7.4. Solicitation Requirements Review

7.4.1 Any person or entity may seek a Solicitation Requirements Review by submitting Appendix E (Transmittal Form to Request a Solicitation Requirements Review) to the Department conducting the solicitation as described in Paragraph 7.4 (Solicitation Requirements Review). A request for a Solicitation Requirements Review may be denied, in the Department's sole discretion, if the request does not satisfy all of the following criteria:

1. The request is made within the time frame identified in the solicitation document (generally within ten (10) business days of the issuance of the solicitation document);
2. The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a proposal;
3. The request itemizes in appropriate detail, each matter contested and factual reasons for the requested review; and
4. The request asserts either that:

- a. application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
- b. due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective proposers.

The Solicitation Requirements Review shall be completed and the Department's determination shall be provided to the requesting person or entity, in writing, within a reasonable time prior to the proposal due date.

All Requests for Review should be submitted to:

2. SELECTION PROCESS AND EVALUATION CRITERIA, Page 34, RFP, Subparagraph 8.3, Disqualification Review, pages 35-36.

8.3 Disqualification Review

- 8.3.1 A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the proposer in writing.

Upon receipt of the written determination of non-responsiveness, the proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

2. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for Paragraph 5.8 (Determination of Proposer Responsibility).

3. SELECTION PROCESS AND EVALUATION CRITERIA, Page 34, RFP, Subparagraph 8.7.2, Proposed Contractor Section Review, pages 39-40.

8.7.2 Proposed Contractor Selection Review

Any proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in Paragraph 8.7.2 (Proposed Contractor Selection Review) may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);
2. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
 - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.

- iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the proposer receiving an incorrect score and not being selected as the recommended contractor.
 - c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by state or federal law; and
3. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the proposer of the manner and timeframe for requesting a County Independent Review. (See Paragraph 8.8 (County Independent Review Process) below.

4. SELECTION PROCESS AND EVALUATION CRITERIA, Page 34, RFP, Subparagraph 8.8, County Independent Review Process, pages 40-41.

8.8 County Independent Review Process

- 8.8.1 Any proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and

2. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in Paragraph 8.7.2 (Proposed Contractor Selection Review) above.

Upon completion of the County Independent Review, Internal Services Department will forward the report to the Department, which will provide a copy to the proposer.
