tax returns or a collective bargaining Contract, if applicable. Upon reviewing the Proposer’s application, the County will determine, in its sole discretion, whether the Proposer falls within the definition of Employer or meets any of the exceptions to the Living Wage Program. The County’s decision will be final.

Note that the collective bargaining Contract exception applies if it is demonstrated to the County that the Contract is bona fide and that the Contract expressly provides that it supersedes all of the provisions of the Living Wage Program, or (if not all) those specific provisions that are superseded. The Contractor is subject to any provision of the Living Wage Program not expressly superseded by the collective bargaining Contract.

1.37.3 The Living Wage Program requires Contractors and their subcontractors to pay their full-time employees providing services to the County no less than a living wage. The County has established the Living Wage as $11.84 per hour without health benefits, and $9.64 per hour with health benefits. In order to qualify for paying the lower hourly Living Wage rate, the Contractor must pay at least $2.20 per hour toward the provision of a bona fide health care benefit plan for each employee and any dependents. Each Proposer must complete the Contractor Living Wage Declaration, as set forth in Appendix D - Required Forms, Exhibit 17, and submit it with the proposal.

1.37.4 The Proposer must submit with its proposal a staffing plan using the Model Contractor Staffing Plan, as set forth in Appendix D - Required Forms, Exhibit 19, using full-time employees for the Contract. The Proposer will be required to assign and use full-time employees to provide services under the contract, unless the Proposer demonstrates to the satisfaction of the County the need to use non-full-time employees based on staffing efficiency or the County requirements of an individual job. If a Proposer
wishes to assign and use non-full-time employees to provide services under the contract, the Proposer must submit to the County, along with its proposal, a written request detailing the Proposer’s request and justification, and providing all necessary documentation to substantiate the request. Based on the County’s review of the Proposer’s request and supporting documentation, the County shall determine, in its sole discretion, whether the Proposer may use non-full-time employees to provide services under the contract. The County’s decision will be final.

1.37.5 If the contract involves the provision of services which were previously provided under a contract that was or will be terminated prior to its expiration, then the Contractor is required to provide employment for the predecessor Contractor’s employees. The Contractor must offer employment to all such retention employees who are qualified for such jobs and who were employed by the predecessor Contractor for at least six (6) months prior to the new contract. However, the Contractor is not required to hire a retention employee who has been convicted of a crime related to the job or the employee’s job performance or who fails to meet any other County requirement for employees of the Contractor. The Contractor may not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor’s other employees.

1.37.6 Throughout the term of the contract, the Contractor and its subcontractor(s) will be required to submit periodic monitoring reports for each employee providing services under the contract, certifying under penalty of perjury, the hours worked, wages paid and amounts paid towards each employee’s health benefits.

• At any time during the term of the contract, the County may conduct an audit of the Contractor’s records as well as field visits with the Contractor’s employees to ascertain compliance with the Living Wage Program.

• The Contractor will be required to place specified Living Wage posters at the Contractor’s place of business and locations where the Contractor’s employees are working. The Contractor will also be required to distribute County-provided notices to each of its employees providing services to the County at least once per year.

1.37.7 The Proposer will have to demonstrate a history of business stability, integrity in employee relations and financial ability to pay the Living Wage.
1.37.8 Violations of the provisions of the Living Wage Program will subject the Contractor to withholding of monies owed the Contractor under the contract, liquidated damages, possible termination and/or debarment from future County contracts in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment, Appendix K.

1.37.9 Contractors that submit false information may be barred from participating in the prospective contract and future County contracts in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment, Appendix K.

1.38 PROPOSER’S CHARITABLE CONTRIBUTIONS COMPLIANCE

1.38.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Prospective Contractors should carefully read the Background and Resources: California Charities Regulations, Appendix N. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices, and documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

1.38.2 All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, as set forth in Appendix C, Exhibit B-19 -. A completed Exhibit B-19 is a required part of any Contract with the County.

1.38.3 In Exhibit 19, prospective Contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County contract,

A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

1.39 DEFAULTED PROPERTY TAX REDUCTION PROGRAM

The prospective County Contractor is subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix O, and the pertinent provisions of the Sample Contract, Appendix A, Subsections 8.51 and 8.52, both of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program, Appendix D – Required Forms, Exhibit 21. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance Contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

2.9.7 **Terms and Conditions in Sample Contract, and Requirements of the Statement of Work (SOW): Acceptance of/or Exceptions to (Section E)**

A. It is the duty of every Proposer to thoroughly review the Appendix A, Sample Contract, Appendix B,
Statement of Work and Appendix C, SOW Exhibits, to ensure compliance with all terms, conditions, and requirements. It is the County’s expectation that in submitting a proposal the Proposers will accept, as stated, the County’s terms and conditions in the Appendix A, Sample Contract and the County’s requirements in the Appendix B, Statement of Work and Appendix C, SOW Exhibits. However, the Proposers are provided the opportunity to take exceptions to the County’s terms, conditions, and requirements, as instructed in B and C below.

The County reserves the right to deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

2.9.9 Living Wage Compliance (Section G)

The Living Wage Program requires that Proposers demonstrate during both the solicitation process and for the term of their contract business stability, integrity in employee relations, and the financial ability to pay the living wage. The Living Wage Forms included in Appendix D, Required Forms, should be completed, signed, and included in the Business Proposal.

A. Financial Capability

Provide copies of the company’s most current and prior two (2) fiscal years (for example 2011 and 2010) financial statements. Statements should include the company's assets, liabilities, and net worth and at a minimum should include the Balance Sheet, Statement of Income, and the Statement of Cash Flows. It should be noted that depending on the nature of the entity, i.e., for-profit, non-profit, governmental, the title of these statements may differ. For example, for a non-profit entity the Balance Sheet is referred to as the Statement of Financial Position. If audited statements are available, these should be submitted to meet this requirement. Do not submit Income Tax Returns to meet this requirement. Financial statements will be kept confidential if so stamped on each page.

B. Proposer’s Staffing Plan

Proposer must submit a staffing plan that is comprised of full-time employees, unless the Proposer can demonstrate to the County the necessity of part-time staff. If a staffing plan contains part-time employees, Proposer must submit written justification for the use of part-time staff. A sample for the staffing plan is shown in Appendix D, Required Forms, Exhibit 19, Model Contractor Staffing Plan.

C. Proposer’s Acknowledgement and Statement of Compliance

The Acknowledgement and Statement of Compliance,
Appendix, D, Exhibit 15 is a statement, under penalty of perjury, that there were no past labor violations of any federal, State, County or City statutes.

Should the Proposer have violations to report, Proposer shall provide a listing of projects and a brief description of the circumstances regarding the violation(s) on Appendix D, Exhibit 16, Acknowledgement and Statement of Compliance Labor/ Payroll/Debarment History.

D. Contractor Living Wage Declaration

The Proposer Living Wage Declaration, Appendix D, Required Forms, Exhibit 17 is a statement that the Proposer will be paying its employees the Living Wage hourly rate. If the Contractor has received notice from the County that they are exempt from the Living Wage Program, this form should not be included.

E. Submit a copy of the health plan benefits provided for the employees. Indicate the dollar value of the health plan on an hourly basis.

F. Proposer’s Approach to Labor-Payroll Record Keeping and regulatory Compliance - Limit to Five (5) Pages

Proposer is required to comply with State and federal labor regulations and record keeping requirements. The objective of this Sub-section is to determine the appropriateness, scope, and suitability of the procedures Proposer uses and the internal controls in place to ensure compliance with State and Federal labor regulations and record keeping requirements. In order to appropriately evaluate this area, it is critical that Proposer submit a detailed description of the processes, and the steps associated with those processes.

Proposers should provide additional details to ensure a clear picture of the firm's processes and controls. Proposers must answer all questions thoroughly and in the same sequence as provided below. If Proposer believes that a question is not applicable, indicate with “N/A,” and explain why that question is not applicable.

Proposer should describe the firm’s employee labor-payroll record keeping system and the controls in place that ensure ongoing regulatory compliance. Include, at a
minimum, a detailed discussion of the following:

1) Discuss how employee hours actually worked are tracked. The detailed explanation should include:

   a) Where do firm’s employees report to work at the beginning of their shift? At the work location or a central site with travel to the worksite? If the latter is the firm’s practice/process, when does the firm consider the employees’ shift to have started? At a central site or upon arrival at the work location?

   b) How does the firm know employees actually reported to work and at what time? For example, sign-in sheets, computerized check-in, call-in system, or some other method.

   c) What records are created to document the beginning and ending times of employee’s actual work shifts? What records are maintained by the firm of actual time worked? Are the records maintained daily or at another interval (indicate the interval)? Who creates these records (e.g., employee, a supervisor, or office staff)? Who checks the records and what are they checking for? What happens to these records? Are they used as a source document to create the firm’s payroll? Provide a copy of these records.

   d) If the records created in response to Sub-paragraph “c” above are not used to create the payroll, what is the source document that is used? Who prepares and who checks the source document? Does the employee sign it? Who approves the source document and what do they compare it with prior to approving the source document?

   e) How does the firm know that employees take mandated breaks and meal breaks (periods)? Does the firm maintain any written supporting documentation to
validate that the breaks actually occurred? If so, who prepares, reviews, and approves such documentation?

2) Discuss how the firm’s payroll is prepared and how the firm ensures that employee wages are appropriately paid. The detailed explanation should include:

a) How are employees paid (e.g., manually issued check, cash, automated check, or combination of methods)? If by check, do they receive a single check for straight time and overtime or are separate payments made? What information is provided on the check (e.g., deductions for taxes, etc.)? **Provide a copy of a check and check stub** (cover up or block out bank account information) that shows deduction categories.

b) If the firm uses a manual payroll system, describe the steps the person preparing the payroll takes to create a check, starting from the source document through the issuance of a check. If the employee has multiple wage rates (i.e., County’s Living Wage rate for County work and the firm’s standard rate for other non-County work), how does the person preparing the payroll calculate total wages paid?

c) If the firm uses an automated payroll system or contracts for such automated payroll services to an outside firm, describe the steps taken to prepare the payroll. If the employee has multiple wage rates (i.e., County’s Living Wage rate for County work and the firm’s standard rate for other non-County work), how does the automated payroll system calculate total wages paid? Is it embedded in the software program or does someone have to override the system to perform the calculation?

d) How is travel time during an employee’s shift paid? At what rate is such travel time paid if the employee has multiple wage...
rates? Discuss how the firm calculates the day’s wages for each situation described in the following two examples: 1) during a single shift, an employee works 3 hours at a work location under a County Living Wage contract, then travels an hour to another work location to work 4 hours, where they are paid at a different rate than the County’s Living Wage rate and 2) during a single shift, an employee works 3 hours at a work location under a County Living Wage contract, then travels an hour to another work location to work 4 hours, where they are also paid the County’s Living Wage rate.

e) How does the firm calculate overtime wages? What if the employee has multiple wage rates?

2.10 COST PROPOSAL FORMAT AND INSTRUCTIONS

3.0 SELECTION PROCESS AND EVALUATION CRITERIA

3.1 SELECTION PROCESS

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate, and select the successful proposal(s). The selection process will begin with receipt of the proposals on Tuesday, February 5, 2013, at 12:00 PM.

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department. The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor.

All proposals will be evaluated based on the criteria listed below. All proposals will be scored and ranked in numerical sequence from high to low. The County may also, at its option, invite Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The
Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

The selected proposal(s), the number of contracts recommended for award, and/or the preliminary contract award amount(s), are subject to change due to the County-wide Solicitation Protest process. The Department's intent to recommend a contract award to a prospective Contractor and enter into negotiations may be withdrawn at the sole discretion of the County.

After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a contract will not bind the Board of Supervisors to award a contract to the prospective Contractor.

The County retains the right to select a Proposal other than the Proposal receiving the highest number of points if County determines, in its sole discretion, another Proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

3.2 ADHERENCE TO MINIMUM REQUIREMENTS (PASS/FAIL)

County shall review the Proposer's Organization Questionnaire/Affidavit – Appendix D- Required Forms, Exhibit 1, and determine if the Proposer meets the minimum requirements as outlined in Sub-paragraph 1.4 of this RFP. Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.

3.3 DISQUALIFICATION REVIEW

A proposal may be disqualified from consideration because the Department determined it was non-responsive at any time during the review/evaluation process. If DPSS determines that a proposal is disqualified due to non-responsiveness, DPSS shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written Transmittal to Request a Disqualification Review, Appendix F, within the timeframe specified in the written determination. A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all
of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;

2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

3.4 BUSINESS PROPOSAL EVALUATION AND CRITERIA (55%)

Any reviews conducted during the evaluation of the proposal may result in a point reduction.

3.4.1 Proposer’s Qualifications (20 %)

1) Proposer will be evaluated on their experience and capacity as a corporation or other entity to perform the required services based on information provided in Paragraph 2.9.4, Section B.1, of the proposal.

2) Proposer will be evaluated on the verification of references provided in Section B.2 of the proposal. In addition to the references provided, a review will include the County’s Contract Database and Contractor Alert Reporting Database, if applicable, reflecting past performance history on County or other contracts. This review may result in point deductions up to 100% of the total points awarded in this evaluation category. Additionally, a review of terminated contracts will be conducted which may result in point deductions.

3) A review will be conducted to determine the magnitude of any pending litigation or judgments against the Proposer as provided in Paragraph 2.9.4, Section B.3 of the proposal.

3.4.2 Proposer’s Past Performance and Experience (10%)

1) Relevance and suitability of the firm’s prior experience and performance in providing similar services related to the similar scope and size of this project.
2) Evaluation of the firm’s references and successful provisions of services to other clients of similar size, to determine overall satisfaction level of customers. In addition to the references provided, a review will include the County’s Contract Database reflecting past performance history on County contracts, a review of terminated contracts.

3) An evaluation and analysis of the Proposer’s financial statements will be complete by the County of Los Angeles’ Auditor-Controller, to determine the financial stability and capability of the company to deliver agreed upon services throughout the term of Contract.

A. A determination by County of the magnitude of any pending litigation.

B. Applying established criteria, the County may deduct from 1 to 20 percent of the maximum number of available overall evaluation points for labor law/payroll violations, with substantially increased deductions for a Contractor’s failure to disclose reportable violations (Reference Appendix P, “Guidelines for Assessment of Proposer Labor Law/Payroll Violations”).

3.4.3 Proposer’s Approach to Providing Required Services (10 %)

The Proposer will be evaluated on its description of the methodology to be used to meet the County’s requirements based on information provided in Paragraph 2.9.5, Section C of the proposal.

3.4.4 Quality Control Plan (5 %)

The Proposer will be evaluated on its ability to establish and maintain a complete Quality Control Plan to ensure the requirements of this contract are provided as specified. Evaluation of the Quality Control Plan shall cover the proposed monitoring system of all services listed in Appendix C, SOW Exhibits, Exhibit B-1, Performance Requirements Summary (PRS) based on the information provided in Section D, of the proposal. (See RFP, Paragraph 2.9.6)

3.4.5 Exceptions to Terms and Conditions of Sample Contract and/or Requirements of the Statement of Work

Proposer will be evaluated on their willingness to accept the Terms and Conditions outlined in the Sample Contract, Appendix
A, the Requirements of the Appendix B, Statement of Work and Appendix C, SOW Exhibits, as stated in Section E, of the proposal.(See RFP, Paragraph 2.9.7). The County may deduct rating points or disqualify the proposal in its entirety if the exceptions are material enough to deem the proposal non-responsive.

Proposers are further notified that the County may, in its sole determination, disqualify any Proposer with whom the County cannot satisfactorily negotiate a contract.

3.4.6 Living Wage Compliance (10%)

A review/evaluation will be made based on the information provided in Paragraph 2.9.10, Section G of the proposal. The review/evaluation will include:

1) Financial Capability

2) Proposer’s Staffing Plan

3) Demonstrated Controls over Labor/Payroll Record Keeping

   a) Proposer will be evaluated on the firm’s labor/payroll record keeping system and regulatory compliance information provided in Paragraph 2.9.10, Section G, of the proposal.

   b) The County may conduct site visits to audit a Proposer’s labor/payroll record keeping system and processes.

3.5 COST PROPOSAL EVALUATION CRITERIA (45%)

The maximum number of possible points will be awarded to the lowest cost proposal. All other proposals will be compared to the lowest cost and points awarded accordingly. However, should one or more of the Proposers request and be granted the Local SBE Preference and/or Transitional Job Opportunities Preference, the cost component points will be determined as follows:

Local SBE Preference: Eight percent (8%) of the lowest cost proposed will be calculated, which shall not exceed $50,000, and that amount will be deducted from the cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

Transitional Job Opportunities Preference: Eight percent (8%) of the lowest cost proposed will be calculated and that amount will be deducted from the cost submitted by all Proposers who requested and were granted
the Transitional Job Opportunities Preference.

3.6 LABOR LAW/PAYROLL VIOLATIONS

Applying criteria as established in Appendix M of this RFP, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violations, with substantially increased deductions for a Proposer's failure to disclose reportable violations. "Pending claims" (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board of Supervisors before a contract is awarded.

3.7 DEPARTMENT'S PROPOSED CONTRACTOR SELECTION REVIEW

3.7.1 Departmental Debriefing Process

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Paragraph 3.7.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

3.7.2 Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this Section may submit a written Transmittal to Request a Proposed Contractor Selection Review, Appendix G, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the
Department’s sole discretion, be denied if the request does not satisfy all of the following criteria:

1) The person or entity requesting a Proposed Contractor Selection Review is a Proposer;

2) The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);

3) The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:

   a) The Department materially failed to follow procedures specified in its solicitation document. This includes:

      (i) Failure to correctly apply the standards for reviewing the proposal format requirements.

      (ii) Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.

      (iii) Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.

   b) The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.

   c) A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation

   d) Another basis for review as provided by state or federal law; and

4) The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department’s alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before
the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a review by a County Review Panel (see Section 3.8 below).

3.8 COUNTY REVIEW PANEL PROCESS

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written Transmittal to Request a County Review Panel, Appendix H, in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for review by a County Review Panel may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1) The person or entity requesting review by a County Review Panel is a Proposer;

2) The request for a review by a County Review Panel is submitted timely (i.e., by the date and time specified by the Department); and

3) The person or entity requesting review by a County Review Panel has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Paragraph 3.7.2 above. Upon completion of the County Review Panel's review, the Panel will forward its report to the Department, which will provide a copy to the Proposer.

The provisions of this subparagraph shall be inserted into any such subcontracts Contract and a copy of the Jury Service Program shall be attached to the Contract.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County’s satisfaction that the Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that the Contractor continues to qualify for an exception to the Program.

4. Contractor’s violation of this subparagraph of the Contract may constitute a material breach of the Contract. which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

If applicable to Contractor’s operations, coverage also shall be arranged to satisfy the requirements of any federal workers or workmen’s compensation law or any federal occupational disease law.
8.24.4 **Sexual Misconduct Liability** Insurance covering actual or alleged claims for sexual misconduct and/or molestation with limits of not less than $2 million per claim and $2 million aggregate, and claims for negligent employment, investigation, supervision, training or retention of, or failure to report to proper authorities, a person(s) who committed any act of abuse, molestation, harassment, mistreatment or maltreatment of a sexual nature.

8.25 **LIQUIDATED DAMAGES**

8.25.1 If, in the judgment of the Department Head, or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Department Head, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor’s invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Department Head, or his/her designee, in a written notice describing the reasons for said action.

8.25.2 If the Department Head, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Department Head, or his/her designee, deems are correctable by the Contractor over a certain time span, the Department Head, or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Department Head, or his/her designee, may: (a) Deduct from the Contractor’s payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is One Hundred Dollars ($100) per day per infraction, or as specified in the Performance Requirements Summary (PRS) Chart, as defined in Contract Attachment B, SOW Exhibits, B-2, hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County’s payment to the Contractor; and/or (c) Upon giving five (5) days’ notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs
incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.25.3 The action noted in Paragraph 8.25.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.25.4 This Paragraph shall not, in any manner, restrict or limit the County’s right to damages for any breach of this Contract provided by law or as specified in the Contract Attachment A, Statement of Work, SOW Exhibit B-2 or Paragraph 8.26.2, and shall not, in any manner, restrict or limit the County’s right to terminate this Contract as agreed to herein.

8.26 MOST FAVORED PUBLIC ENTITY

If the Contractor’s prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.27 NONDISCRIMINATION AND AFFIRMATIVE ACTION

8.27.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

8.27.3 The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations. Such
action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

8.27.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.

8.27.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

8.27.6 The Contractor shall allow County representatives access to the Contractor’s employment records during regular business hours to verify compliance with the provisions of this Subsection 8.28 when so requested by the County.

8.27.7 If the County finds that any provisions of this Subsection 8.28 have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.

8.27.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars ($500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.28 NON EXCLUSIVITY
Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict the County from acquiring similar, equal or like goods and/or services from other entities or sources.

8.29 NOTICE OF DELAYS

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one (1) business day, give notice thereof, including all relevant information with respect thereto, to the other party.

Such notice shall be provided in accordance with the requirements set forth in Attachment L, Internal Revenue Service Notice (IRS) No. 1015.

8.32 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties as identified in Attachment G, County’s Administration and Attachment H, Contractor’s Administration. Addresses may be changed by either party giving ten (10) days’ prior written notice thereof to the other party. The Department Head, or his/her designee shall have the authority to issue all notices or demands required or permitted by the County under this Contract.

8.34 PROHIBITION AGAINST IN DUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.35 PUBLIC RECORDS ACT

8.35.1 Any documents submitted by the Contractor; all information obtained in connection with the County’s right to audit and inspect the Contractor’s documents, books, and accounting records pursuant to Subsection 8.38 - Record Retention and Inspection/Audit Settlement of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked “trade secret,” “confidential,” or “proprietary.” The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

8.36 PUBLICITY
8.36.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

- During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County’s Contract Director. The County shall not unreasonably withhold written consent.

8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this Subsection 8.37 shall apply.

8.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.
8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County’s Auditor-Controller within thirty (30) calendar days of the Contractor’s receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this Subsection 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

8.37.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County’s dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County’s Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County’s dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County’s maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

8.37.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County’s sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor’s records (including, certain records related to non-County Contracts) to enable the County to evaluate the Contractor’s compliance with the County’s Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County Contracts.
The Contractor further acknowledges that the foregoing requirement in this Paragraph relative to Contractor’s employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor’s full compliance with and adherence to California labor laws and the County’s Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.38 RECycled BOND PAPER

Consistent with the Board of Supervisors’ policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.39 SUBCONTRacting

8.39.1 The requirements of this Contract may not be subcontracted by the Contractor without the advance written approval of the County. Any attempt by the Contractor to subcontract without the prior approval of the County may be deemed a material breach of this Contract.

8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County’s request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the County.
8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.

8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County’s approval of the Contractor’s proposed subcontracts.

8.39.5 The County’s consent to subcontract shall not waive the County’s right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.

8.39.6 The County’s Contract Director is authorized to act for and on behalf of the County with respect to approval of any subcontracts and subcontractor employees. After approval of the subcontracts by the County, Contractor shall forward a fully executed subcontract to the County for their files.

8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County’s consent to subcontract.

8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

Department of Public Social Services  
Contract Management Division, Section IV  
12900 Crossroads Parkway South, 2nd Floor  
City of Industry, CA  91746  
Attn: County Contract Administrator

However, neither the County’s failure to obtain, nor the County’s receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Contractor or subcontractor(s), its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the required insurance provisions.
8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in Subsection 8.14, Contractor’s Warranty of Adherence to County’s Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Subsection 8.43, Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and

- Complete performance of such part of the work as shall not have been terminated by such notice.

- Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than three (3) months from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time allowed, County may determine, on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.
8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Subsection 8.38, Record Retention and Inspection/Audit Settlement.

8.42 TERMINATION FOR DEFAULT

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of the County’s Contract Director:

- Contractor has materially breached this Contract;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.42.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or Contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the
Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this Subsection 8.42, it is determined by the County that the Contractor was not in default under the provisions of this Subsection 8.42, or that the default was excusable under the provisions of subparagraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Subsection 8.41, Termination for Convenience.

8.42.5 The rights and remedies of the County provided in this Subsection 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
8.43.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.44 TERMINATION FOR INSOLVENCY

8.44.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;

- The appointment of a Receiver or Trustee for the Contractor; or

- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this Paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County’s Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County’s Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor’s performance hereunder or by any provision of this Contract during any of the County’s future fiscal years unless and until the County’s Board of Supervisors appropriates funds for this Contract in
the County’s Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Subsection 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through Contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies
that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Subsection 8.51 "Warranty of Compliance with County’s Defaulted Property Tax Reduction Program" shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) calendar days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY’S LIVING WAGE PROGRAM

9.1.1 Living Wage Program

This Contract is subject to the provisions of the County’s ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Attachment L, Living Wage Program, and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not an “Employer” as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its employees no less than the applicable hourly living wage rate, as set forth immediately below for the employees’ services provided to the County, including, without limitation, "Travel Time" as defined below at Subparagraph 5 of this Paragraph 9.1.2 under the Contract:

a. Not less than $11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than
$2.20 per hour towards the provision of bona fide health care benefits for its employees and any dependents; or,

b. Not less than $9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least $2.20 per hour towards the provision of bona fide health care benefits for its employees and any dependents during the term of contract. The Contractor will be deemed to have contributed $2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than $2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its employees the higher hourly living wage.

2. For purposes of this Subsection, 9.1 Compliance with the County’s Living Wage Program, “Contractor” includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Subsection. The provisions of this Subsection shall be inserted into any such subcontracts and a copy of the Living Wage Program, Attachment L, shall be attached to the subcontracts. “Employee” means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. “Full-time” means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exemption status” from the living wage requirement. The
Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program’s definition of “Employer” or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Living Wage Program’s definition of “Employer” and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor’s obligation to pay its Employees the applicable hourly living wage rate under this Contract, “Travel Time” shall have the following two meanings, as applicable: 1) With respect to travel by an employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an employee physically travels to or from a County facility if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time; and 2) With respect to travel by an employee between County facilities that are subject to two different Contracts between the Contractor and the County (of which both Contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an employee physically travels to or from, or between such County facilities if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time.

9.1.3 Contractor’s Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor’s employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if
any, for each of its employees. The certified monitoring reports shall also state the name and identification number of the Contractor’s current health care benefits plan, and the Contractor’s portion of the premiums paid as well as the portion paid by each employee. All certified monitoring reports shall be submitted on forms provided by the County (Attachment M Monthly Certification for Applicable Health Benefit Payments, and Attachment N, Payroll Statement of Compliance), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor’s Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor’s Contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor’s operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours written notice, the County may audit, at the Contractor’s place of business, any of the Contractor’s records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years (forty-eight (48) months) from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.
9.1.6 Notifications to Employees

The Contractor shall place County-provided living wage posters at each of the Contractor’s places of business and locations where the Contractor’s employees are working. The Contractor shall also distribute County-provided notices to each of its employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of employees.

9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this Paragraph, the County shall have the rights and remedies described in this paragraph in addition to any rights and remedies provided by law or equity.

1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the Contractor’s failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the
liquidated damages are not intended as a penalty or forfeiture for the Contractor’s breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of $100 per monitoring report for each day past the due date, until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

c. Termination. The Contractor’s continued failure to submit accurate, complete, timely, and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2) Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding Payment. If the Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its employee(s) for a given pay period and the amount actually paid to the employee(s) for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the Contractor’s failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the
It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor’s breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of $50 per employee per day for each and every instance of an underpayment to an employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

c. **Termination.** The Contractor’s continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3) **Debarment.** In the event the Contractor breaches a requirement of this Subsection, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility, and Contractor Debarment.

### 9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time employee staffing plan. If the Contractor changes its full-time employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

### 9.1.9 Contractor Retaliation Prohibited
The Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any Contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity, or person. A violation of the provisions of this Subsection may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 **Contractor Standards**

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 **Employee Retention Rights**

1) The Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:

9.1.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

By requiring Contractors to complete the Charitable Contributions Certification, Attachment Q, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

The County's vision is to improve the quality of life in the County by providing responsive, efficient and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. 1.0 PERFORMANCE REQUIREMENTS SUMMARY (PRS)

This Performance Requirement Summary (PRS), Contract Attachment B, SOW Exhibits B-1 and B-2), displays the major services that will be monitored during the term of this Contract. It indicates the required services, the standards for performance, maximum deviation from standard before service will be determined unsatisfactory, County’s preferred method of monitoring, and the unsatisfactory performance indicator which may be assessed if the service is not satisfactorily provided. All listings of "required service" or "Standard" used in this PRS are intended to be completely consistent with the main body of the Contract, all of its Attachments and are not meant in any case to create, extend, revise, limit or expand any obligation of Contractor beyond that defined in the main body of the Contract, and all Attachments. In any case of apparent inconsistency between the PRS and the required services or Standards stated in the main body of this Contract and Attachment A, the meaning apparent in the main body of this Contract and Attachment A, SOW, will prevail. If any required service or standard seems to be created in this PRS which is not clearly set forth in the main body of the Contract or in any of its Attachments, that apparent required service or standard will be null and void and place no requirement on Contractor and will not be the basis of the assignment of any points. Because the provision of services to public assistance clients is critical to the mission of DPSS, the County expects a high standard of Contractor performance. DPSS will work with the Contractor to resolve any areas of difficulty brought to the attention of the County CCA by Contractor before the allowable deviation for acceptable standard should occur. However, it is the Contractor's responsibility to provide the services set forth in Attachment A, SOW, and summarized in the PRS.

2.0 PERFORMANCE REQUIREMENTS SUMMARY CHART

The PRS chart is set forth in this Contract Attachment B, SOW Exhibit B-2 and provides the following:

a. Lists the Contract requirements considered most critical to acceptable Contract performance (Column 1 of chart).

b. Denotes the indicators used to determine that the standards have been met (Column 2 of chart).

c. Defines the standard of performance for each required service (Column 3 of chart).

d. Shows the maximum allowable degree of deviation from perfect performance or Acceptable Quality Level (AQL) for each required service that is allowed before the County assesses liquidated damages (Column 4 of chart).
e. Shows the quality assurance methods the County will use to evaluate the Contractor’s performance in meeting the Contract requirements. (Column 5 of chart).

f. Shows the monthly Unsatisfactory Performance Indicator (UPI) points to be assessed for exceeding the AQL, for each listed Contract requirement (Column 6 of chart). These indicators may serve as a baseline for assessing liquidated damages.

3.0 QUALITY ASSURANCE

Each month, Contractor performance will be compared to the contract standards and acceptable quality levels (AQLs) using the Quality Assurance Monitoring Plan (QAMP). County may use a variety of inspection methods to evaluate the Contractor’s performance, including:

3.1 Random sampling.

3.2 One hundred percent (100%) inspection of items, such as reports and invoices, on a periodic basis (daily, weekly, monthly, quarterly, semi-annually or annually) as determined necessary to assure a sufficient evaluation of Contractor performance.

3.3 Review of reports and files.

3.4 Validated complaints from DPSS district offices and/or administrative staff, WFP&I and other agencies and County departments with whom Contractor has a relationship.

3.5 SFIS Contractor complaints.

3.6 On-site surveillance.

4.0 CONTRACT DISCREPANCY REPORT (CDR)

Performance of a listed service is considered acceptable when the number of discrepancies found during Contract monitoring procedures does not exceed the number of discrepancies allowed by the AQL. When the performance is unacceptable, the Contractor may be required to respond to a CDR as follows:

4.1 Verbal notification of a Contract discrepancy will be made to the Contractor Program Manager or alternate as soon as possible whenever a Contract discrepancy is identified. When possible, the problem shall be immediately resolved by the Contract Manager. The CCA will determine whether a CDR (Contract Attachment B, SOW Exhibit B-3, CDR) will be issued.
4.2 If a CDR is issued, it will be mailed or hand carried, at the CCA's discretion, to the Contractor Program Manager or alternate.

4.3 Upon receipt of a CDR, the Contractor is required to respond in writing to the CCA within ten (10) business days acknowledging the reported discrepancies, presenting contrary evidence or providing explanation for the questioned action, and presenting a program for immediate corrective action of all failures of performance identified in the CDR.

4.4 The CCA will evaluate the Contractor's explanation on the CDR and if the CCA determines that the unsatisfactory performance was caused by circumstances beyond the Contractor's control and without fault or negligence by Contractor, the CCA may decline to count such point(s) as unsatisfactory performance for the month.

5.0 CRITERIA FOR ACCEPTABLE OR UNACCEPTABLE PERFORMANCE

In monitoring the Contractor's performance, County shall select samples using a random sampling method so that they will be representative of a population of interest. Data from the sampling will be used to measure performance on the Standard, and conclusions are made about Contractor's performance for the whole service population.

The random sampling plan includes the following information:

- Acceptable Quality Level (AQL) - The maximum percent of defects that can occur and still meet this Contract's standard for satisfactory performance.
- Lot Size (Population) - The total number of units or services provided.
- Sample Size - The number of units to be checked in a given time period.

The AQL for each sampling is taken from this PRS, Contract, Attachment B. (The lot size is determined by selecting a population that the County determines appropriate for their review.) To ensure each service has an equal chance of being selected, a random number table, or an automated sampling tool, is used to determine the sample from the appropriate lot size.

Contractor performance is deemed “Unsatisfactory” when the results of a review fail to meet the AQL, as defined for each standard in Contract, Attachment B, PRS Chart (Attachment B-1).
6.0 REMEDY OF DEFECTS

Notwithstanding a finding of unsatisfactory service and assessment of UPIs, Contractor must, within a time period specified by County, remedy any and all defects in the provision of Contractor's services and, as deemed necessary by the CCA, perform such services again at an acceptable level.

7.0 UNSATISFACTORY PERFORMANCE REMEDIES

When Contractor performance does not conform to the requirements of the Contract, County will have the option to apply the following remedies:

7.1 Require Contractor to implement a formal corrective action plan, subject to approval by County. In the plan, Contractor must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent recurrence.

7.2 Assess deductions in the amount of ten dollars ($10.00) per point for each UPI point exceeding 300 points during each of the first three (3) months of the Contract or 275 points during each month for the remainder of the Contract term.

7.3 Suspend or cancel the Contract for systematic, deliberate misrepresentations. This does not preclude County’s right to terminate this Contract upon ten (10) days written notice, with or without cause, as provided for in Contract, Subsection 8.42, Termination for Convenience, herein.

7.4 Failure of Contractor to comply with or satisfy the request(s) for improvement of performance or to perform the neglected work specified within five (5) business days shall constitute authorization for County to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of Contractor’s failure to perform said service(s), as determined by County, shall be credited to County on Contractor’s future invoice.

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county Contracts possess reasonable jury service policies. Safely Surrendered

No shame. No blame. No names.

In Los Angeles County: 1-877-BABY SAFE • 1-877-222-9723
www.babysafela.org
How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One beader will be placed on the baby, and a matching beader will be given to the parent or other surrendering adult.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?
No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?
No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?
The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?
Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby’s death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby’s story
Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby’s aunt and stated the baby’s mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the addled placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

The aunt was given a bracelet with a number matching the number placed on the baby, which would provide some identification in the event the mother changed her mind about surrendering the baby and wanted to reclaim the baby in the 14-day period allowed by the law. The aunt was also provided with a medical questionnaire and told she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.
2.201.010 Findings.
The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers’ failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
CERTIFICATION FORM AND APPLICATION FOR EXCEPTION

The County’s solicitation for this Request for Proposals is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. All proposers whether a Contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the proposer is excepted from the Program.

Company Name:

Company Address:
City: State: Zip Code:

Telephone Number:

Solicitation For Services:

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

☐ My business does not meet the definition of “Contractor,” as defined in the Program, as it has not received an aggregate sum of $50,000 or more in any 12-month period under one or more County Contracts or subcontracts (this exception is not available if the Contract itself will exceed $50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of $50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract, are $500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

“Dominant in its field of operation” means having more than ten employees and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the Contract awarded, exceed $500,000.

“Affiliate or subsidiary of a business dominant in its field of operation” means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Contract (attach Contract) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents or my company will have and adhere to such a policy prior to award of the Contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

The above-referenced vendor, a proposer with respect to the above-referenced solicitation, is requesting a **Proposed Contractor Selection Review** based on the assertions shown below. Vendor understands that this request must be received by the County within [insert number of days] of the Debriefing Meeting.

Vendor asserts that the vendor's response to the solicitation should have been determined to be the highest-scored proposal because of one or more of the following reason(s):

- [ ] Department materially failed to follow procedures specified in its solicitation document
- [ ] Department made identifiable mathematical or other errors in evaluating proposals
- [ ] A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation
- [ ] Another basis for review as provided by state or federal law, explain below:

Vendor must provide detailed factual support for each reason checked above. The support must be sufficiently detailed to demonstrate that, but for the reasons checked above, the vendor would have been the highest-scored proposer. Provided the other criteria specified in this Transmittal Form are satisfied, the vendor may include assertions with respect to the vendor's proposal and/or with respect to the recommended proposer's proposal. *(Attach additional pages and supporting documentation as necessary.)*

For the reasons stated in the above-referenced vendor’s Transmittal Form to Request a Proposed Contractor Selection Review (PCSR) and any permissible additional reasons stated below, the vendor is requesting a County Review Panel. Vendor understands that this request must be received by the County by the **date specified in the department’s response to the vendor’s PCSR**. In addition to the reasons stated in the vendor’s PCSR, the vendor asserts that the vendor’s response to the solicitation should have been determined to be the lowest cost, responsive and responsible bid because of one or more of the following reason(s):

- Department materially failed to follow procedures specified in its solicitation document
- Department made identifiable mathematical or other errors in evaluating proposals
- A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation
- Another basis for review as provided by state or federal law, explain below:

Vendor understands that these additional reasons will only be considered at the County Review Panel Meeting if the vendor demonstrates that these additional reasons arose out of the department’s response to the vendor’s PCSR. Vendor must provide detailed factual support for each additional reason checked above. The support must be sufficiently detailed to demonstrate that (i) but for the additional reasons checked above, the vendor would have been the lowest cost, responsive and responsible bidder and (ii) such additional reasons arose out of the department's response to the vendor's PCSR. Provided the other criteria specified in this Transmittal Form are satisfied, the vendor may include assertions with respect to the vendor's bid and/or with respect to the recommended bidder's bid. *(Attach additional pages and supporting documentation as necessary.)*

Vendor further understands that **only the items referenced in** this Transmittal Form will be considered at the County Review Panel Meeting. Vendor has included all documents and other material needed to support the assertions.

Comments:
COUNTY OF LOS ANGELES
POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow . . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.

2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.

3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.

4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

2.202.010 Findings and declarations.

A. The board of supervisors finds that, in order to promote integrity in the county's Contracting processes and to protect the public interest, the county's policy shall be to conduct business only with responsible Contractors. The board of supervisors further finds that debarment is to be imposed only in the public interest for the county's protection and not for the purpose of punishment.

B. Determinations of Contractor non-responsibility and Contractor debarment shall be made in accordance with the procedures set forth in the ordinance codified in this chapter and implementation instructions issued by the auditor-controller. (Ord. 2005-0066 § 1, 2005: Ord. 2000-0011 § 1 (part), 2000.)

For purposes of this chapter, the following definitions apply:

A. “Contractor” means a person, partnership, corporation, or other entity who has Contracted with, or is seeking to Contract with, the county or a nonprofit corporation created by the county to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county. A Contractor includes a Contractor, subcontractor, vendor, or any person or entity who or which owns an interest of 10 percent or more in a Contractor, subcontractor, or vendor.

B. “Contract” means any contract to provide goods to, or perform services for or on behalf of, the county or a nonprofit corporation created by the county.

C. “Debarment” means an action taken by the county which results in a Contractor being prohibited from bidding or proposing on, being awarded and/or performing work on a Contract with the county. A Contractor who has been determined by the county to be subject to such a prohibition is “debarred.”

D. “Department head” means either the head of a department responsible for administering a particular Contract for the county or the designee of same.

E. “County” means the county of Los Angeles, any public entities for which the board of supervisors is the governing body, and any joint powers authorities of which the county is a member that have adopted county Contracting procedures.

F. “Contractor hearing board” means the persons designated to preside over Contractor debarment hearings and make recommendations on debarment to the board of supervisors.
G. Determination of “non-responsibility” means an action taken by the county which results in a Contractor who submitted a bid or proposal on a particular Contract being prohibited from being awarded and/or performing work on that Contract. A Contractor who has been determined by the county to be subject to such a prohibition is “non-responsible” for purposes of that particular Contract.

A. Prior to a Contract being awarded by the county, the county may determine that a Contractor submitting a bid or proposal is non-responsible for purposes of that Contract. In the event that the county determines that a Contractor is non-responsible for a particular Contract, said Contractor shall be prohibited from being awarded and/or performing work on that Contract.

B. The county may declare a Contractor to be non-responsible for purposes of a particular Contract if the county, in its discretion, finds that the Contractor has done any of the following: (1) violated a term of a Contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the Contractor’s quality, fitness, or capacity to perform a Contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to find a Contractor non-responsible for a particular Contract is within the discretion of the county. The seriousness and extent of the Contractor’s acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection 2.202.040 (E) below, may be considered by the county in determining whether a Contractor should be deemed non-responsible.

D. Before making a determination of non-responsibility pursuant to this chapter, the department head shall give written notice to the Contractor of the basis for the proposed non-responsibility determination, and shall advise the Contractor that a non-responsibility hearing will be scheduled on a date certain. Thereafter, the department head shall conduct a hearing where evidence on the proposed non-responsibility determination is presented. The Contractor and/or attorney or other authorized representative of the Contractor shall be afforded an opportunity to appear at the non-responsibility hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence. After such hearing, the department head shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be found non-responsible with respect to the Contract(s) at issue. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the department head.

A. The county may debar a Contractor who has had a Contract with the county in the preceding three years and/or a Contractor who has submitted a bid or proposal for a new Contract with the county.

B. The county may debar a Contractor if the county finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Contract with the county or a nonprofit corporation created by the county; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness, or capacity to perform a Contract with the county, any other public entity, or a nonprofit corporation created by the county, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the county or any other public entity.

C. The decision by the county to debar a Contractor is within the discretion of the county. The seriousness and extent of the Contractor's acts, omissions, patterns, or practices as well as any relevant mitigating or aggravating factors, including those described in Subsection (E) below, may be considered by the county in determining whether to debar a Contractor and the period of debarment. Generally, the period of debarment should not exceed five years. However, if circumstances warrant, the county may impose a longer period of debarment up to and including permanent debarment.

D. To impose a debarment period of longer than five years, and up to and including permanent debarment, in addition to the grounds described in Subsection (B) above, the county shall further find that the Contractor's acts or omissions are of such an extremely serious nature that removal of the Contractor from future county Contracting opportunities for the specified period is necessary to protect the county's interests.

E. Mitigating and aggravating factors that the county may consider in determining whether to debar a Contractor and the period of debarment include but are not limited to: (1) The actual or potential harm or impact that results or may result from the wrongdoing. (2) The frequency and/or number of incidents and/or duration of the wrongdoing. (3) Whether there is a pattern or prior history of wrongdoing. (4) A Contractor's overall performance record. For example, the county may evaluate the Contractor's activity cited as the basis for the debarment in the broader context of the Contractor's overall performance history. (5) Whether a Contractor is or has been debarred, found non-responsible, or disqualified by another public entity on a basis of conduct similar to one or more of the grounds for debarment specified in this Section. (6) Whether a Contractor's wrongdoing was intentional or inadvertent. For example, the county may consider whether and to what extent a Contractor planned, initiated, or carried out the wrongdoing.
(7) Whether a Contractor has accepted responsibility for the wrongdoing and recognizes the seriousness of the misconduct that led to the grounds for debarment and/or has taken corrective action to cure the wrongdoing, such as establishing ethics training and implementing programs to prevent recurrence.

(8) Whether and to what extent a Contractor has paid or agreed to pay criminal, civil, and administrative liabilities for the improper activity, and to what extent, if any, has the Contractor made or agreed to make restitution.

(9) Whether a Contractor has cooperated fully with the county during the investigation, and any court or administrative action. In determining the extent of cooperation, the county may consider when the cooperation began and whether the Contractor disclosed all pertinent information known to the Contractor.

(10) Whether the wrongdoing was pervasive within a Contractor’s organization.

(11) The positions held by the individuals involved in the wrongdoing.

(12) Whether a Contractor’s principals participated in, knew of, or tolerated the offense.

(13) Whether a Contractor brought the activity cited as a basis for the debarment to the attention of the county in a timely manner.

(14) Whether a Contractor has fully investigated the circumstances surrounding the cause for debarment and, if so, made the result of the investigation available to the county.

(15) Whether a Contractor had effective standards of conduct and internal control systems in place at the time the questioned conduct occurred.

(16) Whether a Contractor has taken appropriate disciplinary action against the individuals responsible for the activity which constitutes the cause for debarment.

(17) Other factors that are appropriate to the circumstances of a particular case.

F. Before making a debarment determination pursuant to this chapter, the department head shall give written notice to the Contractor of the basis for the proposed debarment, and shall advise the Contractor that a debarment hearing will be scheduled on a date certain. The Contractor hearing board shall conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or attorney or other authorized representative must be given an opportunity to appear at the debarment hearing and to submit documentary evidence, present witnesses, and offer rebuttal evidence at that hearing. After such hearing, the Contractor hearing board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred and, if so, the appropriate length of time for the debarment. A record of the hearing, the proposed decision, and any recommendation shall be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor hearing board. A debarment finding shall become final upon the approval of the board of supervisors.

G. In making a debarment determination, the board of supervisors may also, in its discretion and consistent with the terms of any existing Contracts that the Contractor may have with the county, terminate any or all such existing Contracts. In the event that any existing Contract is terminated by the board of supervisors, the county shall maintain the right to pursue all other rights and remedies provided by the Contract and/or applicable law.

H. With respect to a Contractor who has been debarred for a period longer than five years, the Contractor may, after the debarment has been in effect for at least five years, request that the
county review the debarment determination to reduce the period of debarment or terminate the debarment. The county may consider a Contractor’s request to review a debarment determination based upon the following circumstances: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the county. A request for review shall be in writing, supported by documentary evidence, and submitted to the chair of the Contractor hearing board. The chair of the Contractor hearing board may either: 1) determine that the written request is insufficient on its face and deny the Contractor’s request for review; or (2) schedule the matter for consideration by the Contractor hearing board which shall hold a hearing to consider the Contractor’s request for review, and, after the hearing, prepare a proposed decision and a recommendation to be presented to the board of supervisors. The board of supervisors may, in its discretion, limit any further hearing to the presentation of evidence not previously presented. The board of supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor hearing board. A reduction of the period of the debarment or termination of the debarment shall become final upon the approval of the board of supervisors. (Ord. 2005-0066 § 4, 2005: Ord. 2004-0009 § 3, 2004: Ord. 2000-0011 § 1 (part), 2000.)

2.202.050 Pre-emption.

In the event any Contract is subject to federal and/or state laws that are inconsistent with the terms of the ordinance codified in this chapter, such laws shall control. (Ord. 2000-0011 § 1 (part), 2000.)

If any section, subsection, subpart or provision of this chapter, or the application thereof to any person or circumstances, is held invalid, the remainder of the provisions of this chapter and the application of such to other persons or circumstances shall not be affected thereby. (Ord. 2000-0011 § 1 (part), 2000.)

- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2012.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?
The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?
Eligible employees claim the EIC on their 2011 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2011 and owes no tax but is eligible for a credit of $829, he or she must file a 2011 tax return to get the $829 refund.

Can My Employees Get Advance EIC Payments?
After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their tax return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

**Assessment Criteria**

A “Labor Law/Payroll Violation” includes violations of any Federal, State or local statute, regulation or ordinance pertaining to wages, hours, working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination. The County may deduct points from a proposer’s final evaluation score only for Labor Law/Payroll Violations with disposition by a public entity within the past three years of the date of the proposal.

The assessment and determination of whether a violation is major, significant, minor, or insignificant and the assignment of a percentage deduction shall include, but not be limited to, consideration of the following criteria and variables:

- Accuracy in self-reporting by proposer
- Health and/or safety impact
- Number of occurrences
- Identified patterns in occurrences
- Dollar amount of lost/delayed wages
- Assessment of any fines and/or penalties by public entities
- Proportion to the volume and extent of services provided, e.g., number of Contracts, number of employees, number of locations, etc.

**County Code Title 2, Chapter 2.202.030 sets forth criteria for making a finding of Contractor non-responsibility which are not limited to the above situations.**
BACKGROUND AND RESOURCES
CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates those raising and receiving charitable contributions. The “Nonprofit Integrity Act of 2004” (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over $2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A Proposer on Los Angeles County Contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following references to resources are offered to assist Proposers who engage in charitable contributions activities. Each Proposer, however, is ultimately responsible to research and determine its own legal obligations and properly complete its compliance certification (Exhibit 20).

In California, supervision of charities is the responsibility of the Attorney General, whose website; http://ag.ca.gov/ contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The “Supervision of Trustees and Fundraisers for Charitable Purposes Act” is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations (“advertising”) are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: http://ag.gov/charities
2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the Center for Nonprofit Management, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 http://www.cnmsocal.org/ and statewide, the California Association of Nonprofits, http://www.calnonprofits.org/. Both organizations’ websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, provided under this sub-section of this Appendix N is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the County of Los Angeles of such organizations.
