NARRATIVE:

Juan Mendez has an extensive criminal history that began at the age of 18. His convictions include robbery, multiple cases of domestic violence with injury, convicted felon in possession of a gun, multiple petty thefts, vandalism and multiple cases of contempt of court. He has served multiple state prison terms, the longest being a 5 year term for domestic violence with injury. Mendez was released from state prison to the supervision of the Los Angeles County Probation Department on January 9, 2019. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2020 after he absconded from post release community supervision (PRCS). Mendez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for domestic violence with injury is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
