

Your Credit Union Benefit

Discover the Credit Union Difference

A valuable component of your benefit package as a Los Angeles County employee is membership eligibility at First City Credit Union. First City offers the same accounts and services offered by banks, with a number of important advantages, including:

- Competitive rates on savings, car loans, personal loans, home equity lines, and mortgages
- Free Checking
- Access to over 25,000 surcharge-free CO-OP Network ATMs nationwide (over 780 in LA County)
- Branch access at over 1,500 shared branches nationwide
- Free online banking and bill payment
- Quality, personalized *credit union* service

As a credit union, First City is a not-for-profit financial cooperative, owned and operated by our members. Unlike banks, which are owned by their stockholders, credit union “profits” are returned to members in the form of superior rates and higher quality service.

Founded in 1937, First City has over \$340 million in assets and 40,000 members. Deposits are federally insured up to \$100,000 per member by the National Credit Union Administration, America’s strongest financial insurance fund.

First City is proud to serve employees and families of the following Los Angeles County departments:

- Chief Medical Examiner, Coroner
- Children’s Services
- Community and Senior Citizens Services
- Department of Public Social Services
- Fair Association
- Internal Services Department
- High Desert Hospital
- Law Library
- Museum of Art
- Museum of Natural History
- Office of Education
- Public Works
- Safety Police
- Sheriff’s Department
