NARRATIVE:

Michael Zimmerman has an extensive adult criminal history that began at the age of 20. His convictions include cruelty to a child, multiple assaults with a deadly weapon, domestic violence with injury, resisting arrest/attempting to take a firearm, terrorist threats, possession of dangerous weapons, battery, possession of a firearm by felon, ammunition violation, forgery, grand theft, vehicle theft, possession of narcotics, multiple petty thefts, false ID to a peace officer, use of PCP, disturbing the peace, DUI and possession of marijuana. He has served multiple state prison terms, the longest being a 8 year term for possession of a firearm by felon. Zimmerman was released from state prison to the supervision of the Los Angeles County Probation Department on April 1, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2018 after he absconded from post release community supervision (PRCS). Zimmerman qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a knife weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact…
