NARRATIVE:

Cecilia Guerrero is a documented gang member with an extensive adult criminal history that began at the age of 20. Her convictions include assault with a firearm, assault, possession of controlled substances for sale, bringing contraband into a jail and false ID to a peace officer. She has served multiple state prison terms, the longest being a 6 year term for assault with a firearm. Guerrero was released from state prison to the supervision of the Los Angeles County Probation Department on December 29, 2017. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in November 2019 after she absconded from post release community supervision (PRCS). Guerrero qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for assault is defined as non-serious and non-violent under the California penal code. Her criminal history, gang member status and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
