NARRATIVE:

Ronnie Crawford has an extensive adult criminal history that began at the age of 27. His convictions include burglary, multiple cases of assault with a deadly weapon, 1st degree robbery, domestic violence, multiple battery cases and possession of narcotics. He has served multiple state prison terms, the longest being a 6 year term for assault with a deadly weapon. Crawford was released from state prison to the supervision of the Los Angeles County Probation Department on January 26, 2019. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2019 after he absconded from post release community supervision (PRCS). Crawford qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
