

Project Homeless

The VA of Greater Los Angeles is hosting a series of connect days to provide crucial services to ensure no man or woman who has served our Country is sleeping on the streets of Los Angeles or in a shelter with their family. Supported by United Way of Greater Los Angeles and leading community partners, including government, volunteers, non-profits, businesses, social service providers, and faith-based organizations, connect days will offer homeless individuals and their families access to housing benefits in a single point of entry.

The connect days will also aim to:

- Create a unique opportunity for homeless citizens to access services in a supportive community-type setting.
- Provide the necessary connections for homeless individuals and families to get started on the pathway to self-sufficiency.
