NARRATIVE:

David Topete is a documented gang member with an extensive adult criminal history that began at the age of 21. His convictions include possession of firearm by felon, assault with a deadly weapon, evading police, grand theft of person, vehicle theft with priors, receiving stolen property and multiple cases of possession of controlled substances. He has served multiple state prison terms, the longest being a 4 year term for assault with a deadly weapon. Topete was released from state prison to the supervision of the Los Angeles County Probation Department on April 2, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2019 after he absconded from post release community supervision (PRCS). Topete qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft with priors is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
