NARRATIVE:

James Orton has an extensive criminal history that began at the age of 24. His convictions include evading peace officer, terrorist threats, battery, damaging a jail or prison, resisting arrest by attempting to take a firearm, vehicle theft, several DUIs with priors, resisting arrest, harassment and public intoxication. He has served multiple state prison terms, the longest being a 5 year term for evading a peace officer. Orton was released from state prison to the supervision of the Los Angeles County Probation Department on September 30, 2018. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2020 after he absconded from post release community supervision (PRCS). Orton qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading a peace officer is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
