Important Notice for Native American Indians

Are you or is anyone in your family a Native American Indian, indigenous to the USA? The Torres-Martinez Tribal Temporary Assistance for Needy Families (Tribal TANF) has assumed authority for providing cash benefits and employment services for Native American Indian families in the County of Los Angeles. Tribal TANF provides welfare services to needy Indian families in the same fashion as the County of Los Angeles, including job-readiness training, assistance in finding a job, and supportive services to enable Native American Indians to leave the program and become self-sufficient.

If you believe you qualify **and can provide verifying documents**, you have a right to choose to begin receiving cash benefits and employment services from the Tribal TANF program **OR** continue receiving cash benefits and employment services with the Los Angeles County Department of Public Social Services. I would like to (check one box only):

- be provided information on Tribal TANF cash benefits and services. I understand if I later choose to accept services from Tribal TANF, my Los Angeles County DPSS cash benefits will be discontinued and I will continue receiving Food Stamps and Medi-Cal for which I qualify.
