### **NARRATIVE:**

Edward Haughton is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include 1<sup>st</sup> degree robbery, kidnapping, carrying a concealed weapon, possession of a firearm by felon, assault with a deadly weapon causing injury, multiple cases of assault and battery, a weapon violation, transporting controlled substances, possession for sales, receiving stolen property, multiple cases of false ID to a peace officer and possession of narcotics. He has served multiple state prison terms, the longest being an 8 year term for kidnapping. Haughton was released from state prison to the supervision of the Los Angeles County Probation Department on April 30, 2019. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2019 after he absconded from post release community supervision (PRCS). Haughton qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
