### NARRATIVE:

Jose Tapia is a documented gang member with an extensive adult criminal history that began at the age of 22. His convictions include battery, assault, possession of ammunition, grand theft of property and multiple DUIs with injury. He has served multiple state prison terms, the longest being a 2 year term for possession of ammunition. Tapia was released from state prison to the supervision of the Los Angeles County Probation Department on July 16, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2016 after he absconded from post release community supervision (PRCS). Tapia is qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for an ammunition violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
