NARRATIVE:

Kevin Bright has an extensive adult criminal history that began at the age of 18. His convictions include exhibiting a deadly weapon, assault with a deadly weapon, burglary, transportation and sales of controlled substances and possession of controlled substance. He has served multiple state prison terms, the longest being a 4 year term for assault with a deadly weapon. Bright was released from state prison to the supervision of the Los Angeles County Probation Department on February 16, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2019 after he absconded from post release community supervision (PRCS). Bright qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transportation and sales of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
