If the Director of Personnel fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.

- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.

The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

### Section 3.

The parties having jointly reviewed and considered all available salary and wage information and data, agree that the recommended salaries set forth herein were negotiated in good faith and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 8            BONUSES/SPECIAL PAY PRACTICES

Section 1.            Training Officer/and Canine Handler Bonus

The parties agreed that during the term of this Memorandum of Understanding that there will be designated by Management as bonus positions within the Coroner Investigator classifications in the Department of Medical-Examiner Coroner. Included in these positions shall be Training Officers, and Canine Handlers. Bonus positions shall be compensated with a bonus of two (2) standard salary schedules (5-1/2%) above the salary schedule of the employee.

Future Canine Handlers will be Peace Officers in the Department of Medical-Examiner Coroner and shall receive the bonus upon verification of any necessary certifications.

Section 2.            Reimbursement of American Board of Medicolegal Death Investigators (ABMDI) Certification

Upon the implementation of this MOU, The Department of the Medical-Examiner Coroner shall reimburse employees, in the classification of Medical-Examiner Coroner Investigator series, the initial Board Certification fees upon obtaining the certification.

Section 3.            Evening and Night Shift Differential

Any employee in the unit who is assigned to a regularly established evening or night shift as defined by Los Angeles County Code, Section 610.020 (A), shall receive a per hour bonus of \$0.50 for each hour worked during the evening shift and \$0.55 for each hour worked during the night shift.

ARTICLE 9            OVERTIMESection 1.            Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A.     Non-Exempt Employees

With Department Head approval, employees in this Unit may elect to work up to one hundred sixty (160) hours of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one half (1 ½) hours for each hour of overtime worked in excess of 40 hours in the workweek. No more than two hundred forty (240) hours of FLSA compensatory time may be accrued by employees in this Unit. All FLSA overtime hours worked in excess of an employee's cap of one hundred sixty (160) accrued FLSA compensatory time off hours shall be paid.

Section 2.            Usage of FLSA Earned Compensatory Time-Off

- A.     An employee shall not be denied a timely request to carry over or take such time off. Requests for time off will be approved based on the needs of the service, as determined by Management, to ensure that such requests do not unduly disrupt departmental operations.

- B. Effective with the implementation of this MOU, with prior approval of Management, new accumulated compensatory time not used during the calendar year in which it is earned may be carried over for up to one (1) year, not to exceed 200 hours of new accumulated compensatory time. Compensatory time not used within the above period shall be paid to the employee as provided by the Fair Labor Standards Act rather than lost.

Section 3. Usage of Non-FLSA Earned Compensatory Time Off

- A. An employee shall not be directed by management to take compensatory time off without at least five (5) business days prior notice nor be denied a timely request to carry over. Requests for time off will be approved based on the needs of the service as determined by Management.
- B. Effective with the implementation of this MOU, with prior approval of Management, new accumulated compensatory time not used during the calendar year in which it is earned may be carried over for up to one (1) year, not to exceed 200 hours of new accumulated compensatory time. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 4.            Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit pending a request by either party to meet and confer regarding this article.

Section 5.            Distribution of Overtime

Management shall assign overtime worked, including third party events, as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, management may consider special skills required to perform particular work.

Section 6.            Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of management to require any employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when required to meet the County's public service obligations.

Section 7.            Work Week

The work week for employees in this Unit is 40 hours of work in a seven consecutive day period as defined by Management. Normally, the work schedule will consist of five - 8 hour work days, Monday through Friday.

ARTICLE 10      EMPLOYEE BENEFITS

The parties agree to recommend to the Board of Supervisors, for adoption and implementation by amendment to the County Code, the same provisions as those established for the Los Angeles County fringe benefit agreement. For purposes of this Section, it is agreed that such provisions are limited to retirement, long term disability, injury leave, health insurance, dental insurance, rental rates, bilingual pay, life insurance, sick leave, paying off time certificates, meal rates, vacation, bereavement leave, holidays, once-a-month paychecks, and workforce consultation committee.

The parties further agree that this Article shall be effective upon adoption by the Board of Supervisors of either this Memorandum of Understanding or the above designated provisions for the Coalition of County Unions, whichever occurs later.

Where the fringe benefits agreement provides for negotiations during or after the term of the fringe benefits agreement, the County will meet and confer with authorized Representatives of PPOA.

ARTICLE 11      CALL BACK

Whenever an employee is unexpectedly ordered by his Department Head or designated management representative to return to work following the termination of his normal work shift and departure from his work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rates of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 8, Overtime. If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

ARTICLE 12            STANDBY PAYSection 1.            Standby

It is understood and agreed that employees in this unit who are assigned regularly scheduled periods of authorized standby service at off-duty times shall receive a 25 cents per hour bonus for such service to a maximum of \$90 per month.

Management shall specify at the beginning of each quarterly period commencing January 1, 1998, the number of employees by classification that are required to be available for standby work. Each employee within a department may specify to the department that such employee does not desire to be available for standby work. In the event an insufficient number of employees are available for such standby work, then the department may assign standby work to employees on the basis of the least senior employees in the department being so assigned.

No additional compensation for standby status shall be made since the employee placed on standby is not "unreasonably restricted" so defined by the Fair Labor Standards Act.

Section 2.            On-Call Subpoena

Pursuant to the procedures established in cooperation with applicable courts, the parties agree that employees covered by this memorandum of Understanding who receive an on-call subpoena and remain on-call during off-duty hours for court appearances, shall

receive one-half their hourly rate, as defined by the Los Angeles County Code for their classification, for each hour that they are on-call including travel to court as a result of having received a call to appear. However, in no event shall an employee who receives an on-call subpoena, which is not cancelled prior to the date of the subpoena, be compensated for less than two (2) hours of on-call including travel to court. The on-call status will commence at the time for appearance specified in the subpoena, and will end when the employee is relieved from on-call status by the court or the Watch Commander at their unit, or upon arrival at the court in response to a call. It is further agreed that employees assigned to an evening or early morning shift, or those on their day off, shall, upon receipt of an on-call subpoena, notify the Watch Commander of their unit of their on-call status. Employees in an on-call status shall contact their Watch Commander by noon of the day set for appearance to confirm their status if they have not been contacted earlier. If the employee is on an on-call status at the end of the court day, the Watch Commander shall notify the employee at the end of the court day whether he/she is to remain on-call the following day. Employees receiving an on-call subpoena shall report to court only when called to appear. Employees who are called to appear in court on an overtime basis shall receive overtime compensation at the rate established for their classification.

Section 2.            Must Appear Subpoena

Employees who are required to appear in court during off duty hours as a result of a must appear subpoena shall receive three (3) hours minimum plus actual time in court over two (2) hours (includes travel time and evidence pick-up).

Section 3. Increments of Time

Time earned, credited and paid pursuant to Sections 1 and 2 above shall be in increments of 15 minutes.

The above provisions will remain in effect for the term of this contract unless superseded by order of the Board of Supervisors.

ARTICLE 13            UNIFORMS

Section 1.            Initial Issue of Uniform Clothing and Equipment

A.     An initial issue of the following uniform, when required by Management shall be made to all newly appointed Investigators on an one-time-only basis:

ARTICLE 14      JURY DUTY AND WITNESS LEAVESection 1.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his regular pay provided he deposits his fees for service, other than mileage, with the County Treasurer.

Section 2.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels his presence as a witness, unless he is a party or an expert witness, he shall be allowed the time necessary to be absent from work at his regular pay to comply with such subpoena, provided he deposits any witness fees, except mileage, with the County Treasurer.

ARTICLE 15      TRAINING

Management and the Association recognize the importance of appropriate training for employees within the Unit. Departmental Management will continue in-service training programs to meet this mutually desirable objective. Management will make information concerning new in-service training programs available to the Association prior to implementation.

ARTICLE 16      PROMOTIONS

In filling promotional vacancies, in accordance with Civil Service Rules, employees who are passed over in the selection for the available promotion will be advised of the reason(s) they were not selected for the available promotion by Management within ten (10) business days of the employee's request.

ARTICLE 17      BULLETIN BOARDS

Management agrees to provide adequate bulletin board space for the use of the Association in each area or facility employing more than (10) employees. The Association shall have the right to use such space to post information or materials concerning the following subjects:

- A. Association recreational, social and related news bulletins;
- B. Scheduled Association meetings;
- C. Information concerning the Association's elections or the results thereof; and
- D. Reports of official business of committees or the Board of Directors.

All other material which the Association desires to post shall first be approved by the authorized representative of the department providing the space.

ARTICLE 18      SAFETYSection 1.      Parties' Responsibilities

It is the duty of Management to make every reasonable effort to provide and maintain a safe place of employment. PPOA will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their regularly assigned duties to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices or conditions to their immediate supervisors. If such condition cannot be satisfactorily remedied by the immediate supervisor, the employee has the right to submit the matter in writing either personally or through his PPOA representative to the local facility safety officer or the departmental safety officer, if there is no local safety officer.

On any matter of safety that is not resolved by the safety officer within ten (10) working days, PPOA representative may confer with the safety officer who will respond in writing within five (5) working days.

If the Association representative is not satisfied with the response of the safety officer, a PPOA representative may consult with the Chief of the Workers' Compensation and Occupational Health Branch of the Chief Executive Office or his designate. A representative of such branch shall investigate the matter and advise the department head and PPOA of his finding, and recommendation, if any.

If PPOA is not satisfied with the response of the Chief of Workers' Compensation and Occupational Health, the issue may be taken within ten (10) days to arbitration as set forth in the arbitration section of the grievance procedure.

Section 2.            First Aid Kits

The departmental safety officer or appropriate representative will make every reasonable effort to maintain complete first aid kits at all work facilities and in all emergency vehicles.

Employees shall be scheduled to work shifts having regular starting and quitting times. Except for emergencies, employees' work schedules shall not be changed without written notice to the employee at least five working days before the change is to be implemented. Management upon request will consult with the Association on any change of work schedules that affect a majority of the employees in the unit.

Section 2.            Shift Assignments

Employees who desire to be assigned to a different shift may submit a request to their immediate supervisor. Requests will be considered according to shift availability and operational needs.

Section 3.            Emergencies

Nothing herein shall limit the authority of the department head to make temporary assignments to different or additional locations, shifts, or work duties for the purpose of meeting emergencies. Emergencies shall be defined as acts of God such as, but not limited to, earthquake or floods; other circumstances beyond the control of Management such as fires or power failures; or an official emergency declared by the Board of Supervisors of the County of Los Angeles. However, such emergency assignments shall not extend beyond the period of such emergency.

ARTICLE 20      TRANSFERSSection 1.

As openings occur, Management will review the requests for transfer currently on file. Those employees who have filed for transfer shall be reviewed in light of their performance and the requirements of the available opening. Management will then select one of the qualified employees to fill the vacancy, giving first consideration to the most senior employee. The employee selected shall be advised of his/her selection within five working days of the selection and will be transferred to his/her new assignment within 30 days of the date of selection.

When openings occur as a result of opening new facilities, the provisions of this Article shall be applied only to the degree practicable.

For purposes of this Article, seniority shall be based upon continuous service in the classifications within the department.

It is understood that this Article does not modify Management's right to promote an eligible employee who is working in the Unit or work location where the vacancy occurs.

ARTICLE 21            OUT-OF-CLASS ASSIGNMENT

Section 1.            Definition

A. For the purpose of this article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated, vacant, funded position in one class by an individual in another class.

B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee class and the out-of-class assignment is less than the above bonus the employee shall receive the rate for the higher class.

This bonus is paid pursuant to the conditions described below.

Section 2.            Conditions

A. If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall, upon the employee's or union's written request for relief, either:

appoint the employee according to Civil Service Rules;

return the employee to an assignment of his/her own class; or

pay the employee the bonus.

If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid.

If such return is made within 30 calendar days of the request for relief, no bonus under this Article is to be paid, or pay the employee the bonus.

The bonus begins 30 calendar days from the date of request for relief, and terminates when the conditions of this Article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3.            Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control.

- B. Nothing in this article shall be construed as limiting Management's authority to make temporary, incidental assignments on higher rated classification work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.
  
- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
  
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employees personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
  
- E. Grievances filed under this Article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 22      VACATION SCHEDULING

Employees shall be entitled to take authorized vacations in accordance with the following procedures:

1.      At least annually, Management shall prepare a vacation schedule for all employees in each facility.
  
2.      In the case of a tie involving two or more employees, the opportunity to choose a vacation schedule will be given to the employee in the order of their County seniority.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for management to make changes in rules or procedures affecting the employees in the unit. Where management finds it necessary to make such change it shall notify the Association indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Association requests to negotiate with management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the unit, (b) all the employees with a department in the unit or (c) all of the employees within a readily identifiable occupation.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution. In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of management to make necessary changes required during emergencies. However, management shall notify the Association of such changes as soon as practicable.

Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 37      STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Association, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Association fails to exercise good faith in halting the work interruption, the Association and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 38      PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission or similar independent commissions of the County. If any part or provisions of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 39      MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commission, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 40      LAYOFFS

Layoff procedures shall be flowed according to appropriate Los Angeles County Civil Service Rules.

When advance notice is available on the impact of pending changes it will result in layoffs. To be selected for such training, employees must have received at least a competent rating on their last performance evaluation.

Employees who successfully complete such training will be given first opportunity to qualify for other positions.

The Department of Human Resources shall prepare a listing of employees affected by the layoff and when sufficient advance notice is available, Management shall give such list to the appropriate PPOA representative prior to the layoff. A Chief Executive Office, Human Resource designate may consult, based upon appropriate Civil Service Rules, on the accuracy of the list with a PPOA representative. Complaints arising from layoff arranged for as provide herein shall be handled by appropriate Civil Service procedures.

ARTICLE 41      CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Association of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request For Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Executive Office will arrange to meet with representatives of the Association to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department or another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement.

Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.
