NARRATIVE:

Anthony Menjivar has an extensive multi-state adult criminal history that began at the age of 20. His convictions include carjacking, vehicle theft multiple cases of burglary, carrying a concealed weapon, assault causing great bodily injury to a family member, DUI, weapons violation and false identification. He has served multiple state prison terms, the longest being a 3 year term for carjacking. Menjivar was released from state prison to the supervision of the Los Angeles County Probation Department on October 23, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2020 after he absconded from post release community supervision (PRCS). Menjivar qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for carjacking is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
