NARRATIVE:

Richard Gilmore has an extensive adult criminal history in multiple states that began at the age of 22. His convictions include possession of marijuana for sale, arson, battery, disorderly conduct, defecating in public, trespassing, theft, illegal use of controlled substance, possession of stolen property, disturbing the peace. He has served multiple incarcerations, the longest being a 16 month term for arson. Gilmore was released from state prison to the supervision of the Los Angeles County Probation Department on March 6, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2019 after he absconded from post release community supervision (PRCS). Gilmore qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for arson is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
